GEORGE TAYLOR, General Superintendent. Railway Office, Halifax, 27th May, 1870. June 1. Im.

Government House, OTTAWA.

Tuesday, 10th day of May, 1870.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

Whereas, it is among other things, in effect enacted by the 58 Sec. of the Act 31 Vic. Chap 6 intitled: "An Act respecting the Customs," that the Importer of Wheat, Maize, or other grain, may grind and pack the same in bond, provided such grinding and packing be done and conducted under such Regulations and Restrictions as the Governor in Council, may from time to time make for this purpose; and that the same Regulations may extend to the substitution of flour and meal in quantities, equivalent to the produce of such Wheat, Maize, or other grain.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Honorable the Minister of Customs, and under the authority aforesaid, has been pleased to order, and it is hereby ordered, that the grinding and packing of wheat, maize, and other grain, in bond shall be done and conducted under the Regulations and Restrictions following, viz:

1st. The Collector of Customs at any Port of Entry, shall receive entries of foreign wheat, maize or other grain, to be ground and packed in bond, for exportation or consumption, and such Collector shall deliver or cause to be delivered such wheat, maize or other grain to be forwarded on to the Port of destination, where may be situated the Mill or Mills at which the said wheat, maize or other grain is to be ground and packed in bond, as by law permitted.

2nd. The wheat, maize or other grain shall be so forwarded under bonds to be taken either by the Collector at the Port of Entry, or by the Collector at the Port of destination, as may best suit the convenience of the Importer, which bonds shall be taken for an amount that will cover the duties chargeable upon the said wheat, maize or other grain, and be conditioned for the due payment of such duties, should such wheat, maize or other grain, or the quantity of flour and meal representing such wheat maize or other grain, go into consumption; or for the due exportation of such wheat, maize or other grain, or the equivalent thereof in flour and meal, and on proof of the payment of such duties, or of the due exportation as aforesaid, within one year from the date of the said Bond or Bonds, the said Bonds shall be duly cancelled; and if such Bonds shall be given at the Port of destination, a certificate of such payment or exportation under the hand of the Collector of Customs of such Port, shall be forwarded to the Collector of the Port of Entry at which such wheat, maize or other grain shall have been imported, or entered for manufacture in Bond.

WM. H. LEE, Clerk Privy Council.

ANILINE DYES IN PACKETS.

THESE dyes were introduced into New Brunswick, a few months ago by J. Chaloner, St. John N. B., and being found to work well have been favorably received by the public. They are as follows:

Magenta or Roseine, Magdala Pink, Crimson, Scarlet, Purple, Blue, Violet, light and deep Yellow, Green, Brown, and Ponceau Scarlet. Green requires pure wool in order to success, part cotton flannel won't take it. Most of them dissolve freely in hot water, others have to be first dissolved in a little spirits, and then added to the boiling-water. Directions go with each packet. They are very easily used, all required is to dissolve the dye in boiling water, and put in the goods. Iron vessels should not be used, a milk dish well heated previous to the operation is the best. Some of these dyes make good Inks viz: Purple, Violet, Blue; Ponceau makes fine Jelly or Syrup coloring, or Red Ink.

J. CHALONER, Druggist, Inventor of this style of 'Aniline' Dyes, Corner of King & Germain Streets, St. John, N. B. March 30. 3m.

Co-Partnership Notice.
