Deaths.

At Cardiff, Wales, on the 26th October, 1866, Captain Thomas Mussels, of Lower Granville, master of the barque "Marie Scammel," aged 46, leaving a widow, seven children and a large circle of friends to mourn his loss. The following is an extract from a letter of condolence addressed to the widow by the firm in St. John in whose employ Capt. Mussels had sailed many years: "It is a matter of great satisfaction to ourselves, and will be to you to know that his last words were 'I am resigned to fall into the arms of my Saviour.' He was a good, faithful and true man, and our loss will be his gain." May God who has promised to be "a father of the fatherless, and a judge of the widow" graciously sustain the bereaved in this great sorrow.
My all of earthly hope is fled,
My husband numbered with the dead,
I in despair.
Father of Heaven! grace diffuse,
Help me to bear this dreadful news,
O hear my prayer.
Sustain me Lord! Oh save and keep,
Be thou the Shepherd of the sheep,
O guide our ways.
Us in thy tender arms enfold,
Keep us within the Saviour's fold,
All our days.

Ayer's Cherry Pectoral

IS a soothing expectorant, prepared to meet the urgent need of a safe and reliable cure for diseases of the throat and lungs. A trial of many years has established the fact, that it is more efficacious in pulmonary affections, than any other remedy. Its efficacy has now become so generally known, that it is justly regarded in many countries as a medicine of indispensable necessity. In Great Britain, France, and Germany, where medical science has reached its highest perfection, it is prescribed in domestic practice, and constantly used in the armies, in hospitals and other public institutions, where it is regarded by the attending physicians as the most speedy and agreeable remedy that can be employed. Scarcely any neighborhood can be found where well known cases of diseased lungs, which had baffled the efforts of the most skillful and experienced doctors, have been permanently cured by it. These results are the most convincing proofs of the superior curative properties of this preparation; and to them the authors point with peculiar satisfaction. While it is most powerful against confirmed diseases, it is extremely gentle as a medicine in infancy and youth, being quite harmless to even the youngest, when administered judiciously.
This health restorer accomplishes even more by prevention than cure. If taken in season, it heals all irritations of the throat and lungs, whether arising from Colds or Coughs, or from other causes, and thus prevent that long train of painful and incurable diseases, which would arise from the neglect of them. Hence no family should be without it. Influenza, Croup, Hoarseness, Whooping Cough, Pleurisy, Incipient Consumption, and other affections of the breathing organs, give way before this pre-eminently combination of medical virtues.
Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists and dealers in medicine everywhere.

PERRY DAVIS'S VEGETABLE PAIN KILLER, The Great Family Medicine of the Age.

TAKEN INTERNALLY, CURES Sudden Colds, Coughs, &c., Weak Stomachs, General Debility, Nursing Sore Mouth, Canker, Liver Complaint, Dyspepsia or Indigestion, Cramp and Pain in the Stomach, Bowel Complaint, Painter's Colic, Asiatic Cholera, Diarrhoea and Dysentery.
TAKEN EXTERNALLY, CURES Felons, Boils, and old Sores, Severe Burns and Scalds, Cuts, Bruises and Sprains, Swelling of the Joints, Ringworm and Tetter, Broken Breasts, Frosted Feet and Chilblains, Toothache, Pain in the Face, Neuralgia and Rheumatism.

The PAIN KILLER is by universal consent allowed to have won for itself a reputation unsurpassed in the history of medical preparations. Its instantaneous effect in the entire eradication and extinction of PAIN in all its various forms incidental to the human family, and the unalloyed written and verbal testimony of the masses in its favor, have been, and are its own best advertisements.
The ingredients which enter into the PAIN KILLER, being purely VEGETABLE, render it a perfectly SAFE and efficacious remedy taken internally, as well as for external applications, when used according to directions. The stain upon linen from its use is readily removed by washing with a little alcohol.
This medicine is justly celebrated for the cure of so many of the afflictions incident to the human family, has now been before the public over TWENTY YEARS, and has found its way into almost every corner of the world; and wherever it has been used, the same opinion is expressed of its medical properties.
In any attack where prompt action upon the system is required, the Pain Killer is invaluable. Its almost instantaneous effect in RELIEVING PAIN is truly wonderful; and when used according to directions, is true to its name, a PAIN KILLER.
It is, in truth, a FAMILY MEDICINE, and should be kept in every family for immediate use. Persons travelling should always have a bottle of this remedy with them. It is not unfrequently the case when persons are attacked with disease, and before medical aid can be procured, the patient is beyond the hope of recovery. It has been used in SEVERAL CASES OF THE CHOLERA, and never has failed in a single case, where it was thoroughly applied on the first appearance of the symptoms.
Pain Killer, taken internally, should be adulterated with milk or water, and sweetened with sugar if desired, or made into a syrup with molasses. For a COUGH, a few drops on sugar eaten, will be more effective than anything else. For SORE THROAT, gargle the throat with a mixture of Pain Killer and water, and the relief is immediate and cure positive.
It should not be forgotten that the Pain Killer is equally as good to take internally as to use externally. Each bottle is wrapped with full directions for its use. PLEASE READ THE PRINTED DIRECTIONS.

Address, DAVID CHERBULIEZ, Pelham, Westchester Co., N. Y.

I take great pleasure in recommending to the notice of my friends in Nova Scotia and New Brunswick, the Boys' Boarding School of M. David Cherbuliez, New York.

I know this gentleman as an accomplished and skillful teacher and an excellent disciplinarian. He is a French Protestant, but long resident in this country. For 17 years he has been connected with Pelham Priory, as a Professor, and this is no slight recommendation. This School offers very superior advantages for acquiring a speaking knowledge of the French language.
