Caleb Gates .- Dear Sir-Seeing the eff et and realizing the comfort from the result of my son's case, I was no longer an unbeliever, my faith in your medicines grew stronger than ever and being almost unable to perform any manual labor at the time, owing to repeated attacks of billious complaint, of which you are aware, I received some of your excellent preparations, tried them and was in a short time restored to perfect health, well able to perform bodily labor; a good appetite, so much so that now my food tastes to me so sweet and passes off so freely as it did in my boyish days, when youthful vigor knows no care, and the effects of hard labor passed away disregarded; I thought that the days of youth had returned. Therefore I could not see any reason why the glad tidings should not be published for the benefit of my fellow men whereby many a life may be polonged. The members of my family also received much benefit from your medicines. You are very welcome to this statement of facts, hoping they may be the means of doing good to many others, attended with the blessing of a kind Providence for which I feel grateful

Yours truly, JAMES PHINNEY. Wilmot Co. Annapolis, Oct. 29, 1857.

Port George, Sept, 16, 1467,

CALEB GATES-Dear Si:,-I feel it my duty to render my sincere thanks for the good your medicine has done for me and my family; after suffering for some time with rhoumatism, I was taken with a severe pain in my feet, I applied your liniment; took a dose of your Syrup, and put a plaster on my back, and in a few days was entirely free from all rheumatic paics and have not felt them since. Four of my children were taken with the headache and diarrhea. I got a bottle of your syrup and it cured them all in a short time. I would advise all who feel rheumatic pains to try it as I have done.
Yours Truly

HENRY W. MARSHALL. Victoria Street, Dec 23rd. 1858, This is to certify that I have been afflicted with billious pains for upwards of thirty years, and could find no retief; in the year 1844 I commenced taking Mrs. E. Gates' medicine, and to my great suprise I found immediate relief in so doing. It has been 15 years since I have taken her medicine and I have not felt the least sympton of the complaint, and I would recommend it to all those afflicted as I have

SAMUEL ROWLBY. A large number of certificates, similar to the above, have been received and will be published at times for the information of the afflicted and the people generally.
