

AFFECTIONS OF THE CHEST AND THROAT.—Persons afflicted, however slightly, with any weakness of the Chest or Throat, involving either the Larynx, Trachea, Bronchial Tubes, or the Lungs themselves, should on the first symptom commence with FELLOWS' COMPOUND SYRUP, as by its use diseases of those organs (even Consumption in its primary stage) are speedily cured, and more alarming symptoms prevented. This we are enabled to state most positively. The Blood is restored to purity and health; the Nerves and Muscles are strengthened, while tuberculous or consumptive deposit is retarded. The extraordinary effect of this preparation is due to its power of imparting the vital principle to all constitutions impaired by wasting or debilitating maladies. It is acceptable to the palate, and suitable for all ages and all constitutions. Sold by Apothecaries. Price \$1.50 per bottle, or 6 for \$7.50. On the receipt of \$7.50 the proprietor will forward 6 to any part of Nova Scotia or New Brunswick, Free. JAMES I. FELLOWS, Chemist, St. John, N. B.
