AYER'S PILLS.

Jan. 9.

ARE you sick, feeble and oomplaining? Are you out of order—your system de-ranged and your feelings un-comfortable? These feelings are often the precursors of serious illness. Some fit of complaining? Are you out sickness is creeping upon you and should be averted by a timely use of the right rem-

drive out the humors—purify the blood, and let the fluids move on unobstructedly, in health. They stimulate the organs of the body into vigorous activity, purify the system from the obstructions which make disease. A sold settles somewhere in the body, and deranges the natural operations of that part. This, if not relieved will react upon itself and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and withit the buoyant feeling of health. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous discases. The same purgative expels them. Caused by similar obstructions and derangements, they are surely, and many of them rapidly, cared by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heart-burn, Rheumatism, Dropsy, Worms, and Suppression when taken in large doses to bive 1 so live

They are sugar coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered.

AYER'S AGUE CURE

For the speedy and certain Ours of Intermittent Fever or Chills and Fever, Remittent Fever, Chill Fever Dumb Ague, Periodical Headache or Bilious Headache, and Bilious Fevers; indeed, for he whole class, of diseases originating in biliary derangement, caused by the malaria of miasmatic countries.

by the malaria of miasmatic countries.

This remedy has rarely failed to sure the severest cases of Chills and Fever, and it has this great advantage over other agus medicines, that it subdues the complaint without injury to the patient. It contains no quintue or other deleterious substance, nor does it produce quinten or any injurious effect whatever. Shaking brothers of the army and the west, try it and you will endorse these assertions.
