SMITH'S

American Organs

are distinguished from all other reed instruments by their

Superior Power, Beautiful Tone, Perfect Action, and Tasteful Exterior.

No other instruments are so carefully "voiced" and tuned; and none can give at once such full and such delicate combinations of tone.

The mechanism is carefully finished under the personal supervision of the proprietors.

For these reasons the AMERICAN ORGAN satisfies the artistic as well as the practical sense.

Those who are looking for musical instruments, should, in justice to themselves, examine this masterpiece.

A THOROUGH COMPARISON IS INVITED, as to all the points of superiority claimed.

An elegantly illustrated Circular, containing descriptions and prices, will be sent, post-paid, on application.

EAGAR'S Peruvian Bitters!

COMPOUND

Of Peruvian Bark, Sarsaparilla, Dandelion, Wild Cherry, and other valuable remedies.

AN EXCELLENT

TONIC, APPETIZER, AND STIMULANT

Cures LIVER COMPLAINT, DYSPEPSIA, ACIDITY of the STOMACH, DEBILITY and PAIN in the BACK, RESTORES the VITAL ENERGIES, when exhausted, braces up both the Nervous and Muscular System, PURIFIES the BLOOD, and Restores the Appetite.

Particular attention is called to the fact that the

PERUVIAN BITTERS

are not an Alcoholic preparation, but simply a scientific combination of valuable Roots and Barks, which purifies the Blood and restores the waste, thereby bracing up both the Nervous and Muscular Systems, and giving that permanent HEALTH, STRENGTH and VIGOR, both of mind and body which nature intended man should possess.

This BITTERS is not sold as a specific for every disease, but in cases of GENERAL DEBILITY and its effects, such as Dyspepsia, Loss of Appetite, Weakness of the small of the Back, Weak Memory, Indisposition for Exertion. Sense of Fullness after Eating, &c., caused by anxiety over exertion, mental or bodily, late hours, and excesses of every kind, it has no equal.

Although these BITTERS contain no Alcohol, they will most effectually wear the taste from Stimulants and enable the system to dispense with them at once.

The proprietor, although averse to the practice of puffing any medicine, feels it his duty to give publicity to the following certificates.—Hundreds could be added, but such names as Dr. How, Professor of Chemistry at King's College; Capt. Hardy, R. A.; Mr. Solomon, Lunenburg; and Dudley de Chair, Esq Halifax, will be sufficient to establish its reputation as a reliable and valuable medicine.

CERTIFICATES:

GATE'S LIFE OF MAN BITTERS,

FROM THE

Roots and Plants of Nova Scotia, FORMERLY MANUFACTURED BY

MRS. GATES, OF WILMOT,

WHO was pronounced incurable of Liver Complaint and Dropsy by many skillful physicians; when procuring several receipts from an eminent French physician, she was entirely cured; and afterwards cured hundreds of cases for which at first there seemed to be no hope. We offer these remedies to the public through the persuasion of those who at present consider that they are indebted to them for the preservation of their lives. Many certificates can be given for the cure of the following diseases:—Dropsy, in its worst form; Liver Complaints, Jaundice, Swelling of the Limbs and Face, Asthma, of whatever kind; Dyspepsia, Biliousness, Spitting of Blood, Bronchitis, Sick Headache, Diseases of the Blood, Female Diseases, Running Sores, Rheumatism, Erysipelas.

These Bitters are taken in connection with a Syrup to regulate the bowels and purify the blood. We also prepare a LINIMENT and an OINTMENT for external application when required.

The following certificates describe a few of the astonishing cures which have been made by these of these remedies: Caleb Gates.—Dear Sir—

Seeing the effect and realizing the comfort from the result of my son's case, I was no longer an unbeliever, my faith in your medicines grew stronger than ever and being almost unable to perform any manual labor at the time, owing to repeated attacks of bilious complaint, of which you are aware, I received some of your excellent preparations, tried them and was in a short time restored to perfect health, well able to perform bodily labor; a good appetite, so much so that now my food tastes to me so sweet and passes off so freely as it did in my boyish days, when youthful vigor knows no care, and the effects of hard labor passed away disregarded; I thought that the days of youth had returned. Therefore I could not see any reason why the glad tidings should not be published for the benefit of my fellow men whereby many a life may be prolonged. The members of my family also received much benefit from your medicines. You are very welcome to this statement of facts, hoping they may be the means of doing good to many others, attended with the blessing of a kind Providence for which I feel grateful.

Yours truly, JAMES PHINNEY.

Wilmot Co. Annapolis, Oct. 29, 1857.

Port George, Sept. 16, 1867,

Dear Sir,—I feel it my duty to render my sincere thanks for the good your medicine has done for me and my family; after suffering for some time with rheumatism, I was taken with a severe pain in my feet, I applied your liniment; took a dose of your Syrup, and put a plaster on my back, and in a few days was entirely free from all rheumatic pains and have not felt them since. Four of my children were taken with the headache and diarrhea. I got a bottle of your syrup and it cured them all in a short time. I would advise all who feel rheumatic pains to try it as I have done.

Yours Truly HENRY W. MARSHALL.

Victoria Street, Dec 23rd. 1858.

This is to certify that I have been afflicted with bilious pains for upwards of thirty years, and could find no relief; in the year 1844 I commenced taking Mrs. E. Gates' medicine, and to my great surprise I found immediate relief in so doing. It has been 15 years since I have taken her medicine and I have not felt the least symptom of the complaint, and I would recommend it to all those afflicted as I have been.

SAMUEL ROWLBY.

A large number of certificates, similar to the above, have been received and will be published at times for the information of the afflicted and the people generally.
