EAGAR'S Peruvian Bitters!

COMPOUND Of Peruvian Bark, Sarsaparilla, Dandelion, Wild Cherry, and other valuable remedies. AN EXCELLENT TONIC, APPETIZER, AND STIMULANT.

Cures LIVER COMPLAINT, DYSPEPSIA, ACIDITY of the STOMACH, DEBILITY and PAIN in the BACK, RESTORES the VITAL ENERGIES, when exhausted, braces up both the Nervous and Muscular System, PURIFIES the BLOOD, and Restores the Appetite. Particular attention is called to the fact that the

PERUVIAN BITTERS

are not an Alcoholic preparation, but simply a scientific combination of valuable Roots and Barks, which purifies the Blood and restores the waste, thereby bracing up both the Nervous and Muscular Systems, and giving that permanent HEALTH, STRENGTH and VIGOR, both of mind and body which nature intended man should possess.

This BITTERS is not sold as a specific for every disease, but in cases of GENERAL DEBILITY and its effects, such as Dyspepsia, Loss of Appetite, Weakness of the small of the Back, Weak Memory, Indigestion for Exertion, Sense of Fullness after Eating, &c., caused by anxiety over exertion, mental or bodily, late hours, and excesses of every kind, it has no equal.

Although these BITTERS contain no Alcohol, they will most actually wear the taste from Stimulants and enable the system to dispense with them at once.

The proprietor, although averse to the practice of puffing any medicine, feels it his duty to give publicity to the following certificates.—Hundreds could be added, but such names as Dr. How, Professor of Chemistry at King's College; Capt. Hardy, R. A.; Mr. Solomon, Lunenburg; and Dudley de Chair, Esq. Halifax, will be sufficient to establish its reputation as a reliable and valuable medicine.

CERTIFICATES:

I have found Mr. Egar's PERUVIAN BITTERS beneficial to myself and in my family, and have heard of their being used with good effect in another case in Windsor. Signed, HENRY HOW, D. C. L. King's College, Windsor.

DR. JOSEPH D. DAVIS

WOULD inform the public that after thirty years of study, investigation and practical experimenting concerning that terrible disease

CONSUMPTION,

And the diseases of the anterior and posterior nares, throat, bronchitis, lung, heart, liver, kidneys, and uterus, and twenty years spent in investigating, experimenting and proving, with the medicinal and therapeutic properties of the roots, barks, plants and shrubs, indigenous to Massachusetts, Maine, New Brunswick and Nova Scotia,—he has discovered new remedies, and new modes of treatment, for Consumption, not previously known to Medical Science; and with the large number of cases treated, relieved and cured during the past ten years, in Maine, Massachusetts, and in different sections of Nova Scotia, has proved, beyond the shadow of a doubt, that Consumption, very often in its advanced stages, with his medicines and mode of treatment, can be cured.

He has, at great expense, procured from London, Paris, Vienna and the United States, the finest and most delicate instruments to enable him to thoroughly diagnosis diseases.

THE MICROSCOPE for testing the impurities of the blood, urine, mucus expectoration of the lungs, &c., &c.

THE STETHOSCOPE for diseases of the chest and lung.

THE SPHYGMOSCOPE for estimating the force and character of the pulse.

SHELBURNE, April 26, 1870.

DR. JOSEPH D. DAVIS.— Dear Sir: It gives me great pleasure to bear testimony to the wonderful and complete cure your medicines and treatment have effected for me, after having suffered the most severe pain, and been unable to work for over two years, besides losing my eyesight. I am now quite restored to health, able to attend to my business and my eyesight is greatly improved. I attribute this entirely to your medicine, as I had previously consulted many physicians and taken their remedies without any benefit. As you may remember when I first employed you I was at death's door; in the last stage of Consumption, was enormously swollen with dropsy, hardly slept for a fortnight, was extremely weak and no one anticipated my recovery. Should any one doubt this statement I can refer to the Rev. George W. Clark and the Rev. T. Watson Smith, who often visited me during my illness, and you are at liberty to make what use you please of this certificate.

Yours very truly, CHRISTIAN R. BOWEN. June 23, 1870. July 6.
