

**EAGAR'S
Peruvian Bitters!**

COMPOUND
Of Peruvian Bark, Sarsaparilla, Dandelion,
Wild Cherry, and other valuable remedies.

AN EXCELLENT
TONIC, APPETIZER, AND STIMULANT.

Cures LIVER COMPLAINT, DYSPEPSIA, ACIDITY of the STOMACH, DEBILITY and PAIN in the BACK, RESTORES the VITAL ENERGIES, when exhausted, braces up both the Nervous and Muscular System, PURIFIES the BLOOD, and Restores the Appetite.

Particular attention is called to the fact that the

PERUVIAN BITTERS

are not an Alcoholic preparation, but simply a scientific combination of valuable Roots and Barks, which purifies the Blood and restores the waste, thereby bracing up both the Nervous and Muscular Systems, and giving that permanent HEALTH, STRENGTH and VIGOR, both of mind and body which nature intended man should possess.

This BITTERS is not sold as a specific for every disease, but in cases of GENERAL DEBILITY and its effects, such as DYSPEPSIA, LOSS of Appetite, Weakness of the small of the Back, Weak Memory, Indisposition for Exertion. Sense of Fullness after Eating, &c., caused by anxiety over exertion, mental or bodily, late hours, and excesses of every kind, it has no equal.

Although these BITTERS contain no Alcohol, they will most effectually wean the taste from Stimulants and enable the system to dispense with them at once.

The proprietor, although averse to the practice of puffing any medicine, feels it his duty to give publicity to the following certificates.—Hundreds could be added, but such names as Dr. How, Professor of Chemistry at King's College; Capt. Hardy, R. A.; Mr. Solomon, Lunenburg; and Dudley de Chair, Esq. Halifax, will be sufficient to establish its reputation as a reliable and valuable medicine.

CERTIFICATES:

I have found Mr. Eggar's PERUVIAN BITTERS beneficial to myself and in my family, and have heard of their being used with good effect in another case in Windsor.

Signed, HENRY HOW, D. C. L.
King's College, Windsor.

MR. EGGAR,—I have used your PERUVIAN BITTERS in a personal case of Dyspepsia, and have derived the greatest benefit therefrom.

**GATES' LIFE OF MAN BITTERS,
FROM THE
Roots and Plants of Nova Scotia,
FORMERLY MANUFACTURED BY
MRS. GATES, OF WILMOT,**

WHO was pronounced incurable of Liver Complaint and Dropsy by many skillful physicians; when procuring several receipts from an eminent French physician, she was entirely cured; and afterwards cured hundreds of cases for which at first there seemed to be no hope. We offer these remedies to the public through the persuasion of those who at present consider that they are indebted to them for the preservation of their lives. Many certificates can be given for the cure of the following diseases:—Dropsy, in its worst form; Liver Complaint, Jaundice, Swelling of the Limbs and Face, Asthma, of whatever kind; Dyspepsia, Bilioussness, Spitting of Blood, Bronchitis, Sick Headache, Diseases of the Blood, Female Diseases, Running Sores, Rheumatism, Erysipelas.

These Bitters are taken in connection with a Syrup to regulate the bowels and purify the blood. We also prepare a LINIMENT and an OINTMENT for external application when required.

The following certificates describe a few of the astonishing cures which have been made by these of these remedies:

MIDDLETON, ANnapolis COUNTY.

This may certify that I have used Dr. Caleb Gates' FEMALE PREVENTIVE AND LIFE OF MAN BITTERS AND SYRUP. I have been most severely and distressingly troubled with eruptions all over my body and limbs, and I have applied to and employed during my illness five different doctors, and found no relief, but all the time was growing worse. For seven years I was thus afflicted. I itched and smarted beyond endurance, and I was also troubled very much with flooding; and I was so that it was impossible for me to lay upon my right side for a number of years, it caused me such shortness of breath and beating of the heart, and immediately upon retiring was constantly troubled with cold chills. I would also have spells of turning dizzy and of being quite blind. I was also cured of the whites. I thus take the utmost pleasure in giving my hearty testimony to the efficacy of the above named medicine, and hope that others who are similarly afflicted may experience by its healing virtues the like blessings.

Mrs. MARY ANN DURLING.

Sworn to at Middleton this 26th day of May, A. D. 1869 before me,

JAS WHEELOCK, J. P.

C. GATES,—
Sir,—I have been using your excellent BITTERS, SYRUP and LINIMENT, and found them to relieve me. About ten months past taken with a violent cough, fever at night, parched lips pain and soreness in my left side, then in my right side, and raising a quantity of blood, and feeling myself drawing near to my end, I wished to go to a physician and be sounded, but was persuaded by my husband to take C. Gates' BITTERS. I did so and found myself getting better, the cough ceased, the soreness left my side, and now I have good health; and as I have a feeling of suffering humanity, I think that I should be guilty of base ingratitude if I did not make this known before the public.

LOUISA GATES.

Sworn to before me this 24th day of May, 1869.

A large number of certificates, similar to the above, have been received and will be published at times for the information of the afflicted and the people generally.

**SMITH'S
American Organs.**

Having completed an important addition to their Factory, together with improvements made necessary by their largely increased business, the Manufacturers take pleasure in informing their friends and the musical public that they are now prepared to answer orders for all the various styles of their instruments.

As their reputation has been the slow growth of twenty years, and not the result of puffery, they propose to adhere to the principles by which they have succeeded, viz.:

- To use best materials only, without regard to price;
- To insist on the highest style of work;
- To combine all the elements of power, but not at the sacrifice of sweetness and delicacy;
- To look for constant improvement, keeping absolute perfection in view.

With every possible facility for the production of the best work at fair rates, and guided by their long experience, the manufacturers claim that their Organs

ARE NOT SURPASSED.

For proof it is only necessary to point to their ready sale in England, at double the price, in competition with the ALEXANDRE ORGAN, which, as is well known, received the first prize at the Paris Exposition.

A THOROUGH COMPARISON IS INVITED, as to all the points of superiority claimed for these splendid instruments.

At the present rate of production, it will not be long before there will be

AN ORGAN IN EVERY HOUSEHOLD.

*An elegantly illustrated Circular, containing descriptions and prices, will be sent post-paid, on application.

INTERCOLONIAL RAILWAY.

THE Commissioners appointed for the construction of the Intercolonial Railway give PUBLIC NOTICE that they are prepared to receive TENDERS for the three remaining Sections of the Line, all in the Province of N. W. Brunswick.

Section No. 21 will begin at the Easterly end of Section No. 20, one and three quarter miles East of the River Miramichi and will extend to Station No. 1640, three thousand feet Westward from the River Kouchibouguacis, a distance of about 25 miles.

Section No. 22 will extend from the Easterly end of Section No. 21 to Station No. 1180 at the crossing of the River Buctouche, a distance of about 25 miles.

Section No. 23 will extend from the Easterly end of Section No. 22 to the European and North American Railway, at Moncton Station, a distance of about 22½ miles.

The Commissioners also give PUBLIC NOTICE that they are prepared to receive TENDERS for re-letting Section No. 10, the Contract for which has been annulled.

Section No. 10 is in the Province of New Brunswick and extends from the centre of the Chaplin Island Road, near the Court House at Newcastle, towards Bathurst, a distance of 20 miles in length.

TENDERS for Section No. 10 will be made upon the basis of the quantities specified in the original Bill of Works for this Section; and in drawing the New Contract, there will be deducted from the amount of the accepted Tender, a percentage sum equivalent to the percentage of the whole work which the Chief Engineer shall report to have been executed by the first Contractors.

These Contracts to be completely finished by the first day of July, 1872.

Plans and Profiles with Specifications and Terms of Contract will be exhibited at the Offices of the Commissioners in Ottawa, Toronto, Quebec, Rimouski, Dalhousie, Newcastle, Halifax and St. John, on and after the 15th September next and SEALED TENDERS addressed to the Commissioners of the Intercolonial Railway, and marked "TENDERS" will be received at their OFFICE in OTTAWA, up to six o'clock, P. M. on Wednesday the 5th day of October next.

Sureties for the completion of the Contract will be required to sign the Tender. The names in full, occupation and address of each surety should also be given.
