MRS. WINSLOW'S.

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP, For Children Teething,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is

Sure to Regulate the Bowels.

Depend upon it, mothers, it will give rest to yourselves, and RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over thirty years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW," a ter thirty years' experience, and PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS in

THOUSANDS OF CASES.

It not only relieves the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC,

and overcomes convulsions, which, if not speedily remedied, end in death. We believe it the BEST AND SWIFTEST REMEDY IN THE WORLD, in all cases DYSENTERY AND DIARRHOEA IN CHILDREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES, FOR THE PREJUDICES OF OTHERS, stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper. Sold by Druggists throughout the world.

To the Electors of the County of Annapolis.

CENTLEMEN,—HAVING been nominated at a large and influential meeting of the Electors of the County as a Candidate for the General Parliament at Ottawa, I beg now most respectfully to solicit your suffrages at the ensuing Election.

For the eight years during which I have been honored by your generous confidence and support, I have endeavoured to study and advance your interests, while I have had some humble share in promoting the prosperity of the country. In the discharge of the varied duties of public life, I do not for a moment flatter myself that I have always obtained your unqualified approval, but be assured that I have been actuated by a desire to meet your wishes, and promote the general good.

In supporting the scheme for an Union of the Colonies I have been called upon on several occasions to assume grave responsibilities, when, for the time being, I was somewhat in doubt about your views upon this great question, and only felt myself justified in voting as I did under the strongest conviction that the general good would be greatly subserved by the consummation of the scheme proposed. Happily the public sentiment has recently undergone a vast change upon this all-absorbing and vitally important question, and I am confident the day is not far distant when the action taken by the Legislature in connection with this question will meet with general approval on the part of all those who love their Queen and Country.

I have steadily, and to the best of my ability advocated the claims of the western part of the Province to a participation in the advantages of Railway communication with the Capital of the Province; and hope I may claim some share of the credit due for the boon about to be conferred upon the people of the west in connection with the Windsor and Annapolis Railway; which is now in course of construction, and will undoubtedly be finished on or before the end of 1869.

I need scarcely remind you of the strenuous efforts made in the Legislature by the opponents of the Government to obstruct and defeat this undertaking from its inception down to the end of the last session of the Assembly; nor need I refer to the unhandsome opposition which it has encountered from the press in their interest, not excepting the local paper of the County; which strangely enough has been among the most bitter of all its opponents; for these facts are patent to all, and will I doubt not be fully appreciated at the proper time; moreover it is known that one at least of those likely to contest the constituency with my colleagues and myself at the approaching General Election has voted against this project in the Legislature, and it is believed that the two candidates likely to be associated with him in the contest are equally hostile to the enterprise in question. Fortunately the most determined efforts of this extraordinary combination could not bar you from the privileges which you are to secure as early a day.

I need scarcely say to you that I sought not the nomination so handsomely conferred upon me, but that on the contrary, I should have been only too happy to have escaped from the exactions and turmoil of an exciting election contest by myself nominating for the honorable position in question one deservedly popular in the County, and one perchance better qualified to serve you in the General Parliament than myself, and only consented to accept the nomination myself, when it was found that the objections of the valued friend referred to could not be overcome. Having thus placed myself in your hands, permit me again to solicit your hearty and generous support, and be assured that no effort on mine shall be spared in the way of securing a triumph for "Union," and making it what I sincerely believe it is destined with proper management to be, an inestimable blessing to all concerned.

Although a candidate for the General Parliament, I shall not cease to feel a lively interest in local affairs, and acting in happy concert with my colleagues Messrs. Whitman and Foster, the candidates for the Local Legislature, trust it may be in my power still to serve you, to some extent at least, and beg therefore in conclusion to ask for these my colleagues the same measure of support accorded to myself.

I remain, Gentlemen, Your obedient humble servant, A. LONGLEY.
