Arthur M. Big low, eldest son of Charles and Tryphena Bigelow, of Antigonish, was an amuable young man, belaved at home and abroad. When teaching at Manchester, in 1868, he become anxious about salvation, but was not satisfied in regard to his acceptance. In the Spring of 1839 he was obliged by fil health, to leave his school and return home, when it was evident that consumption had commenced its work. He was clear in his view of the at nement of Christ and often said that he was A few hours before he died, he said "I trust I can rely on Christ to save " Shortly after he requested to see the family and carmly took leave of and exhorted them to prepare to meet him in heaven. He depar ed on Friday in rning, Aug. 13th, 1869, at the age of 19 years. We trust he fell asleep in Jesus.

Avera Cathartic Pills.

" purposes of a Laxative Perhaps no one medi-cine is so universally re-quired by everybody as a cathartic, nor was ever any before so universal-ly adopted into use, in ly adopted into use, in every country and among all classes, as this mild but efficient purgative tit. The obvious reason is, that it is a more reliable and tar more effectual remedy than any other. Those who have not, know that it cured them; those who have

not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its connection. We have thousands upon thousands of their chart its of their remarkable cures of the following and lands, but such cures are known in every acceptants, but such cures are known in every acceptants, and we need not publish them. A langer all ages and conditions in all climates; and to be added to any deleterious drug, they are be taken with safety by anybody. Their

there are be taken with safety by anybody. Their sare coating preserves them over fresh and makes are note that to take, while being purely vegetable no has normarise from their use in any quantity.

There exists by their powerful influence on the interact circarate parify the blood and stimulate it into harithy aston—remove the obstructions of the stomach, powels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

For Responsing or Engligeration, Listless.

For Dyspepsies or Endigestion, Listless-ness, Eanguar and Loss of Appetite, they should be taken moderately to stimulate the stom-a in and restore his healthy tone and action. For Liver Complaint and its various symptons, Milious Bleadache, Mick Headache, Janualice or Giren Sickness, Billous Colin and Rittons Fevers, they should be judictionally taken for each case, to correct the diseased action or remove the obstructions which cause it. For Edyscatery or Ediarrhosa, but one mild

does is generally required.

For Schnamatism, Cont, Gravel, Palpitation of the Edvart, Pain in the Side, Frank and Erstan, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints

For Spropay and Exopsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression a large dose should be taken at it produces the desired effect by Sympathy.

At a Dinter Pill, take one or two Pills to pro-

An operational dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these PMs makes him feel decidedly better, from

their cleansing and renovating effect on the diges-
