VEGETABLE PAIN BALSAM.

THE great internal and external remedy for
Coughs, Colds, Sore Throats and pains of all
kinds; it is one of the best preparations ever offered
to the public for Rheumatism and Neuralgia, war-
ranted to stop the Toothache in four minutes, and
Headache it always gives relief.

Mr. JOSEPH CORKUM, Chester, Lunenburg
Co. writes, Dec. 8th, 1866:—It is the best medicine
I ever used; my legs were swollen for nearly a
year, and by two rubbings of the Pain Balsam they
were completely cured. I have used it myself and
so has my family for Headache, Toothache, Coughs,
Colds and Sore Throat, and always found it to give
almost immediate relief. I never want to be with-
out it.

Many other testimonials to the efficacy of this
valuable remedy which would occupy too much
space to enumerate have been and are being con-
stantly received.

READ THIS.

New Albany, Ind., March 12, 1867.

For forty years I have been afflicted with
costiveness, and for the last twenty was com-
pelled daily to resort to injections to secure an
evacuation. In December last I commenced
the use of Radway's Pills. After taking a few
doses, my liver, stomach, and bowels were
restored to their natural strength and duties. I
have now a regular movement once a day, and,
although 80 years of age, feel as hearty and
strong as I did 40 years ago.

HIGH ENDORSEMENT FROM THE MEDI-
CAL COLLEGE OF PRUSSIA.

DR. RADWAY

Is in receipt of an important official document
signed by the Professors of the Medical
College of Breslau, Prussia, embodying
the result of an analysis of

RADWAY'S REGULATING PILLS.

Instituted for the satisfaction of the Prussian
Government and people. It appears that the
great popularity of the pills throughout Ger-
many, as an aperient, antibilious and alterative
medicine, had provoked the malice of the
apothecaries, who caused a report to be circulated
that the ingredients were poisonous. There-
fore, a scientific inquiry into their nature
and properties was ordered, the issues of which
was a most triumphant vindication of the salu-
tary value of the Pills.

The Faculty of the College state in their
report that after a careful and minute examina-
tion, they have the honour to state that "the
pills are not only free from every substance
injurious to health, but are composed wholly of
substances and elements promotive of digestion,
and certain at the same time to act favourably
upon the nervous system," &c., &c. They
state, further, that the injurious rumours set
afoot by the Prussian apothecaries originated
"in a mean spirit of trade jealousy, excited by
the great celebrity attained by the Pills within
a very brief period."

Signed in behalf of the College,

DR. PHIL. THEOBALD WERNER,

Director of the Polytechnic Bureau.

DR. HEISE,

First Assistant.

DR. RADWAY'S Pills are sold by Druggists

THE SCIENCE OF HEALTH.

Every Man his own Physician.

HOLLOWAY'S PILLS,

AND

HOLLOWAY'S OINTMENT.

**Disorders of the Stomach, Liver
and Bowels.**

The Stomach is the great centre which influences
the health or disease of the system; abused or de-
bilitated by excess—indigestion, offensive breath-
and physical prostration are the natural conse-
quences. Allied to the brain, it is the source of
headaches, mental depression, nervous complaints,
and unrefreshing sleep. The Liver becomes affected,
and generates bilious disorders, pains in the side, &c.
The Bowels sympathise by Costiveness, Diarrhoea,
and Dysentery. The principal action of these Pills
is on the stomach, and the liver, lungs, bowels, and
kidneys participate in their recuperative and regen-
erative operation.

Erysipelas and Salt Rheum

Are two of the most common and virulent disorders
prevalent on this continent. To these the Ointment
is especially antagonistic; its "modus operandi" is
first to eradicate the venom, and then complete the
cure.

Bad Legs, Old Sores, and Ulcers.

Cases of many years' standing, that have per-
tinaciously refused to yield to any other remedy or
treatment, have invariably succumbed to a few ap-
lications of this powerful unguent.

Eruptions on the Skin,

Arising from a bad state of the blood or chronic
diseases, are eradicated, and a clear and transparent
surface regained by the restorative action of this
Ointment. It surpasses many of the cosmetics and
other toilet appliances in its power to dispel rashes
and other disfigurements of the face.

Female Complaints.

Whether in the young or old, married or single,
at the dawn of Womanhood, or the turn of life,
these tonic medicines display so decided an influence
that a marked improvement is soon perceptible in the
health of the patient. Being a purely vegetable
preparation, they are a safe and reliable remedy for
all classes of Females in every condition of health
and station of life.

Piles and Fistula.

Every form and feature of these prevalent and
stubborn disorders is eradicated locally and entirely
by the use of this emollient; warm fomentations
should precede its application. Its healing qualities
will be found to be thorough and invariable.

Both the Ointment and Pills should be used
in the following cases:

- | | |
|---------------------|----------------------|
| Bunions, | Mercurial Eruptions, |
| Burns, | Piles, |
| Chapped Hands, | Rheumatism, |
| Chilblains, | Ringworm, |
| Fistula, | Salt Rheum, |
| Gout, | Scalds, |
| Lumbago, | Skin Diseases, |
| Swelled Glands, | Sprains, |
| Sore Legs, | Stiff Joints, |
| Sore Breasts, | Tetter, |
| Sore Heads, | Ulcers, |
| Sore Throats, | Veneral Sores, |
| Sores of all kinds, | Wounds of all kinds. |

CAUTION!—None are genuine unless the words
"HOLLOWAY, NEW YORK AND LONDON" are discern-
able as a Water mark in every leaf of the book of
directions around each pot or box; the same may be
plainly seen by holding the leaf to the light. A hand-
som reward will be given to any one rendering such
information as may lead to the detection of any party
or parties counterfeiting the medicines or vending
the same, knowing them to be spurious.
