MRS. WINSLOW.

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP, For Children Teething.

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is

Sure to Regulate the Bowels.

Depend upon it, mothers, it will give rest to yourselves, and RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over thirty years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medicinal virtues. We speak in this matter "WHAT WE DO KNOW," a ter thirty years' experience, AND PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS in

THOUSANDS OF CASES.

It not only relieves the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC,

and overcome convulsions, which, if not speedily remedied, end in death. We believe it the BEST AND SUREST REMEDY IN THE WORLD, in all cases DYSENTERY AND DIARRHOEA IN CHILDREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your PREJUDICES, nor the PREJUDICES of others, stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper. Sold by Druggists throughout the world.

\$15 VICTORIA \$15. FAMILY SEWING MACHINE.

The Most Complete and PERFECT MACHINE ever offered to the Public.

The only reliable CHEAP MACHINE in the World.

Our NEW IMPROVED FAMILY SEWING MACHINE is unrivalled for certainty of STITCH and BEAUTY OF WORK.

The Greatest Wonder of the Age!

We challenge the World to produce its equal.

Price Only \$15.00!

UNSURPASSED FOR CERTAINTY OF STITCH!

For Reliability, Ease, Quietness of Movement, and Real Worth, it has no EQUAL.

In presenting our new "Victoria Family Sewing Machine" to the public, we do so with the utmost confidence in its practical utility. Being adapted to a very wide range of purposes for general Family Sewing, it is considered, by competent judges, the most simple, effective and reliable Machine yet introduced, making the celebrated Lock Stitch. It will sew the finest muslins, cambrics and silks, also cottons, woollens and cloths with equal facility. By its use the tedious and laborious work of a family is rendered a pleasure and a greivable pastime. If the price of our Machines were \$25 or \$30, they would still be cheap compared to the high-priced \$75 Machine, who give ours the preference from the fact of its simplicity of construction, ease of management, and beauty of stitch; being managed by a child of twelve years just as well as by an older person. Every Machine is perfect, and used with care is WARRANTED FOR THREE YEARS. This is better than all the testimonials and references we can produce.

THE FOLLOWING ARE AMONG THE MANY ADVANTAGES OF THIS EXCELLENT FAMILY MACHINE:

If you buy the Victoria you have a certainty. It is less liable to get out of order, and is so simple and perfect in its mechanism that a few minutes instruction will enable any person to become master of it. The needle is more rapidly adjusted in the Victoria than in any other Machine, being very simple. It runs quietly and sews rapidly. The most inexperienced persons find no difficulty in using it. It will sew alike on all kinds of material, from the finest linen bosom to the coarsest woolen fabric; and every kind of sewing silk and thread, from the finest silk to the coarsest cotton and linen, can be used. We warrant it to sew as handsome, fine and tight a seam, and equal to any of the high-priced machines. It is impossible for this Machine to drop a stitch with the Patent Looper, therefore it can be relied upon in all kinds of sewing, while all other cheap Machines are liable to skip or drop stitches, wherever the work is uneven, or where it is necessary to run one seam across another. For Milliners, Dress or Cloak makers, it is unrivalled. It makes no difference which way the machine is turned, BACKWARD or FORWARD, it is all the same. It makes a seam which will not rip or rival though every fourth stitch be cut; and it will hem, bind, tuck, fell, quilt and embroider in the most superior manner. With these advantages we place it fearlessly before the public as the only reliable cheap Machine in the world; in full assurance that its manifold merits must make themselves manifest to a discriminating eye. Orders by Mail addressed, will meet with prompt attention—addressed to
