

Here is the paragraph with which the Visitor closes his article:

"We should like to give the names of the twelve councillors who framed the above document, but as our only authority for publishing it is derived from the Messenger, and as the names are not given by our contemporary, we must leave it as we find it, lest we should be considered as trespassing upon the laws of a discreet silence.—(Ed. C. V.)"

This may have been written in all sincerity, but, the fact of the names having been given in the Visitor's first reference to the Council would indicate that it has but little of that rare but valuable commodity.

We find that our St. John contemporary has printed his first article on note paper as a Circular, and it has been sent to various parties in Halifax, and probably elsewhere, for the purpose of misleading them we presume and conveying a wrong impression respecting the position and action of Granville Street Church. Now on the principle laid down by the editor of the Visitor, that "it is a part of our business to give timely and faithful reports of the proceedings of Committees, Associations, Conventions, Boards or Councils, having charge of denominational interests," we suppose it will be our duty to place before the denomination some further account of the proceedings in the case.

We would gladly have allowed the whole matter to pass into oblivion, as far as our denominational press is concerned, but, after the attitude assumed by the Visitor, we feel that our churches and brethren are entitled to know the facts on which the Granville Street Church have finally acted, in reference to Rev. Dr. Pryor. We have not yet been authorized however to give them, and therefore refrain from doing so, although at the risk of being still charged, as we have been heretofore, with being over cautious and exercising too much reserve in a matter which, by its being thrust upon the Association, has attained so much notoriety.

We are quite aware of the grief and pain the examination of this matter will give, and we would be most happy to be spared the disagreeable task of noticing it in any way, and especially of correcting the errors of our brethren; but, as we believe that the interests of truth and the character of our church polity and membership is deeply involved, our readers will bear with us whilst we endeavour to remove wrong impressions.

Missionary meetings at St. John, N. B.

We learn that Miss DeWolfe arrived safely at St. John, N. B., about 2 o'clock, a. m. on Sunday, the 6th, and was met at the wharf by Deacon John F. Masters, with whose family she stayed while in that city. On the telegram sent on the Friday previous being received by Rev. W. S. McKenzie, stating that Miss DeWolfe would come in the steamer Empress, the pastors and brethren met and made arrangements to hold a Union Missionary Meeting in Brussels St. Church, on Lord's Day afternoon.

A large congregation assembled on the occasion. Rev. E. C. Cady read the Scriptures and offered the opening prayer.

The Rev. W. S. McKenzie then preached a most appropriate discourse, founded on 2 Cor. ix. 6, 9, and Proverbs xi. 24, 25.

Rev. G. M. W. Carey then offered a prayer dedicatory of Miss DeWolfe to the missionary work, and committing her to the Divine protection.

Rev. I. E. Bill then gave a Valedictory Address, in which he assured her of the continuous prayer, sympathy and co-operation on the part of the churches in New Brunswick, in behalf of the great work to which she had given her heart and life.

The benediction was pronounced by Rev. A. Hunt. The collection amounted to upwards of sixty dollars.

Public Missionary Meetings were also held on the three following evenings. On Monday in Portland Baptist Church; on Tuesday in Leinster Street Church, and on Wednesday in Germain Street Church.

Miss DeWolfe expected to leave St. John for Boston on Thursday morning. It will be gratifying to many of our readers especially to her parents, sisters and brother, and the members of Granville Street and Truro churches to learn that Miss DeWolfe met with so warm and cordial a reception in St. John.

May the winds and the waves have charge concerning her, and may the God of missions continue to make her way plain before her so that she may be enabled, on behalf of the churches of these provinces without interruption, to carry the message of a Saviour's dying love to those who are sitting in the region and shadow of death.

An excellent photograph likeness of Miss DeWolfe was taken by Parish and Co., pre-

vious to her departure. This he has enlarged to life size and colored, which forms a fine picture, that does great credit to Mr. Parish as an artist.

It may not be out of place for us to remark that the parents of Miss DeWolfe have had to endure peculiar trials in addition to the giving up of their daughter for this work.

On the Monday after she left, intelligence came of the death of Mr. Simon A. R. Bishop of Liverpool, G. B., brother of Mrs. DeWolfe; and on Wednesday, Mr. J. W. Crane, a son-in-law, the two families living together, departed this life after an illness of three days.

HALIFAX NORTH CHURCH.—Rev. J. E. Goucher baptized two persons last Lord's Day.

The new edifice for this church is becoming a very prominent object. Its elevated situation as well as its tall spire, render it quite a landmark for the north part of the city.

THE REV. NEWMAN HALL made a visit to our good city on his way to the United States. Here is a pretty picture he produces. It is certainly not a faithful portrait:

Monday, 26.—The mainland of the American continent in sight. Enter Halifax Harbour—beautiful and spacious. A large fleet could anchor safely. Miserable town of 20,000. Alongside the wharf about ten o'clock. Went ashore. Fine view from the citadel. Tropical heat. Houses and streets shabby and irregular. Glad to get on board again.

FATAL ACCIDENT.—An accident by which a young man named David E. Skinner, son of Mr. Thomas Skinner, Union Bank, was suddenly deprived of life, occurred at the Richmond Depot on Friday morning. The lad had for some time past been working at the machine shop, a short distance from the Depot. In jumping from the Station on to the cow-catcher, for the purpose of riding to his work, he slipped and fell on the rails in front. The cow catcher and one of the Engine wheels passed over his body, crushing it in a fearful manner, and produced instant death.

The funeral was very largely attended. The following is a letter of condolence to his parents:

NOVA SCOTIA RAILWAY.

LOCOMOTIVE AND CAR DEPARTMENT.

Richmond Station,

HALIFAX, N. S., 12th Oct., 1867.

To the Parents and Relatives of the late D. E. Skinner.

The undersigned officers and employees in the Locomotive and Car Departments, Nova Scotia Railway, desire to convey to you their heartfelt condolence and commiseration on the sad bereavement you have sustained in the untimely death of our much respected fellow-employee David E. Skinner.

It is with feelings of no ordinary regret that we ask to be permitted to share with you the sorrow occasioned by this truly melancholy event; for the deceased had endeavored himself to us all by his uniform kindness and amiability to his fellow workmen, his high moral character, his respectful deportment and deference to his superiors, and his intelligence and industry in his profession, which had caused him to be looked upon as a young man of unusual promise. There is, however, one bright ray in the gloom which enshrouds us, when we look back on his blameless life, and his endeavours to walk in the path of

righteousness, we are sustained by the belief, that to him at least, the change is a happy one.

Signed by all the Officers and Employees of the Locomotive and Car Department.

Editors of newspapers in the Province will confer a favor by copying this notice. And if the liberal-hearted should not wish to be called upon, the spontaneity of the gift would add much to its value.

SONS OF TEMPERANCE.—The Grand Division will commence its Annual Session in Halifax, on Tuesday the 29th inst. at 8 o'clock p.m.

PUT OUT THE PIPES.—A young lad named Hayes was fined 25 cents at the Police Court on Friday last for smoking in the street. He may soon save his 25 cents by abstaining in future. If he should take the lesson and give up the practice, he will find that it was the most profitable outlay he has ever made.

PROVIDING FOR A RAINY DAY.—On Saturday afternoon a soldier stole a package of umbrellas from the Dry Goods store of Mr. P. Mesgher, Argyle Street, and ran off. He was pursued, and after a long chase was captured, and the goods recovered.

ROMANTIC.—A young girl fell off one of the wharves in the South end of the city on Sunday last, and narrowly escaped drowning. A young lad, a son of Sergt. Keefe, of the Police Force, jumped overboard and rescued her. Quite a hero!

ANOTHER VICTIM.—A private of the 4th Regt., named Wm. Huff, was found in the woods near Rockhead on Wednesday morning, in a dying condition. He was carried to a house in the vicinity, and expired soon after. An inquest was held before Coroner Jennings, and a post mortem examination made by Dr. Moren. The Jury returned a verdict of death from intemperance and exposure.

DANGEROUS PROPERTY.—On Thursday last, Mr. Young of Dartmouth, who had recently purchased a bull, went to the barn, where the animal was confined, to show it to some friend. On opening the door, the beast rushed at Mr. Young, caught him on its horns, and tossed him some distance. The wound inflicted was very severe. As Mr. Young lay upon the ground, the infuriated animal rushed at him again, and tried to hook, but Mr. Young seized the beast by the ring in its nose, and held it at arm's length to prevent it from trampling on him with its fore feet. This Mr. Young continued to do until relieved from his perilous position by the men on the premises shooting the animal, which was not accomplished until it had received some twenty shots.—Colonist.

Mr. W. H. Rogers of this place is the Most Worthy Lecturer of the Most Worthy Grand Lodge of Good Templars for British America, and not the Rev. J. Scott of Ontario, as previously reported in this paper.—Amherst Gazette.

A CURIOSITY.—A pair of long stockings, intended for exhibition at the recent dog, pigeon and poultry show, was made by Mrs. Edward Hagan, of Digby, from the wool of a small white poodle dog. The article is as soft and strong as any manufactured from the finest sheep's wool.

About \$30,000 worth of gold was on exhibition at the office of Messrs. Huse & Lowell last week. This was the partial products of last month's working at Renfrew and Sherbrooke. It was shipped to Boston per Alhambra.

Last week two young men named respectively William Dingle, and David Glynn, were arraigned before the City Court upon a charge of accosting two respectable females in the public street, addressing them in insulting terms. The men were found guilty and sentenced to pay \$16 each or in default 90 days in the City Prison.

SAD.—Mr. W. Young, of Gay's River, his wife and three children, all died within nine days, leaving one little girl, the sole survivor of the family.

EARLY APPROACH OF WINTER.—The snow storm of Monday and Tuesday of last week was very severe in Queens County. The Liverpool Transcript states that people who came to town on the latter morning reported that the snow laid nearly a foot deep in some places through the woods, and that the trees were in many instances borne to the ground across the roads from the weight of snow which encumbered their branches.

A boy named Boutilier of the N. W. Arm, has been missing for several days, he went out in a boat to get seaweed. Two colored men, father and son, named Crawley were arrested on suspicion of foul play. No trace has been found of the boy.

At the City Civil Court one day last week Thomas Joyce, a truckman, sued the Halifax City Railroad Company for damages done to a cart, by the rails being laid above the level of the street, and obtained a judgment in his favor.

IMPORTATION OF STOCK.—The Steamer Meritt which arrived at Pictou on Wednesday evening from Montreal, brought the stock purchased by the Board of Agriculture at the late Agricultural Exhibition at Kingston, C. W. The animals arrived in town on Friday evening last by rail. Mr. W. M. Allan has received instructions from the Board to prepare for an extensive sale of the stock, which will take place on or about the 1st November. We understand there are 13 bulls and heifers of Durham and Ayrshire breeds, 27 rams, and 22 pigs, of the most approved sorts. The Ayrshires, in particular are very choice, the show of Ayrshires at Kingston this year having been the best that had ever been exhibited in Canada.

THE MILITIA.—Strong objections are urged against calling out the Militia for five days drill this year, now that the weather is becoming so unfavorable.

PRESBYTERIAN.—At a meeting of the Scottish Kirk congregation, in Ottawa, on the 3rd inst., the Rev. Mr. Gordon of Truro was unanimously chosen to succeed the Rev. D. Spence, who has resigned.

COMMITTED.—William Johnston, a colored man charged with having stabbed a lad named Dennis Farrell, at the corner of Albermarle and Jacob streets on the night of Saturday, the 28th ult., was examined before the Stipendiary Magistrate on Monday, and committed for trial at the Supreme Court.

TAKE CARE OF THE BRAIN.—Frequent and violent nervous headaches, besides the torture it occasions, impairs the mind. Why endure the pain? Why risk insanity, when the means of cure are within every sufferer's reach? The moment that symptoms of an attack are felt, take a dose of Radway's Ready Relief, inwardly, and apply it to the temples and the spine. This treatment, a few times repeated, will effect a permanent cure.

Price 25 cents per bottle. Sold by Druggists.
