VELOCIPEDISM, is all-the-go in Halifax as well as in the other towns and cities of this province and continent. It is said that the Sons of Temperance Reading Room Committe have decided to place a number of Velocipedes in their Gymnasium, for the use of members.

These machines for locomotion it appears, will however, soon be superceded by a U. S. invention. It is said that a Kentuckian has invented a waggon on the perpetual motion idea. It goes by a it runs nicely; otherwise it runs down.

The editor of the Amherst Gazette reports his experience in velocipedism. He says :- "Our young men are fast becoming velocipedists-a fact rendered more apparent by the number of maimed ones to be met with. Just as we thought our short experience in velocipedism was becoming quite successful, the treacherous animal betrayed trust and disabled us for further adventure."
