

EAGAR'S Peruvian Bitters!

Of Peruvian Bark, Sarsaparilla, Dandelion, Wild Cherry, and other valuable remedies.

AN EXCELLENT TONIC, APPETIZER, AND STIMULANT.

Cures LIVER COMPLAINT, DYSPEPSIA, ACIDITY of the STOMACH, DEBILITY and PAIN in the BACK, RESTORES the VITAL ENERGIES, when exhausted, braces up both the Nervous and Muscular System, PURIFIES the BLOOD, and Restores the Appetite.

Particular attention is called to the fact that the

PERUVIAN BITTERS

are not an Alcoholic preparation, but simply a scientific combination of valuable roots and barks, which purifies the blood and restores the waste, thereby bracing up both the Nervous and Muscular Systems, and giving that permanent HEALTH, STRENGTH and VIGOR, both of mind and body which nature intended man should possess.

This BITTERS is not sold as a specific for every disease, but in cases of GENERAL DEBILITY and its effects, such as Dyspepsia, Loss of Appetite, Weakness of the small of the Back, Weak Memory, Indisposition for Exertion. Sense of Fullness after Eating, &c., caused by anxiety over exertion, mental or bodily, late hours, and excesses of every kind, it has no equal.

Although these BITTERS contain no Alcohol, they will most effectually wean the taste from Stimulants and enable the system to dispense with them at once.

The proprietor, although averse to the practice of puffing any medicine, feels it his duty to give publicity to the following certificates.—Hundreds could be added, but such names as Dr. How, Professor of Chemistry at King's College; Capt. Hardy, R. A.; Mr. Solomon, Lunenburg; a. d. Dudley de Chair, Esq. Halifax, will be sufficient to establish its reputation as a reliable and valuable medicine.

SHELBURNE, April 26, 1870.

DR. JOSEPH D. DAVIS,— Dear Sir: It gives me great pleasure to bear testimony to the wonderful and complete cure your medicines and treatment have effected for me, after having suffered the most severe pain, and been unable to work for over two years, besides losing my eyesight. I am now quite restored to health, able to attend to my business and my eyesight is greatly improved. I attribute this entirely to your medicine, as I had previously consulted many physicians and taken their remedies without any benefit. As you may remember when I first employed you I was at death's door, in the last stage of Consumption, was enormously swelled with dropsy, hardly slept for a fortnight, was extremely weak and no one anticipated my recovery. Should any one doubt this statement I can refer to the Rev. George W. Clark and the Rev. T. Watson Smith, who often visited me during my illness, and you are at liberty to make what use you please of this certificate.

Yours very truly, CHRISTIAN R. BOWER. June 23, 1870. to July 6.

GATES' LIFE OF MAN BITTERS, FROM THE

Roots and Plants of Nova Scotia, FORMERLY MANUFACTURED BY MRS. GATES, OF WILMOT,

WHO was pronounced incurable of Liver Complaint and Dropsy by many skillful physicians; when procuring several receipts from an eminent French physician, she was entirely cured; and afterwards cured hundreds of cases for which at first there seemed to be no hope. We offer these remedies to the public through the persuasion of those who at present consider that they are indebted to them for the preservation of their lives. Many certificates can be given for the cure of the following diseases:— Dropsy, in its worst form; Liver Complaint, Jaundice, Swelling of the Limbs and Face, Asthma, of whatever kind; Dyspepsia, Biliousness, Spitting of Blood, Bronchitis, Sick Headache, Diseases of the Blood, Female Diseases, Running Sores, Rheumatism, Erysipelas.

These Bitters are taken in connection with a Syrup to regulate the bowels and purify the blood. We also prepare a LINIMENT and an OINTMENT for external application when required.

The following certificates describe a few of the astonishing cures which have been made by the use of these remedies:

MIDDLETON, ANNAPOLIS COUNTY. This may certify that I have used Dr. Caleb Gates' FEMALE PREVENTIVE AND LIFE OF MAN BITTERS AND SYRUP. I have been most severely and distressingly troubled with eruptions all over my body and limbs, and I have applied to and employed during my illness five different doctors, and found no relief, but all the time was growing worse. For seven years I was thus afflicted. I itched and smarted beyond endurance, and I was so that it was impossible for me to lay upon my right side for one minute without the greatest difficulty for a number of years, it caused me such shortness of breath and beating of the heart, and immediately upon retiring was constantly troubled with cold chills. I would also have spells of turning dizzy and of being quite blind. I was also cured of the whites. I thus take the utmost pleasure in giving my hearty testimony to the efficacy of the above named medicine, and hope that others who are similarly afflicted may experience by its healing virtues the like blessings.

MRS. MARY ANN DURLING. Sworn to at Middleton this 26th day of May, A. D. 1869 before me, JAS WHEELLOCK, J. P.

C. GATES.— Sir.—I have been using your excellent BITTERS, SYRUP and LINIMENT, and found them to relieve me. About ten months past taken with a violent cough, fever at night, parched lips pain and soreness in my left side, then in my right side, and raising a quantity of blood, and feeling myself drawing near to my end, I wished to go to a physician and be bled, but was persuaded by my husband to take C. Gates' BITTERS. I did so and found myself getting better, the cough ceased, the soreness left my side, and now I have good health; and as I have a feeling for suffering humanity, I think that I should be guilty of base ingratitude if I did not make this known before the public.

Sworn to before me this 24th day of May, 1869. G. B. REID, J. P.

A large number of certificates, similar to the above, have been received and will be published at times for the information of the afflicted and the people generally.

LOUISA GATES. Sworn to before me this 24th day of May, 1869. G. B. REID, J. P.

It is now several years since the invention and application to such instruments of the VOX HUMANA, which was first applied by its inventors, Messrs. Mason & Hamlin, who were the first to introduce it to the public. In its then improved form, they were unwilling to adopt it, as they were unwilling to consider its liability to get out of order, and the expense of repairs. It has since been made in the factory of the MASON & HAMLIN IMPROVED ORGAN COMPANY, and elsewhere, and has at last been eminently successful.

See reduced prices. In connection with the AUTOMATIC BELLOWS SWELL, used ONLY in THESE ORGANS, it wonderfully increases the capacity and beauty of the instrument, imparts delicious qualities of tone, and produces a soft and sweet effect; especially adding to its volume, and increasing the brilliancy of several orchestral instruments. It is simple in construction, free from liability to get out of order, and requires no additional skill for its use, being operated by the ordinary action of the bellows, requiring no separate pedal.
