# Ayers barsaparilla,

The reputation this excellent meticine enjoys, Is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous discase, where the system seemed saturated with corruption, have been purified and cured by it. Scroftdous affections and disorders, which were aggravated by the scrofuious contempation until they were palnailly afflicting, have been radically

epred in such great numbers in almost every section of the country, that the public searcely need to he informed of its virtnes or uses Screfulous Loison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exching a suspicion of its presence. Again, it seems to breed infection throughout the body, and into one or other of its hideous forms, either on the enriace or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed hi the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the oceasional use of a bottle of this Sarsqueellla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this SARSAPARILELA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Sail Rheum, Scald Head, Ringworm, Sore Fyes, Sere Ears, and other cruptions or visible forms of Serofutous disease. Also in the more concealed forms, as Dyspersia, Dropsy, Heart Disease, Fits, Exilensy, Neuralgia, and the various Cicerous affections of the muscu-

lar and nervous systems, Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine, But long continued use of this medicine will cure the complaint. Leveerrhea or Whites, Cterine Ulcerations, and Female Discoves, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Aimanae, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also fiver Complaints, Terpidity, Congestion or infammation of the Liver, and Jaundice, when arising, as they often do, from the rankling polsons in the blood. This SARSAPARILEA is a great restorer for the strength and vicer of the system. Those who are Languist and Listiess, Despendent, Steepless, and troubled with Nervous dpprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing cyldence of its restorative
