knowledge of the Government that the Superintendent was engaged in pursuing the enquiry into the management of the School at Arichat, in order to obtain full and reliable information concerning any irregularities which might be found to exist, it is the opinion of this House that the exist, it is the opinion of this House that the Government acted in an irregular manner, by others to lament her early death. Heaven grant us ignoring the outstanding instructions of the Superintendent to the Inspector, and by accepting information from the Hop. Mr. Flynn on which the property of the Superintendent to the Inspector, and by accepting information from the Hop. Mr. Flynn on which the state of the Superintendent is properties. to pronounce that the state of the Schools at Arichat was satisfactory, and that no further

inquiry into their management was necessary.

7. That in view of the foregoing it is the opinion of this House, that the Superintendent of At Yarmouth Education, who for a period of nearly six years, performed the duties of his office with singular ability, efficiency and success, and who has contributed more than any other living man to bring about those results of Free Common School Education, which have attracted the extention which have attracted the extention of the local Acute cation, which have attracted the attention and elicited the admiration of educationists at home and abroad, ought not to have been dismissed for any reasons before this House.

# INTERCOLONIAL RAILWAY.

The Commissioners appointed to construct the Intercolonial Ratiway give Public Notice that they are now prepared to receive tenders for four further Sections of the Line.

Section No. 13 will be in the Province of Quebec, and will extend from the Easterly end of Section No. 8 to Station 900, near Mailfait Lake, about 204 miles,

Section No 14, will be in the Province of Quebec, and will extend from the Easterly end of Section No. 13, to Station 543, a point between the mouth of the River Augul and the little Matapedia Lake, about 224 wiles, in length. Section No. 16 will be in the Province of New Bruns-

wick, and will extend from the Casterly end of Section No 9 to Station No. 139, a point fully halt a mile Easterly from the crossing of the River Nepissi-

guit—length, twelve one tenth miles.

Section No. 16, will be in the Province of New Brunswick, and will extend from the Easterly end of Section No. 15, to the Westerly end of Section No. 10, about 185 miles in length. The contracts for the above sections to be complete-

day of July, 1872. The Commissioners also give Public notice that having annulled the Contracts for Sections Nos 3 and

ly fluished and ready for laying the track by the lat

4, they are now prepared to receive Tenders for reletting the same. Section No. 3 is in the Province of New Brunswick and extends from Station No 370, about two miles South of the Restigouche River to Station No. 190,

about 2,000 feet South of Bel River, near Dalhousie, being a distance of about 24 miles. Section No 4 is in the Province of Nova Scotia, and extends from Station No. 230, on the Amherst Ridge, to Station O, on the Ridge about a mile North of the River Philip, a distance of about 27 miles. The Contrac s for sections Nos. 3 and 4 to be com-

pletely finished and ready for laying the track by the

lat day of July, 1871. Plans and Profiles, with specifications and terms of contract, will be exhibited at the Office of the Chief Engineer in Ottawa ; and at the offices of the Commissioners in Toronto Quebec, Rimouski, Dal-housie, Newcastle, St. John. and Halifax on and after the 10th March next; and Scaled Tenders adtressed to the Commissioners of the Intercolonial Railway, and marked "Tenders" will be received at their office in Ottawa, up to 7 o'clock P M.. on Monday, the 4th day of April, 1870.

Sureties for the completion of the contract will be

required to sign the Tender. A WALSH, ED B. CHANDLER. C. J. BAYDGKS
