\$15: VICTORIA \$15. FAMILY SEWING MACHINE.

The Most Complete and PERFECT MACHINE ever offered to the Public.

The only reliable CHEAP MACHINE in the World.

Our NEW IMPROVED FAMILY SEWING MACHINE is unrivalled for certainty of STITCH and BEAUTY OF WORK.

The Greatest Wonder of the Age!

We challenge the World to produce its equal.

Price Only \$15.00!

UNSURPASSED FOR CERTAINTY OF STITCH!

For Reliability, Ease, Quietness of Movement, and Real Worth, it has no EQUAL.

In presenting our new "Victoria Family Sewing Machine" to the public, we do so with the utmost confidence in its practical utility. Being adapted to a very wide range of purposes for general Family Sewing, it is considered, by competent judges, the most simple, effective and reliable Machine yet introduced, making the celebrated Lock Stitch. It will sew the finest muslins, cambrics and silks, also cottons, woolsens and cloths with equal facility.

THE FOLLOWING ARE AMONG THE MANY ADVANTAGES OF THIS EXCELLENT FAMILY MACHINE:

If you buy the Victoria you have a certainty. It is less liable to get out of order, and is so simple and perfect in its mechanism that a few minutes instruction will enable any person to become master of it.

The needle is more rapidly adjusted in the Victoria than in any other Machine, being very simple. It runs quietly and sews rapidly. The most inexperienced persons find no difficulty in using it.

It will sew alike on all kinds of material, from the finest linen bosom to the coarsest woolen fabric; and every kind of sewing silk and thread, from the finest silk to the coarsest cotton and linen, can be used.

We warrant it to sew as handsome, fine and tight a seam, and equal to any of the high-priced machines. It is impossible for this Machine to drop a stitch with the Patent Loper, therefore it can be relied upon in all kinds of sewing, while all other cheap Machines are liable to skip or drop stitches, wherever the work is uneven, or where it is necessary to run one seam across another. For Milliners, Dress or Cloak makers, it is unrivalled.

It makes no difference which way the machine is turned, BACKWARD or FORWARD, it is all the same. It makes a seam which will not rip or rival though every fourth stitch be cut; and it will hem, bind, tuck, fell, quilt and embroider in the most superior manner.

With these advantages we place it fearlessly before the public as the only reliable cheap Machine in the world; in full assurance that its manifold merits will make themselves manifest to a discriminating eye.

Orders by Mail otherwise, will meet with prompt attention—addressed to

Larookah's Sarsaparilla Compound, is an Alterative medicine of uniform strength, the effect of which is to eradicate from the system all those disorders which originate in IMPURE BLOOD.

Each of its ingredients are known and used by medical men in their practice, but this combination is believed to have a greater medical effect than could be produced by their use separately or in any other form.

Sarsaparilla, by itself, as is well known, operates slowly upon the system, but combined with other and more active agents, as in this Compound, its purifying effects are speedy and lasting.

Hence, Scrofula, in all its multitudinous forms, whether in that commonly known as King's Evil, Enlargement of the Glands or Bones, Goitre, white Swellings, Chronic Rheumatism, Cancer, Diseases of the Skin or Spine, or of Pulmonary Consumption, emanating from the same cause, which is a poisonous principle or virus in the system, is in most cases completely eradicated by this medicine.

Curing Scrofula in all its forms, this preparation may be relied upon as an effectual remedy for complaints of a kindred nature, such as Dropsical Swellings, Dyspepsia and Liver Complaints, Enlargement of the Ovaries, Epilepsy, Erysipelas, St. Anthony's Fire, Gout, Chronic Inflammation of the Mucous Membranes of the Throat, Windpipe, Nose and Ears, Mercurial and Syphilitic Affections, Neuralgia or Tic Dolorieux, Phthisis Pulmonalis, Scald Head, Ulcers of all kinds, Weakness or Soreness of the Eyes, Female Complaints, such as Suppression, Irregularity, Leucorrhoea, Sterility, &c., General Debility, Salt Rheum, Boils, Pimples, Carbuncles, Pain in the Stomach, Side and Bowels, and all those affections which require an Alterative or Purifying Medicine.

Price, \$1.00 per bottle,—6 bottles for \$5.00. Prepared by E. R. KNIGHTS, M. D., CHEMIST, Melrose, Mass.

LAROOKAH'S PULMONIC SYRUP.

The best Preparation ever made for the Cure of Coughs, Colds, Croup, Whooping Cough, Asthma, Catarrh, Bronchitis, Influenza, Pleurisy, Spitting Blood, Pain in the Side, Night Sweats, Humors, General Debility, the various Throat Affections and Hoarseness to which Public Speakers and Singers are liable, Consumption in its early stages, and all complaints tending to Consumption.

This Preparation is universally acknowledged to be the best remedy for Pulmonic Complaints that has ever been made available to the public. Purely vegetable in its composition, it may be administered with safety to the tenderest infant; while at the same time it is sufficiently active to meet the requirements of the most robust. The proprietor constantly bears in mind that the sick require the best aid that science can devise and under his personal supervision, Dr. Larookah's Syrup is kept at that high standard of excellence which has won for it at the bedside of suffering such a reputation as no other medicine has ever merited or attained.

FOR COLDS AND COUGHS.—Take the Syrup morning, noon and evening, according to directions on the bottle. Take the largest dose at night, on retiring to bed.

FOR CROUP OR HIVES.—Give the Syrup in doses large enough to produce vomiting, and it will effect an immediate cure.

WHOOPING COUGH, however severe, may be alleviated and cured by the use of Larookah's Syrup, given from three to five times a day.

ASTHMA AND CATARRH.—Asthma, or Phthisis, is caused by an accumulation of mucus or matter in the bronchial tubes, which run through and supply every portion of the lungs with air; besides the phlegm which clogs up the wind tube, they are often lessened to one third of their usual diameter by spasmodic contraction, so that it is with the utmost difficulty that respiration can be performed.

The Syrup immediately overcomes the contraction of the bronchial tubes, and enables them to expand to their original size; while at the same time it loosens the mucus which clogs them up, and which is, by a free and easy expectoration, ejected from the lungs. It should be taken in larger doses than for a mere cough, and in such quantities as will give relief, even if it produces vomiting.

BRONCHITIS.—Difficulty of breathing, harsh cough, a slimy expectoration, with all other symptoms by a disease of the air-tubes leading from the throat to the lungs, are directly and specifically relieved by the use of this admirable remedy. This is a very painful, wearing, and injurious complaint, and always has a powerful tendency to inflame and soften the lungs, and thereby induce the worst form of pulmonary disease. Be warned in time, ye afflicted, and employ this valuable remedy.
