Dear Sirs,—This is to say that I was formerly troubled with an eruption on my face which troubled me for several years, it was not large, and it grew very slowly and defied all I could do, to remove it, till I used your Cancer and Scrofula Remedies which entirely removed it, and all those alarming sensations connected with it, so that it has not troubled me since, which is now some two years or more.

Wishing you much success, I remain, truly yours, S. BCOTHBY. Agent A. and F. Bible Society

Oxygenized Air;

A CURE FOR

CATARRH,

DISEASES OF THE THROAT AND LUNGS,

CHRONIC CATARRH.

Why entertain this loathsome disease when relief can be obtained? We meet those every day who are suffering from Catarrh to such an extent, that the Air Passages in the head are in a partly decomposed condition,-the nose and throat filled with such a mass of corrupt matter that they are objects of disgust to tnemselves, and of pity to those with whomthey associate.

Chronic Catarrh usually affects the head, fauces and bronchial tubes. It is usually caused by humoral or inflammatory blood, by which the mucous. membrane is made sore or inflamed, producing a copious effusion of viscid matter. If it be produced by Scrofula in the blood it is almost certain to end in Consumption, unless speedily cured, because it is impossible to entirely prevent the matter from running down the bronchial into the air vesicles, and such is the excoriating, or scalding property of the matter, ts contact with the delicate linings of the air-cells at once causes irritation, and invites the humoral prop erties of the blood to deposit therein Tubercles and Ulcers.

Catarrh almost always attends Consumption, and

In Oxygenized Air we have a positive cure for this disease. The remedy is taken by inhalation,breathed directly into the lungs, and through them carried into the blood; thus as soon as the blood will carry it, it reaches all parts of the system, decomposing the impure matter in the blood and expelling it through the pores, and through the natural channels from the system. Thus you will see that the cause of the public for Rheumatism and Neuralgia, warranted to stop the Toothache in four minutes, and Headache it always gives relief.

Mr. JOSEPH CORKUM, Chester, Lunenburg Co., writes, Dec. 5th, 1866:—It is the best medicine I ever used; my legs were swollen for nearly a year, and by two rubbings of the Pain Balsam they were completely cured. I have used it myself and so has my family for Headache, Toothache, Coughs, Colds and Sore Throat, and always found it to give the disease is removed, and the disease tself must

THE SCIENCE OF HEALTH.

Every Man his own Physician.

HOLLOWAY'S DINTMENT.

Disorders of the Stomach, Liver and Bowels.

The Stomach is the great centre which influences the health or disease of the system; abused or debilitated by excess-indigestion, offensive breathand physical prostration are the natural consequences. Allied to the brain, it is the source of headaches, mental depression, nervous complaints, and unrefreshing sleep. The Liver becomes affected, and generates bilious disorders, pains in the side, &c. The Bowels sympathise by Costiveness, Diarrhea, and Dysentery. The principal action of these Pills is on the stomach, and the liver, lungs, bowels, and bidness participate in their recurrentials and refresh kidneys participate in their recuperative and regenerative operation.

Erysipelas and Salt Rheum Are two of the most common and virulent disorders prevalent on this continent. To these the Ointment is especially antagonistic; its "modus operand?" is first to eradicate the venem, and then complete the
