

EAGAR'S Peruvian Bitters!

Of Peruvian Bark, Sarsaparilla, Dandelion, Wild Cherry, and other valuable remedies.

AN EXCELLENT TONIC, APPETIZER, AND STIMULANT.

Cures LIVER COMPLAINT, DYSPEPSIA, ACIDITY OF THE STOMACH, DEBILITY AND PAIN IN THE BACK, RESTORES THE VITAL ENERGIES, when exhausted, braces up both the Nervous and Muscular System, PURIFIES the BLOOD, and Restores the Appetite.

Particular attention is called to the fact that the PERUVIAN BITTERS

are not an Alcoholic preparation, but simply a scientific combination of valuable Roots and Barks, which purifies the Blood and restores the waste, thereby bracing up both the Nervous and Muscular Systems, and giving that permanent HEALTH, STRENGTH and VIGOR, both of mind and body which nature intended man should possess.

This BITTERS is not sold as a specific for every disease, but in cases of GENERAL DEBILITY and its effects, such as Dyspepsia, Loss of Appetite, Weakness of the small of the Back, Weak Memory, Indisposition for Exertion. Sense of Fullness after Eating, &c., caused by anxiety over exertion, mental or bodily, late hours, and excesses of every kind, it has no equal.

Although these BITTERS contain no Alcohol, they will most effectually wean the taste from Stimulants and enable the system to dispense with them at once.

The proprietor, although averse to the practice of putting any medicine, feels it his duty to give publicity to the following certificates.—Hundreds could be added, but such names as Dr. How, Professor of Chemistry at King's College; Capt. Hardy, R. A.; Mr. Solomon, Lunenburg; and Dudley de Chair, Reg. Halifax, will be sufficient to establish its reputation as a reliable and valuable medicine.

CERTIFICATES:

I have found Mr. Egar's PERUVIAN BITTERS beneficial to myself and in my family, and have heard of their being used with good effect in another case in Windsor.

Signed, HENRY HOW, D. C. L. King's College, Windsor.

DR. JOSEPH D. DAVIS, CONSUMPTION,

HAS, after years of patient study and practical experiments, proved to every candid observer of his treatment that

CONSUMPTION, even in advanced stages may be cured. Morbid anatomy has demonstrated that Tubercles degenerate and become abortive, and ulceration of the lungs do heal, nearly 30 per cent of the deaths in Nova Scotia, New Brunswick, and the New England States is by

CONSUMPTION. We know that Peruvian Bark flourishes in a region infested with fevers, for which it is extensively used as an indispensable remedy. As an antidote for the bites of snakes, the Indians apply the herbs growing in the same country.

The Dr. argues that the remedy for Consumption grows abundantly in our midst. He uses the Medicine prepared by himself.

After spending the last year in the United States pursuing his Medical investigations he has returned to Nova Scotia determined to give those afflicted with

CONSUMPTION an opportunity of testing his skill. He has procured in the United States the finest instruments to enable him to thoroughly diagnosis diseases. The

MICROSCOPE for testing the impurities of the blood, urine, mucus expectoration of the lungs, etc., etc. The

LARYSCOPE for ailments of the throat. The

RHINOSCOPE for the diseases of the nose. The

APHTHALSCOPE for the eye. The

OTOSCOPE for the ear. The

STETHOSCOPE for the chest, including heart and lungs. By the

Electro Medical Instrument he can ascertain the exact state of the lungs and kidneys. Thus the Dr. is not left to guess, but exactly to define the disease.

The Dr. intends visiting the various towns and localities below mentioned.

Table with 2 columns: Location and Dates. Lists Halifax, Windsor, Hantsport, Lower Horton, Wolfville, Canning, Kentville, Berwick, Bridgetown, Nov. 10.

IMPORTANT. YARMOUTH, Sept. 29th, 1869.

DR. J. D. DAVIS,—Dear Sir,—A sense of duty, and not the desire of notoriety, impels me to make public the following statement of fact:—

Two years ago I had all the symptoms of Consumption in its advanced stages,—racking coughs, shortness of breath, pain in the lungs, back and shoulders, loss of appetite, and great weakness, being able to sit up only a part of the time. A year ago last winter, I applied to Dr. J. D. Davis, and have been under his treatment the most of the time since. Contrary to the expectations of my friends, I have recovered my health, as those who know me can testify, and do most cheerfully recommend to consumptives a fair trial of Dr. Davis' new treatment of a disease which is one of the most terrible scourges of the human race.

MRS. WILLIAM ALLEN. I the subscriber do hereby certify that Mrs. Allen is a near neighbor to me, that the statement made by her in the above, I know to be strictly true.

A. C. WHITE.

UPPER PORT LATOUR, Sept. 22, 1869.

DR. JOSEPH D. DAVIS,—Dear Sir,—I take great pleasure in informing you that under your treatment I have received much benefit. In the winter of 1867, when I commenced taking your medicine, I had a bad cough, severe pain in my shoulders, and feared that consumption had claimed me for its victim. I took your medicine for about a year regularly, and since occasionally, and do not hesitate to say that my health is better now than it has been for the last ten years and consider it is owing to your treatment and the blessing of God alone that I am alive to-day, and able to look after my family as usual. Hoping that all who are suffering from lung affections will not fail to try your medicine.

I remain, Dear Sir, Yours Respectfully, ELEANOR J. PATTERSON.
