OHIO DEAR SHELBURNE, N. S. 167. To DR. JOSEPH D. DAVIS-DEAR SIR :- 1 long since thought of writing you as I promised, thanking you for your kindness to ne during my illness at Locke's Island in 1852. Had it not have been for your skillul medical treatment at that time, I cer tainly should have died. Consumption had laid its fatal grasp upon me; for weeks 1 was in the greatest distress, not able for days to lie down, and contiunally raising and coughing. I thought that no p wer on earth could cure me, but through your Hon cepathic treatment, and the interposition of a kind Providence I am fully restored to health and have for the last three years been able to attend to my household duties, and am comparatiwely in perfect health.

Of Peruvian Bark, Sarsaparilla, Dandelion, Wild Cherry, and other valuable remedies.

AN EXCELLENT

TONIC, APPETIZER, AND STIMULANT. Oures LIVER COMPLAINT. I. YSPEPSIA, ACID-ITY of the TOMACH, DEBILITY and PAIN in the BACK, RESTORES the VITAL ENERGIES, when exhausted, braces up both the Nervous and Muscular System, PURIFIES the BLOOD, and Restores the Appetite

Particular attention is called to the fact that the

### PERUVIAN BITTERS

are not an Alcoholic preparation, but simply a scienude combination of valuable Roots and Barks, which purifi s the blood and restores the waste, thereby bracing up both the Nervous and Muscular Systems, and giving that permanen HEALTH, STRENGTH and VIGOR both of mind and body which nature intended man should possess.

This BITTERS is not sold as a specific for every dis ase, but in cases of GENERAL DEBILITY and its effects, such as Dyspepsia, Loss of Appetite. Weakness of the small of the Back, Weak Momory, Indspositon for Exertion. Sense of Fullness after Eating. &c., caused by anxiety over exertion, mental or bodily, late hours, and excesses of every kind, it has no equal.

Although these BIITFRS contain no Alcohol, they will most effectually wean the taste from Stimulants and enable the system to dispense with them at

The proprietor, although averse to the practice of puffing any medicine, teels it his duty to give publicity to the following certificates .- Hundreds could be added, but such names as Dr. How; Professor of Chemi try at King's College ; Capt. Hardy, R. A.; Mr. Solomon, Lunenburg: a d Dudley de Chair, Esq Halifax, will be sufficient to establish its reputation as a reliable and valuable medicine.

Dear Sir,-I feel it my duty to send you the following information, both from gratitude to you; and for the benefit of those suffering as I was in the winter of 1865 I was takep sick with Jaundice. was recommended to take such a medicine and I would soon be well. I took almost everything that was recommended but grew worse. In Feb. of 1866, I was confined to my bed, then the physican was sent for he gave me some medicine and said I would come round soon, but I still grew worse, and soon was almost helples-the cise grew more serious and the Dr. said it was chronic liver complant. It would be impossible for me to describe my suffering, for 7 months. Many a time I prayed to die. I became a skeleton. no living being could be more so -every thing that medical skill could do was done-to no purpose, at last the Dr said he could do no more, my case was beyond reach-the neighbors and friends cames in to see me die weeping at the bedside nothing to look for but death. I had read in the Western News of a lady getting cured of the liver complaint went and procured the medicines and I commenced to take them for 3 or 4 weeks. I vomited most con stantly and then the vomiting ceased I soon began often-in about 8 months I could stand on my feet and walk a few steps. I gained strength quite fast and am now able to do considerable work, my appetite is good, sleep well and feel well for which I And I think I would be doing you injustice if I
