This opinion is now being more generally was a native of Cambridge, Township of Cornwallis, Cove; Pioneer, Nickerson, Cornwallis; Arthur adopted, and is, in consequence of recent developments of Episcopacy, continually receiving fresh illustrations and proofs of its correct. School in the Island. ness. This same view may not yet be taken by the bulk of the men in Parliament, so many of them being more or less interested in Dillon, aged 26 years. Ecclesiastical matters. It may be long before the conviction forces itself upon Mary Shand, aged 3 years and 3 months. the law-makers generally, but correct sentiments are becoming more prevalent. Every year will doubtless bring more and more to see that civil and religious liberty demands for the church freedom from State control. This can only be enjoyed by control. This can only be enjoyed by having, along with it, freedom from State patronage. Many hard struggles will doubtless have to be endured before this takes place, but it must be at no very distant day.

Jear of his age.

On the 2nd inst., Mrs. Catherine Carey, relict of the late Edward Carey, in the 65th year of her age.

On the 1st inst., Jeremiah Hubin, aged 57 years.

On Sunday, 3rd inst., Fanny E. Barrow, only daughter of the late D. J. Stewart Hunter, M. D., having, along with it, freedom from State Many even in the Established Church are longing for the day when they may enjoy en. tire freedom from the worldly influences, 9 montes. Her end was peace. under which they are now placed, and if it were not for the pecuniary considerations would hail the prospect of a free Episcopal illness, Sabine McEwen, in the 23rd year of her Church in England and Ireland.

There have been great rejoicings in England over the successful termination of the Abysinian campaign. Monday the 27th, was observed in London as a sort of general holiday by common consent. At the Stock

In the House of Commons on the evening of the same day, Mr. Disraeli, in reply to a question by Mr. Layard, made some remarks on the subject of the Abyssinian War, in which he spoke last lecture of the season before the Acadia in congratulatory language of Gen. Napier and Athenseum, in the Vestry of the Baptist Chapel, his army, which gave aid to the expedition for the rescue of the English prisoners in the hands of King Theodorus. The conquest in Abyssinia, said the Premier, was only equalled by that in Mexico by Cortez.

On Tuesday the London Times telegram states that King Theodorus made an attack on Skinner, 2 subs. Jos McVane, \$10. Rev. Dr. The following are we believe, the facts: he was repulsed, having about 500 men killed, and that he was subsequently deserted by almost all the remainder of his troops. The king then retreated inside the fortress of Magdala, where, supported by some few devoted followers, he made a desperate resistance to the English; but finding his cause made hopeless by the assault of Napier's stormers, he committed suicide by a pistol shot, as the British approached his last stand point.

HALIFAX ITEMS.

MR. A. Downs, whose grounds and collection of animals have long been one of our city " lions," has received an appointment from the Commissioners of the Central Park in New York, to take charge of the Zoological Gardens to be established there; it is said at a salary of \$3,000 per annum. We understand that the purchasers of his property propose making of it a private park.

NARROW ESCAPE.—A woman from the country narrowly escaped death at the Richmond Depot on Saturday evening. She was a passenger in the train from Pictou, and having delayed in the car to collect a lot of parcels, was in the act of stepping off when the train started to back up to the baggage room. She was and STORE, known as the Telegraph Office. Said thrown forward on the platform, and her skirt caught on a bolt in the car. In this position the same time and place, the she was dragged for some distance. Some Exchange hymns were sung and enthusiastic cept our thanks. Some of them evinced considerable ingenuity but we presume the writers of the bold of her, and assisted to carry her along until the train was stopped, otherwise she must until the train was stopped, otherwise she must have been crushed between the cars and the platform. - Chron. ..

> FIRE was discovered on Friday last in the balance on delivery of the deed. hold of H. M. S. Constance lying at the dockyard. After several hours had been spent inendeavoring to extinguish it, water to the depth of ten feet was pumped into the ship which effectually quenched the flames.
