To the Electors of the County of Guysborough.

GENTLEMEN,—HAVING been invited by requisition, signed by upwards of two hundred influential Electors of the County of Guysboro', to offer myself as a candidate to represent you in the Local Legislature, I now beg to tender myself for your suffrages at the ensuing Election. Being opposed to Confederation, and the manner in which that objectionable scheme has been forced upon us, I shall consistently maintain my stand in defence of the constitutional rights and liberties of the people, and do hereby pledge myself, if elected, to exert my best energies to promote the welfare and prosperity of the inhabitants of this Province, and especially of this County. I have the honor to be, Gentlemen, Your obedient servant, JOHN A. KIRK. June 5.

The National Cough Cure has cured Rev. William McDonald, of Boston, when pronounced by physicians incurable. It will cure any curable cough; it always relieves. For Hoarseness, Bronchitis, Sore Throat, &c., it has no superior; and for public speakers and singers it surpasses every kind of trochee. In St. John, N. B., it is the most popular cough medicine used. We warrant three bottles to cure or relieve any cough. Sold by Druggists and Merchants in the Provinces. BROWN BROS & CO., Halifax, N. S., Wholesale Agents. 3m.

ROGERS & CO. ULCERATED CANCER CURED.

Who needs better proof, than the following voluntary testimony of Mrs. Hannah Balmain, OF WICKHAM, N. B.

SOME four years since there came a lump in my breast, and at the time I did not know what it was—but on showing it to three Doctors, they told me it was a "CANCER," and for which the knife would have to be applied, then again, I went to a female doctor, who has been in the habit of curing "Cancers" by drawing them out, but she informed me that it was deep in the flesh and too long seated and therefore could not help me. Knowing that something must be done, I concluded to try your Medicine, which I saw advertised in the Visitor. Accordingly I sent for a can of Ointment and Powders for making the Syrup, which I used without the slightest change, at the time. I began to think it was a failure, but concluded to give it another trial; consequently procured another can of Ointment and Powders and from its use, it gathered and broke in two places, and discharged very freely for about six months, after which time it broke again in another place, and one of the old Ulcers healed up, the remaining two still remaining. One of which ran for two and a half years, the other healing up in about two months, after it broke, during which time I used your medicine regularly. I may here state, that the last ulcer healed up about thirteen months ago, since which time I have enjoyed very good health! Yes I may say better health, than I have enjoyed for several years.

I remain yours, respectfully, Mrs. HANNAH BALMAIN, Wickham, Queen's Co., N. B. February 11, 1867.

REV. A. McBEAN, SUPERINTENDENT OF COLPORTAGE FOR THE American Tract Society.

112 CUNARD STREET—HALIFAX, N. S. Communications respecting Colportage may be addressed as above. Feb. 27.

TO THE ELECTORS OF THE COUNTY OF HALIFAX.

GENTLEMEN,—In a few days the House of Assembly will be dissolved, and new elections in the course of the summer will take place for seats in the House of Commons in the Dominion of Canada; and as I have been nominated for one of those seats by my fellow citizens, at a large and influential meeting held at Temperance Hall for that purpose, I beg respectfully to solicit from you a renewal of that confidence with which you have honored me during three successive Provincial Parliaments.

I have now to address myself for the first time of the electors of the Eastern Division of this county. It will be seen by the Act of Union, that both divisions form one Constituency, and I feel I have some claim to their support, for, in the discharge of my public duty, in all that related to the local interests of the county, I have known no east or west.

During the twelve years that I have had the honor of a seat in the Legislature, the Province has enjoyed a remarkable degree of progressive prosperity. Wealth has rapidly increased, and the revenue has always been sufficient to provide for the public expenditure. Without the burden of increased taxation, the coast has been lighted, the rivers bridged, many lines of roads penetrating in every direction opened up, and railways east and west, to grasp the trade of the Gulf of St. Lawrence and the Bay of Fundy, placed under contract, which when completed will confer lasting benefits on the people of this Province. Education has been provided for, and large grants given to steamboats, packets, and ferries.

These are the results of the combined action of your public men, in which I have had an humble share; and now a bright gleam of hope for the future has cheered the land by the passage of the Union Act and the Credit Bill, in the Imperial Parliament, to both of which Her Most Gracious Majesty has given her assent,—uniting these Provinces in the happy bonds of Union, and placing within their reach the means of constructing that great public work, "the Intercolonial Railway," for which they have so long and so earnestly labored.

I have a just judgment of my past conduct will entitle me to the same measure of good will which has been extended to me during my twelve years of public life; and in the meantime, I again respectfully and earnestly solicit from you a continuance of that confidence which has always cheered me on in the discharge of my public duty.

I have the honor to be, Gentlemen, Your obedient humble servant, JOHN TOBIN. Halifax, 1st May, 1867. May 8.

To the Electors of the County of Annapolis.

HAVING been nominated at a large and influential meeting of the Electors of the County as a Candidate for the General Parliament at Ottawa, I beg now most respectfully to solicit your suffrages at the ensuing Election. For the eight years during which I have been honored by your generous confidence and support, I have endeavored to study and advance your interests, while I have had some humble share in promoting the prosperity of the country. In the discharge of the varied duties of public life, I do not for a moment flatter myself that I have always obtained your unqualified approval, but be assured that I have been actuated by a desire to meet your wishes, and promote the general good. In supporting the scheme for an Union of the Colonies I have been called upon on several occasions to assume grave responsibilities, when, for the time being, I was somewhat in doubt about your views upon this great question, and only felt myself justified in voting as I did under the strongest conviction that the general good would be greatly subserved by the consummation of the scheme proposed. Happily the public sentiment has recently undergone a vast change upon this all-absorbing and vitally important question, and I am confident the day is not far distant when the action taken by the Legislature in connection with this question will meet with general approval on the part of all those who love their Queen and Country.

I have steadily, and to the best of my ability advocated the claims of the western part of the Province to a participation in the advantages of Railway communication with the Capital of the Province; and hope I may claim some share of the credit due for the boon about to be conferred upon the people of the west in connection with the Windsor and Annapolis Railway; which is now in course of construction, and will undoubtedly be finished on or before the end of 1869.

I need scarcely remind you of the strenuous efforts made in the Legislature by the opponents of the Government to obstruct and defeat this undertaking from its inception down to the end of the last session of the Assembly; which it has encountered from the press in their interest, not excepting the local paper of the County; which strangely enough has been among the most bitter of all its opponents; for these facts are patent to all, and will I doubt not be fully appreciated at the proper time; moreover it is known that one at least of those likely to contest the constituency with my colleagues and myself at the approaching General Election has voted against this project in the Legislature, and it is believed that the two candidates likely to be associated with him in the contest are equally hostile to the enterprise in question. Fortunately the most determined efforts of this extraordinary combination could not bar you from the privileges which you are to secure at so early a day.

I need scarcely say to you that I sought not the nomination so handsomely conferred upon me, but that on the contrary, I should have been only too happy to have escaped from the exactions and turmoil of an exciting election contest by myself nominating for the honorable position in question one deservedly popular in the County, and one perchance better qualified to serve you in the General Parliament than myself, and only consented to accept the nomination myself, when it was found that the objections of the valued friend referred to could not be overcome. Having thus placed myself in your hands, permit me again to solicit your hearty and generous support, and be assured that no effort of mine shall be spared in the way of securing a triumph for "Union," and making it what I sincerely believe it is destined with proper management to be, an inestimable blessing to all concerned.

Although a candidate for the General Parliament, I shall not cease to feel a lively interest in local affairs, and acting in happy concert with my colleagues Messrs. Whitman and Foster, the candidates for the Local Legislature, trust it may be in my power still to serve you, to some extent at least, and beg therefore in conclusion to ask for these my colleagues the same measure of support accorded to myself. I remain, Gentlemen, Your obedient humble servant, A. LONGLEY. June 5. ool., wa., abstr.

CLEANSE THE BLOOD.

With corrupt, or tainted Blood, you are sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may only keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. AYER'S SASSAPARILLA purges out these impurities; it expels disease and restores health and stimulates the organs of life into vigorous action. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rosacea, Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worms, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility, also Syphilis or Venereal Diseases, Liver Complaints and Heart Diseases. Try AYER'S SASSAPARILLA, and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative ingredient whatever. Hence, bitter disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself has become synonymous with imposition and cheat. Still we call this compound, "Sarsaparilla," and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. We think we have ground for believing it has virtues which are irresistible by the class of diseases it is intended to cure. We can assure the sick, that we offer them the best alternative we know how to produce, and we have reason to believe, it is by far the most effectual purifier of the blood yet discovered.

AYER'S CHERNEY PECTORAL is so universally known to surpass every other medicine for the cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Inipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them. Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., and sold by all Druggists and dealers in medicine everywhere.

To the Electors of the County of Halifax.

GENTLEMEN,—HAVING been nominated, at a large and influential meeting of my fellow-citizens, as a Candidate to represent you in the House of Commons of the Dominion of Canada, I now beg to tender myself for your suffrages at the ensuing Election. To many of you I am well known, having represented the Western District of Halifax in the Provincial Parliament during the past eight years; and while occupying that position, I have endeavored, to the best of my ability, to serve my constituents. With those of you who have heretofore constituted the electors of the Eastern Division of the County I am less acquainted.

The change which has occurred in consequence of the Act of Union has rendered it necessary that you should be represented in the House of Commons, to which body have now been transferred many of the most important interests of the country. The consideration of questions connected with the Tariff, the protection of our Fisheries, the Intercolonial Railway, and other matters of scarcely less value, will be within the sphere of that Assembly. To it will also be entrusted the mission of carrying out the scheme of Union in such a way as to effect those beneficial results which we anticipate will flow from it. As a warm advocate of this great measure, and with the desire that it may be properly carried out, I offer myself to you as a Candidate for a seat in this important Assembly; and, should I be honored with your confidence, it shall be my constant aim, as in the past, so in the future, to watch over your interests, and promote the well-being of my native City and County, in which I feel so deeply interested. I have the honor to be, Gentlemen, Your obedient servant, S. L. SHANNON. Halifax, May 10, 1867. May 15.
