MISCELLANEOUS

Prince Arthur sent a message to the Governor of Newfoundland from Valentia on the 23rd ult., and received an answer in three minutes.

A TYPOGRAPHICAL ERROR.—One of our exchanges says:—The ship "Red Jacket," from Melbourne, has brought the first shipment of 10,000 lbs of Australian mutton; prepared by the Melbourne Meat Preserving Company.

Miss Burdett Coutts is said to have proposed to provide Jerusalem with an efficient system of water supply at her own cost, and the scheme which embodies the details of her munificent offer has been laid before the Council of State.

Epstein, the conjuror who has been performing before the court and noble audiences of Paris, recently forgot to withdraw the ramrod while performing the pistol trick, and the spectator who fired the weapon shot him through the body.

THE PRINCE OF WALES AND CROCODILE SHOOTING.—Several attempts to stalk the crocodiles, made by his Royal Highness and Sir S. Baker, were frustrated by the vigilance or timidity of the "wily reptiles." Indeed the constant firing from the diceals which is directed against them by all tourists as they bask on the banks, and the noise and smoke of approaching steamers must be more than enough to startle an animal which is naturally very cautious and suspicious.

Ayer's Cathartic Pills, For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting wherever they exist, such derangements as are the first origin of disease. Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

For Dyspepsia or Indigestion, Flatulency, Languor and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Stools, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Diarrhoea, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression of Urine, a large dose should be taken as it produces the desired effect by sympathy. As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
