this brother's instrumentality a Church has been formed on the Macleay River, numbering fifteen members, eleven of whom were immersed by Mr. Druery on a profession of faith in Jesus.

The Association embraces 11 churches, with a membership of 359. Only three of the churches have upwards of 50 members.

Periodicals. - Good Health is a useful and instructive Magazine, containing many valuable hints and suggestions, which cannot fail to be of service. We noticed in particular, three articles -- on "Taking cold,"

The Mirror of Typography fully maintains its character, while the Frontispiece is more gorgeous than ever, in its delineation of "Summer fruits." Quite a tempting picture.

meeting of this Body took place at Pictou | premises of the above Mission, will be ready to foron the 22nd ult., and following days. We ward it to nev. A. Cogswell, at an early date, or at the Western Association, at its Session on the 25th of September next, at Hebron, Yarmouth County ings.

DR. FORRESTER .- The following resolu-

tion was passed :--

"The Synod deeply deplore the removal by death of Rev. Alexander Forrester, D. D, who though not a member of this court, was in connection with this church and for some years intimately associated as a minister with the progress of the now united bedy. Sent as a deputy from the Free Church of Scotland to this country early in 1848, near the close of that year he was inducted into the pastoral charge of Chalmer's which patients take on flesh while using the article. Church, Halifax, where he labored faithfully until in 1856 he accepted the onerous position of Superintendent of Education and Principal of the Provincial Normal School. His services in connection with the Professorial Fund and the trainobjects he visited nearly every section of the Maritime Provinces, stirring up the zeal and evoking the liberality of congregations and directing the minds of young men to the work of the gospel | Sold by Apothecaries. Price \$1 50 per bottle, or official position in connection with the Common Brunswick, Free School Education of Nova Scotia, he discharged his duties not with faithfulness merely, but with enthusiastic, self-sacrificing carnestness, and with signal success, -leaving his impress permanently on our educational system, and laying the country under the deepest and most lasting obligations. He was ever the faithful friend, the honest counsellor, and the ready helper of every minister of this church and of other churches to whom he could extend his aid. His memory will long be cherished by this church and by a grateful country."

Synod his purpose to resign his Professorship at suc debentures on which to raise money to pay could during the next session, but he would hold road. The committee we are informed, intend out no hope whatever that he would continue the going on with the work without any unnecessary work any longer. Several members expressed the delay. feelings of the Synod with respect to this an-. nouncement. His offer to conduct the classes ment in the daily papers, that the City Horse next winter was regarded as relieving the Synod Railway Company have made some special arranfrom the necessity of electing a third Professor gements with the view of affording further acat present. A retiring allowance of \$800 was ommodation to the travelling community. named by several members, and the Synod would have unanimously voted the sum. Indeed one influential member stated that \$1000 was the sum he would have named. But Dr. King insisted explicitly that it should not be more than \$600. He never doubted the liberality and kindness of the Church, but he knew the state of the Funds. He would regard \$600 as a very liberal allowance. The Synod in deference to these views, so characteristic of the venerable Professor, then named the smaller sum. As the vacancy is not expected till next summer, no further steps with respect to it are to be taken at present.

We are glad to learn that our Presbytefor the relief of Infirm Ministers.
