THIEVES have been active of late in the city. cs; in each case has been but small.

the country with produce for our markets, frequently suffer from the pistering propen-1 sities of parties on the watch for opportunities of stealing, but they allow the cases to pass rather than be detained in the city to have the thieves detected and punished. On Thursday last, however, a man named Francis White was fined \$20 or 90 days in the City Prison, for stealing meat from the Colonial Market. A certificate to this effect, signed by the Teacher. piece of cloth found in his possession teing identified as the property of Mr. W. Monaghan, White was charged with stealing it. He pleaded guilty, and was sentenced to a second tation, Spelling. term of 90 days.

FAST .- On Christmas day two young men belonging to the city hired a handsome tandem team and started "up the road." They pupils, will receive a copy of Chisholm's Mathe stopped at the Four Mile House, to warm them. selves we suppose, and unfortunately for them they remained there too long, for when they came out the tandem team could not be found, nor has it since turned up. Two men were seen in the sleigh where it left .- Chron.

THE NEW MAIL STEAMER'S WHARF .-Messrs. J. & R. B. Secton bave a large gang of whart for the accommodation of the Inman about one hundred feet to the wharf.

No DUTY ON PACKAGES -Instructions have been sent to the collector in Halifax to admit duty free, articles connected with ship-building on affidavit of Importers that they are for shipboilding porposes. No casks or packages are charged fitteen per cent except those for spirits, wine and ale No duty intended to be placed on reprints of Reviews and Magazines."

The receipts on the Provincial Railways for the month ended November 30th, show an increase of \$3376 49, as compared with the returns of the corresponding month of 1866.

GRAND JURY FOR 1868 .- The following is the year 1868. The names were drawn in open latter was in bed. Court on Saturday last by the Prothonotary : -

William Cunard, Merchant; Alexander John McAlpine, Mastmaker; T. G. Budd, discovered.-Mirror. Manufacturer; Isaac Parish, Photographer; William Wilson, Hat Merchant; Benjamin Godkin, Tailor; Joseph Dellatorre, Merchant; Charles Graham, Grocer, Levi Hart, Merchant; John Meagher, Merchant; William McDonald,

Inspector of Schools for Yarmouth County, in also destroyed. his report states, that instead of 29 school-houses last year in good order, there are this year 44, and instead of 21 first class teachers then, there are now 35, and that there were 3155 scholars in the winter of 1867, against 1851 in 1866, or an ancholy case of suicide took place here on Sunaddition of 1314. These are highly gratifying, day evening last. Mr. H. Barnaby who had indications of advancement in the western parts been for some time a medical student in the vilof the province.

May, 1864. Of these 46, 14 accommodate about midnight. settlements and neighbourhoods which had been previously without accommodation of this sort. In addition to the new buildings erected, improvements have been made during the year in the buildings, furniture or grounds in twentysix other sections. The eight houses completed are also thoroughly turnished.

In the winter term 4,964 pupils were registered; in the summer 5.289; showing an increase of more than 41 per cent. for the winter, and 17 per cent, for the summer, over the corresponding terms of the previous year, or of nearly 28 per cent. for the whole year. The full term average for the whole year was 2,363 ling, was so severely scalded that it died in a few of 21 per cent. This is a great gain, as we had at school in that year 1 in 5 of the whole popu-
