ConnWallis, March 23rd, 1870.

CALEB GATES, ESQ., Dear Sir - I feel it my duty to send you the fol lowing information, both from gratitude to you; and for the benefit of those suffering as I was in the wipter of 1865 . I was taken sick with Jaundice. I was recommended to take such a medicine and would soon be well. I took almost everything that was recommended but grew worse. In Feb. of 1866, I was confined to my bed, then the physican was sent for he gave me some medicine and said I would come round soon, but I still grew worse, and soon was almost helpiers-the o se grew more seriou; and the Dr. said it was chronic liver complant It would be impossible for me to describe my suffering, for ? months. Many a time I prayed to die. I became a skeleton, no living being could be more so -every thing that raedical skill could do was done-to no purpose, at last the Dr said he could do no more, my case was beyond reach—the neighbors and friends cames in to see me die weeping at the bed-ide noth ing to look for but death. I had read in the Western my husband to go and get some. He immediately | race. went and procured the medicines and I commenced to take them for 3 or 4 weeks. I vomited most con stantly and then the vomiting ceased I soon began t, feel better. My spasms less severe and not so often-in about 8 wonths I could stand on m; feet and walk a few steps I gained strength quite fast and am now able to do considerable work, my appetite is good, sleep well and feel well for which I

feel devoutly thankful to God. And I hink I would be doing you injustice if I did not send you this certificate

MRS. MATILDA ROCKWELL. Personally appeared before me and maketh oath to the above certificate.

ALBERT BECKWITH, J. P. Upper Dyke Village, Cornwallis, March 24, 1870. A large number of cordificates similar to the above, have been received and will be published at times for the information of the afflicted and the people generally.

Liverpool, October 27, 1867. Early in the Spring of 1861 I with others of the amily, had Diptheria, I got over the Diptheria, as the rest of the family did; but after that, Consump. tion took hold of me, i grew worse all Summer till the month of December, when my physicien to d my mother that he could do no more for me, I hourly expected to die My grave clothes were prepared I was so weak that I could not raise my hand to my head I was nothing but skin and bones. I had a very bad cough, raised a great deal of corruption; my chee s had hectie spets in them by spells. I had n appetite, I expected to die, when Dr Davis was called. I heard my friends say that they thought I should die that night. In one week after I commenced trying Dr. Davis's medicine, my cough and my appetite were better-in two weaks very much so-and I got a good appetite in four weeks. I did not cough any more, and my mother said I ate Sharply all I could get I gained strength and flesh very last; and before spring I was as well as ever, and have been well ever since; and have worked hard most of the time since I am now in Liverpool, N. well and hearty, and ready to testify to the SOPHRONIA HARDING.

OBIO DEAT SHELBURNE, N. S. 167. To DR. JOSEPH D. DAVIS-DEAR SIR :- I long since thought of writing you as I promised, thanking you for your kindness to ue during my illness at Locke's Island in 1852. Had it not have been for tores the Appetite your skiltui medical treatment at that time, I cer tainly should have died. Consumption had laid its the fatal grasp upon me; for weeks a was in the greatest distress, not able for days to lie down, and contiunally raising and coughing. I thought that no power on earth could cure me, but through your

Hon cepathic treatment, and the interposition of a a ind Providence I am fully restored to health and have for the last three years been able to attend to my household duties, and am comparatiwely fu per-Wishing you every success and the blessing of

I remain yours truly, BERTHA BOWERS.

LIVERPOOL, N. S., December 2nd, 1867. I feel it a duty I owe to suffering humanity, to make public that I have been cured of the consumption by Dr. Joseph D. Davis' treatment after trying and enable the system to dispense with them at other doctors and other medicine. In the winter of once. 1832 I was taken with a bad cough, pain in my side and onest, with occasionally spitting of blood; bad pain through my shoulders and back. Host flesh was very pale and weak, short breathed ; feelings which none but consumptives know. I and my friends thought that Consumption had indeed laid its tatal grasp upon me I put myself under Dr. J. D. Davis' treatment, and in a few months was cured have been well ever since, and never enjoyed better health than the past summer. I would advise all consumptives to apply immediately to Dr. Davis, for I am confident you will never regret it. It is useless for me to say more. Try the Homospathic or Dr. Davis treatment for yourseves.

We, the parents of Annie Hogg, fully concur in the avove statement.

A year ago last winter. I applied to Dr. J D Davis, and have been under his treatment the most of the time since. Contrary to the expectations of my friends, I have re covered my health as those who know me can tostify and do most cheerfully recommend to consumptives a News of a lady genting cured of the liver complaint | tair trial of Dr. Davis' new treatment of a disease

DAVIS,-Dear Sir,-- I take great pleasure in informing you that under your treatment I have received much benefit In the winter of 1867, when I commenced taking your medicine, I had a bad cough, severe pain in my shoulders, and feared that consumption had claimed me for its victim. I took your medicin: for about a year regularly, and since occasionally, and do not hesitate to say that my health is better now than it has been for the last ten years, and consider it is owing to your treatment and the blessing of God alone that I am alive to day, and able to look after my family as usual.
