THE SCIENCE OF HEALTH.

Every Man his own Physician

HOLLOWAY'S PILLS, AND HOLLOWAY'S OINTMENT.

Disorders of the Stomach, Liver and Bowels.

The Stomach is the great centre which influences the health or disease of the system; abused or debilitated by excess—indigestion, offensive breath and physical prostration are the natural consequences. Allied to the brain, it is the source of headaches, mental depression, nervous complaints, and unrefreshing sleep. The Liver becomes affected, and generates bilious disorders, pains in the side, &c. The Bowels sympathise by Costiveness, Diarrhoea, and Dysentery. The principal action of these Pills is on the stomach, and the liver, lungs, bowels, and kidneys participate in their recuperative and regenerative operation.

Erysipelas and Salt Rheum

Are two of the most common and virulent disorders prevalent on this continent. To these the Ointment is especially antagonistic; its "modus operandi" is first to eradicate the venom, and then complete the cure.

Bad Legs, Old Sores, and Ulcers.

Cases of many years' standing, that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful unguent.

Eruptions on the Skin

Arising from a bad state of the blood or chronic diseases, are eradicated, and a clear and transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the face.

Female Complaints.

Whether in the young or old, married or single, at the dawn of Womanhood, or the turn of life, these tonic medicines display so decided an influence that a marked improvement is soon perceptible in the health of the patient. Being a purely vegetable preparation, they are a safe and reliable remedy for all classes of Females in every condition of health and station of life.

Piles and Fistula.

Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emollient; warm fomentations should precede its application. Its healing qualities will be found to be thorough and invariable.

Both the Ointment and Pills should be used in the following cases:

- Bunions, Mercurial Eruptions, Burns, Piles, Chapped Hands, Rheumatism, Chilblains, Ringworm, Fistula, Salt Rheum, Gout, Scalds, Lumbago, Skin Diseases, Swelled Glands, Sprains, Sore Legs, Stiff Joints, Sore Breasts, Tetter, Sore Heads, Ulcers, Sore Throats, Venereal Sores, Sores of all kinds, Wounds of all kinds.

CAUTION!—None are genuine unless the words "HOLLOWAY, NEW YORK AND LONDON" are discernible as a Water mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

Sold at the manufactory of Professor HOLLOWAY 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the civilized world. There is considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder affixed to each pot and box. Dealers in my well-known medicines can have Show-Cards, Circulars, &c., sent FREE OF EXPENSE, by addressing Thomas Holloway, 80 Maiden Lane, N. Y. Oct. 23. 1yr.
