DR. KNIGHT'S HAIR DRESSING

A VEGETABLE PREPARATION For Preserving and Beautifying the Hair, Contains neither Oil nor Alcohol.

Col. W. Ford dates at Newport News, Va, and says:

"Last summer I had a severe attack of fever, by which I was prostrated for nearly four months. When I got about again I found myself nearly bald. Dr. Santos, to whom I applied for advice, recommended me to give your Hair Dressing a trial. I had never had any faith in proprietary articles of any kind, but at the earnest solicitation of the doctor, concluded to try yours. The first bottle had little apparent effect; but after using about half of the second bottle, I found my head covered with a thick growth of fine silken hair. I continued the use of the Dressing, and my hair continued to grow rapidly. It is now about the length I have usually worn it, and is much thicker and apparently more healthy than at my former period."
