DR. JOSEPH D. DAVIS,-

Dear Sir .- 1 take great pleasure in informing you that under your treatment I have received much benefit. In the winter of 1867, when I commenced taking your medicine, I had a bad cough, severe pain in my shoulders, and feared that consumption had claimed me for its victim. I took your medicine for about a year regularly, and since occasionally, and do not hesitate to say that my health is A Testimony Circular, with the testimony in full better now than it has been for the last ten years and consider it is owing to your treatment and the

JOHN P. MOTT'S CHOCOLATE, BROMA,

AND OTHER COCOA PREPARATIONS.

Approved of and recommended for more than a quarter of a century by the most eminent Physicians in British Nosth America.

TO those who desire the best productions of Cocoa, free from deleterious substances, unsurpassed in quality, and more nutritious than Tea or Coffee, the undersigned offers the above articles,

manufactured by himself. His BROMA, owing to the peculiar process of Manfacture, by which the oil of the nut is completely neutra lize i, while all its virtues are retained, affords, as well to the robust as to invalids and those whose digestion is impaired a delicate and salutary beverage. That its value as an easily digested and highly nutritious article of diet is recognized by the highest medical practitioners in the Dominion, the following testimonials amply demonstrate.

Having tried the Broma made by Mr. John P Mott, of Halifax, N. S., and having been made acquainted with its several ingredients, we are of opinion that it is a combination at once innocent and highly nutritious, not only to persons in health, but also to the weak and debilitated, and that from the facility with which it may be prepared, and the salutary proper-ties of its ingredients, it is a valuable compound, and we cheerfully recommend it to convalescents and all
