The rule at this institution has always been advance payment, but it has not always been carried out in practice, and this has, perhaps, been one of the serious drawbacks to its prosperity in the past. We believe the advance system to be the rule in all similar institutions, and as it is the desire of those in charge of the financial affairs of Grand Pre Seminary to introduce improvements and advance with the times, until it will be second to none, we now beg leave to request that all concerned will please bear in mind that the practical rule in future should be payment in advance, and the payment at the end of the quarter the exception. To the Electors of the County of Annapolis. GENTLEMEN,—HAVING been nominated at a large and influential meeting of the Electors of the County as a Candidate for the General Parliament at Ottawa, I beg now most respectfully to solicit your suffrages at the ensuing Election. For the eight years during which I have been honored by your generous confidence and support, I have endeavored to study and advance your interests, while I have had some humble share in promoting the prosperity of the country. In the discharge of the varied duties of public life, I do not for a moment flatter myself that I have always obtained your unqualified approval, but be assured that I have been actuated by a desire to meet your wishes, and promote the general good. In supporting the scheme for an Union of the Colonies I have been called upon on several occasions to assume grave responsibilities, when, for the time being, I was somewhat in doubt about your views upon this great question, and only felt myself justified in voting as I did under the strongest conviction that the general good would be greatly subserved by the consummation of the scheme proposed. Happily the public sentiment has recently undergone a vast change upon this all-absorbing and vitally important question, and I am confident the day is not far distant when the action taken by the Legislature in connection with this question will meet with general approval on the part of all those who love their Queen and Country. I have steadily, and to the best of my ability advocated the claims of the western part of the Province to a participation in the advantages of Railway communication with the Capital of the Province; and hope I may claim some share of the credit due for the boon about to be conferred upon the people of the west in connection with the Windsor and Annapolis Railway; which is now in course of construction, and will undoubtedly be finished on or before the end of 1869. I need scarcely remind you of the strenuous efforts made in the Legislature by the opponents of the Government to obstruct and defeat this undertaking from its inception down to the end of the last session of the Assembly; nor need I refer to the unhandsome opposition which it has encountered from the press in their interest, not excepting the local paper of the County; which strangely enough has been among the most bitter of all its opponents; for these facts are patent to all, and will I doubt not be fully appreciated at the proper time; moreover it is known that one at least of those likely to contest the constituency with my colleagues and myself at the approaching General Election has voted against this project in the Legislature, and it is believed that the two candidates likely to be associated with him in the contest are equally hostile to the enterprise in question. Fortunately the most determined efforts of this extraordinary combination could not bar you from the privileges which you are to secure at so early a day. I need scarcely say to you that I sought not the nomination so handsomely conferred upon me, but that on the contrary, I should have been only too happy to have escaped from the exactions and turmoil of an exciting election contest by myself nominating for the honorable position in question one deservedly popular in the County, and one perchance better qualified to serve you in the General Parliament than myself, and only consented to accept the nomination myself, when it was found that the objections of the valued friend referred to could not be overcome. Having thus placed myself in your hands, permit me again to solicit your hearty and generous support, and be assured that no effort of mine shall be spared in the way of securing a triumph for "Union," and making it what I sincerely believe it is destined with proper management to be, an inestimable blessing to all concerned. Although a candidate for the General Parliament, I shall not cease to feel a lively interest in local affairs, and acting in happy concert with my colleagues Messrs. Whitman and Foster, the candidates for the Local Legislature, trust it may be in my power still to serve you, to some extent at least, and beg therefore in conclusion to ask for these my colleagues the same measure of support accorded to myself. I remain, Gentlemen, Your obedient humble servant, A. LONGLEY. June 5. col., wes., abstr.

The National Cough Cure has cured Rev. William McDonald, of Boston, when pronounced by physicians incurable. It will cure any curable cough; it always relieves. For Hoarseness, Bronchitis, Sore Throat, &c., it has no superior; and for public speakers and singers it surpasses every kind of troche. In St. John, N. B., it is the most popular cough medicine used. We warrant three bottles to cure or relieve any cough. Sold by Druggists and Merchants in the Provinces. BROWN BROS' & CO., Halifax, N. S., Wholesale Agents. 3m.

Larookah's Sarsaparilla Compound is an Alterative medicine of uniform strength the effect of which is to eradicate from the system all those disorders which originate in IMPURE BLOOD. Each of its ingredients are known and used by medical men in their practice, but this combination is believed to have a greater medical effect than could be produced by their use separately or in any other form. Sarsaparilla, by itself, as is well known, operates slowly upon the system but combined with other and more active agents, as in this Compound, its purifying effects are speedy and lasting. Hence, Scrofula, in all its multitudinous forms, whether in that commonly known as King's Evil, Enlargement of the Glands of Bones, Goitre, white Swellings, Chronic Rheumatism, Cancer, Diseases of the Skin or Spine, or of Pulmonary Consumption, emanating from the same cause, which is a poisonous principle or virus in the system, is in most cases completely eradicated by this medicine. Owing Scrofula in all its forms, this preparation may be relied upon as an effectual remedy for complaints of a kindred nature, such as Dropsical Swellings, Dyspepsia and Liver Complaints, Enlargement of the Ovaries, Epilepsy, Erysipelas, St. Anthony's Fire, Gout, Chronic Inflammation of the Mucous Membranes of the Throat, Windpipe, Nose and Ears, Mercurial and Syphilitic Affections, Neuralgia or Tic Dolorieux, Phthisis Pulmonalis, Scald Head, Ulcers of all kinds, Weakness or Soreness of the Eye, Female Complaints, such as Suppression, Irregularity, Leucorrhoea, Sterility, &c., General Debility, Salt Rheum, Boils, Pimples, Carbuncles, Pain in the Stomach, Side and Bowels, and all those affections which require an Alterative or Purifying Medicine. Price, \$1.00 per bottle, —6 bottles for \$5.00. Prepared by E. R. KNIGHTS, M. D., CHEMIST, Melrose, Mass.

LAROOKAH'S PULMONIC SYRUP The best Preparation ever made for the Cure of Coughs, Colds, Croup, Whooping Cough, Asthma, Catarrh, Bronchitis, Influenza, Pleurisy, Spitting Blood, Pain in the Side, Night Sweats, Humors, General Debility, the various Throat Affections and Hoarseness to which Public Speakers and Singers are liable, Consumption in its early stages, and all complaints tending to Consumption. This Preparation is universally acknowledged to be the best remedy for Pulmonic Complaints that has ever been made available to the public. Purely vegetable in its composition, it may be administered with safety to the tenderest infant; while at the same time it is sufficiently active to meet the requirements of the most robust. The proprietor constantly bears in mind that the sick require the best aid that science can devise and under his personal supervision, Dr. Larookah's Syrup is kept at that high standard of excellence which has won for it at the bedside of suffering such a reputation as no other medicine has ever merited or attained. FOR COLDS AND COUGHS.—Take the Syrup morning, noon and evening, according to directions on the bottle. Take the largest dose at night, on retiring to bed. FOR CROUP OR HIVES.—Give the Syrup in doses large enough to produce vomiting, and it will effect an immediate cure. WHOOPING COUGH, however severe, may be alleviated and cured by the use of Larookah's Syrup, given from three to five times a day. ASTHMA AND CATARRH.—Asthma or Phthisis, is caused by an accumulation of mucus or matter in the bronchial tubes, which run through and supply every portion of the lungs with air; besides the phlegm which clogs up the wind tube, they are often lessened to one third of their usual diameter by spasmodic contraction, so that it is with the utmost difficulty that respiration can be performed. The Syrup immediately overcomes the contraction of the bronchial tubes, and enables them to expand to their original size; while at the same time it loosens the mucus which clogs them up, and which is, by a free and easy expectoration, ejected from the lungs. It should be taken in larger doses than for a mere cough, and in such quantities as will give relief, even if it produces vomiting. BRONCHITIS.—Difficulty of breathing, harsh cough, a slimy expectoration, with all other symptoms of a disease of the air-tubes leading from the throat to the lungs, are frequently and specifically relieved by the use of this admirable remedy. This is a very painful, wearing, and injurious complaint, and always has a powerful tendency to inflame and soften the lungs, and thereby induce the worst form of pulmonary disease. Be warned in time, ye afflicted, and employ this valuable remedy. Large bottles, \$1. Medium size, 50 cents. Prepared by E. R. KNIGHTS, M. D., CHEMIST, Melrose, Mass.

KNIGHTS' ORIENTAL HAIR RESTORER Proves itself the best preparation of its kind ever offered to the public. It restores gray or faded hair to its original color in less time, and is cleaner and cheaper than any other Hair Restorer in the market. Large bottles \$1, Six bottles for \$5.
