THE BEST BURNING OIL IN THE WORLD.

DR. CULVERS'

CELEBRATED SUN-LIGHT

IS ONE OF THE

GREATEST DISCOVERIES OF THE AGE.

M. WAGNER & CO.,

ARE SOLE PROPRIETORS

United States

DOMINION OF CANADA.

Sold only by their Authorized Agents. Costs but 30 cents per Gatton to Manufacture, and can be Manufactured anywhere in the United States, or Dominion of Canada.

THIS wonderful Oil, which is about to take the place of Kerosene, and other burning fluids is composed I materials which can be obtained in any country village. Can be made without the aid of machinery, by simply mixing the ingredients

WARRANTED TO BE NOT EXPLOSIVE

It burns without any smoke, and gives a softer and far more brilliant light than any other oil now in use, S; Napier, McCormack, Barrington; Cherub, and is only equalled in brilliancy by gas light. The ingredients which compose it are simple and cheap, costing but 30 cents per gallon, at the highest, and can be produced in any city, or country village in the Dominion of Canada.

A ga lon of the Oil can be made in five minutes, and a whole barrel in less than half an hour.

Wherever it has been introduced it takes the place

1st. Because it does not cost half as much. 2nd. It can be made anywhere, by any person.

3rd. It will never explode. 4th. It will burn in any lamp, with or without a chimney

It will not smoke the chimney. 5th. It will give no bad odour or offensive

7th. It will not soil clothes if spilled upon them. 8th. It gives a clear and steady light, never flickers, and in softness and brilliancy is only

exceeded by gas. 9th. It burns one-fourth longer than the best Kerosene made.

10th. It does not weaken the eyes as Kerosene or coal oil does by continual use. And finally, because it is cheaper and better in every respect than any other oil ever invented.

For lighting stores, hotels, and public places of all kinds, there is no oil that will at all compare with it in cheapness, brilliancy, and safety. Eor night lamps in hotels, public and private houses, it is inay Department.

Saturday, 13.—Steamer Commerce, Doane, Boston; brigts Marce ia, McEachren, Porto Itico; valuable, and can be used in small lamps as well as Mirella, Wisson, Jamaica; schrs Maggie, Reidy, large ones, without chimney, giving out no smoke or smell, and does not encrust the wick. Although this said to belong to St. John, was found dead on New York; Louisa, Balcam, Balumore; Reddy, smell, and does not encrust the wick. Although this sidewalk in front of the Clifton House, Windsor.

Somes, Boore Bay, Nfld; Burocck, Hurst, P E I; oil has been before the public but a few months nearly 350 000 families are making and using it. ALLEGED HIGHWAY ROBBERY. - A soldier of Terrio, do; Model, Bare, Ponce. P R; Havelock, This cele rated Oil was discovered and first invented in June, 1867, by the great French Chemist and Geologist, the late Dr. S. A. Culver of Paris. We succeeded before his death in obtaining the Patent Monday, 15.—Steamer Albambra, Doan, Charfor the sole right, to manufacture and sell the Oil in lottetown. P E I; schrs Spy Gray, Barbadoes; the United States and Dominion of Canada.

In order to bring this Oil into universal use throughout the country, we have concluded to sell it.

only through our Agents
By this method families can manufacture the Oil themselves, thus getting it at the original cost, and all the profits that would be made by merchants and speculators, it sold through them. The oil can be manufactured any where for 30 cents, and in many places for much less. And while the cost is small, you have a light with which you can always feel safe for it can in no way be made to explode. And the softness and brilliancy of the light, will render cheerful the kitchen, the parlor, and the place of business. It gives a clear and steady light. And one gallun, with the same lamp, and the same sized blaze, will burn six and one quarter hours longer than the best Kerosene. It is certainly,

ONE OF THE GREATEST WONDERS OF THE AGE.

All we ask is, that the public give this Oil a general investigation; that they test its merits and its qualities for themselves, and then finding (as they surely will) that it is laden with results that will be beneficial to all persons, in every city, village, and farm house in our land, we respectfully ask that they lend their influence in our behalf, to aid in, its advancement and circulation Our authorized Agent for Nova Scotia is now prepared o fill all orders. He will travel through the Province, and we hope that all persons, will aid him in spreading this great boon throughout the land.

JAMES P. NOWLAN, Sole Agent for Nova Scotia.

Weymouth, Oct. 25th, 1869.

MAND BY ALL DESCRIPTION STREET MANDE

DR. JOSEPH B. DAVIS,

HAS, after years of patient study and practical experiments, proved to every candid observer of his treatment that

CONSUMPTION,

even in advanced stages may be cured. Morbid anatomy has demonstrated that Tubercles designate and become abortive, and ulceration of the lungs do heal, nearly 30 per cent of the deaths in Nova Scotia, New Brunswick, and the New England States

CONSUMPTION.

We know that Peruvian Bark flourishes in a region invested with fevers, for which it is extensively used as an indispensable remedy. As an antidote for the bites of snakes, the ladians apply the herbs growing in the same ocuntry.

The Dr. ar ues that the remedy for Consumption grows abund a 19 in our midst. He uses the Medicine prepared by himself.

After spending the last year in the United States ursuing his Medical investigations he has returned wave Sotia determine I to give those afflicted with

CONSUMPTION

an opportunity of testing his skill. He has procured in the United States the finest instruments to enable him to thoroughly diagnosis diseases. The

MICROSCOPE

for testing the impurities of the blood, urine, mucus expectoration of the lungs, etc., etc., etc. The

LARYNSCOPE

for ailments of the throat. The

RHINOSCOPE for the diseases of the nose. The

APHTHALSCOPE for the eye. The

OTOSCOPE

for the sar. The

STETHOSCOPE for the chest, including heart and lungs. By the

Electro Medical Instrument he can ascertair the exact state of the lungs and

kidneys. Thus the Dr. is not lett to guess, but exactly to define the disease. The Dr. intends visiting the various towns and lo-

calities below mentionea. Digby, from Nov. 1 to 4 Weymouth, 4 to 6 armouth, 6 to 14 Barrington, 14 to 27 Shelburne, 27 to 1 Dec.
