GATES' LIFE OF MAN BITTERS,

FROM THE Roots and Plants of Nova Scotia, FORMERLY MANUFACTURED BY MRS. GATES, OF WILMOT,

WHO was pronounced incurable of Liver Complaint and Dropsy by many skillful physicians; when procuring several receipts from an eminent French physician, she was entirely cured; and afterwards cured hundreds of cases for which at first there seemed to be no hope.

These Bitters are taken in connection with a Syrup to regulate the bowels and purify the blood. We also prepare a LINIMENT and an OINTMENT for external application when required.

FALMOUTH VILLAGE, March 25th, 1870.

DR. GATES. Dear Sir,—I have much pleasure in giving my testimony in favor of your valuable medicines. In the summer of 1868 my health was very poor for a long time—caused by impure blood and diseases in consequence, I found I was daily getting worse, and was recommended to try your medicine—I did so and am happy to say it had the desired effect.

Sworn before me at Falmouth, this 28th day of March, A. D., 1870.

JOHN S. SMITH, J. P. CLARENCE, May 19, 1869.

This is to certify that in the spring of Eighteen Hundred and Sixty Eight I was troubled with an infectious disease on my lungs, so much so that I was unable to speak above a whisper; by taking a few doses of Mr. Caleb Gates' Invigorating Syrup I was restored to perfect speech, in the short time of three days from the first dose.

This I am prepared to go before a Justice of the Peace and certify to the above.

A large number of certificates, similar to the above, have been received and will be published at times for the information of the afflicted and the people generally.

EAGAR'S Peruvian Bitters!

COMPOUND Of Peruvian Bark, Sarsaparilla, Dandelion, Wild Cherry, and other valuable remedies.

AN EXCELLENT TONIC, APPETIZER, AND STIMULANT.

Cures LIVER COMPLAINT, DYSPEPSIA, ACIDITY OF THE STOMACH, DEBILITY AND PAIN IN THE BACK, RESTORES THE VITAL ENERGIES, when exhausted, braces up both the Nervous and Muscular System, PURIFIES the BLOOD, and Restores the Appetite.

Particular attention is called to the fact that the

PERUVIAN BITTERS

are not an Alcoholic preparation, but simply a scientific combination of valuable Roots and Barks, which purifies the Blood and restores the waste, thereby bracing up both the Nervous and Muscular Systems, and giving that permanent HEALTH, STRENGTH and VIGOR, both of mind and body which nature intended man should possess.

This BITTERS is not sold as a specific for every disease, but in cases of GENERAL DEBILITY and its effects, such as Dyspepsia, Loss of Appetite, Weakness of the small of the Back, Weak Memory, Indisposition for Exertion, Sense of Fullness after Eating, &c., caused by anxiety over exertion, mental or bodily, late hours, and excesses of every kind, it has no equal.

Although these BITTERS contain no Alcohol, they will most effectually wear the taste from Stimulants and enable the system to dispense with them at once.

The Proprietor, although averse to the practice of puffing any medicine, feels his duty to give publicity to the following certificates.—Hundreds could be added, but such names as Dr. How, Professor of Chemistry at King's College; Capt. Hardy, R. A.; Mr. Solomon, Lunenburg; and Dudley de Chair, Esq. Halifax, will be sufficient to establish its reputation as a reliable and valuable medicine.

CERTIFICATES:

I have found Mr. Eggar's PERUVIAN BITTERS beneficial to myself and in my family, and have heard of their being used with good effect in another case in Windsor. Signed, HENRY HOW, D. C. L. King's College, Windsor.

DR. DAVIS'S MEDICINES.

Liverpool, October 27, 1867.

Early in the Spring of 1861, I with others of the family, had Diphtheria. I got over the Diphtheria, as the rest of the family did; but after that, Consumption took hold of me, I grew worse all Summer till the month of December, when my physician told my mother that he could do no more for me, I hourly expected to die. My grave clothes were prepared. I was so weak that I could not raise my hand to my head, I was nothing but skin and bones. I had a very bad cough, raised a great deal of corruption; my cheeks had hectic spots in them by spells. I had no appetite, I expected to die, when Dr. Davis was called. I heard my friends say that they thought I should die that night. In one week after I commenced trying Dr. Davis's medicine, my cough and my appetite were better—in two weeks very much so—and I got a good appetite in four weeks. I did not cough any more, and my mother said I ate sharply all I could get. I gained strength and flesh very fast; and before spring I was as well as ever, and have been well ever since; and have worked hard most of the time since. I am now in Liverpool, N. S., well and hearty, and ready to testify to the above.

SOPHRONIA HARDING.

Ohio near SHELBURNE, N. S. 167.

To DR. JOSEPH D. DAVIS—DEAR SIR—I long since thought of writing you as I promised, thanking you for your kindness to me during my illness at Locke's Island in 1852. Had it not been for your skillful medical treatment at that time, I certainly should have died. Consumption had laid its fatal grasp upon me; for weeks I was in the greatest distress, not able for days to lie down, and occasionally raising and coughing. I thought that no power on earth could cure me, but through your Homoeopathic treatment, and the interposition of a kind Providence I am fully restored to health and have for the last three years been able to attend to my household duties, and am comparatively in perfect health.

Wishing you every success and the blessing of God.

I remain yours truly, BERTHA BOWERS.

LIVERPOOL, N. S., December 2nd, 1867.

I feel it a duty I owe to suffering humanity, to make public that I have been cured of the consumption by Dr. Joseph D. Davis' treatment, after trying other doctors and other medicines. In the winter of 1832 I was taken with a bad cough, pain in my side and chest, with occasionally spitting of blood; had pain through my shoulders and back. I lost flesh very pale and weak, short breath, and feelings which none but consumptives know. I and my friends thought that Consumption had indeed laid its fatal grasp upon me. I put myself under Dr. J. D. Davis' treatment, and in a few months was cured, have been well ever since, and never enjoyed better health than the past summer. I would advise all consumptives to apply immediately to Dr. Davis, for I am confident you will never regret it. It is useless for me to say more. Try the Homoeopathic or Dr. Davis' treatment for yourselves.

ANNE HOGG.

We, the parents of Annie Hogg, fully concur in the above statement.

E. M. CHESLEY. BENJ. CHESLEY.

YARMOUTH, SEPT. 29th, 1869.

DR. J. D. DAVIS.

Dear Sir.—A sense of duty, and not the desire of notoriety, impels me to make public the following statements of facts—

Two years ago I had all the symptoms of consumption in its advanced stages,—racking coughs, shortness of breath, pain in the lungs, back and shoulders, loss of appetite, and great weakness, being able to sit up only a part of the time. A year ago last winter, I applied to Dr. J. D. Davis, and have been under his treatment the most of the time since. Contrary to the expectations of my friends, I have recovered my health as those who know me can testify, and do most cheerfully recommend to consumptives a fair trial of Dr. Davis' new treatment of a disease which is one the most terrible scourges of the human race.

MRS. WILLIAM ALLEN.

I the subscriber do hereby certify that Mrs. Allen is a near neighbor to me, that the statement made by her in the above, I know to be strictly true.

A. C. WHITE.

Upper Port Latour, Sept. 22, 1867.

JOSEPH D. DAVIS.

Dear Sir,—I take great pleasure in informing you that under your treatment I have received much benefit. In the winter of 1867, when I commenced taking your medicine, I had a bad cough, severe pain in my shoulders, and feared that consumption had claimed me for its victim. I took your medicine for about a year regularly, and since occasionally, and do not hesitate to say that my health is better now than it has been for the last ten years, and consider it is owing to your treatment and the blessing of God alone that I am alive to day, and able to look after my family as usual. Hoping that all who are suffering from lung affections will not fail to try your medicines.

Yours Respectfully, ELEANOR J. PATTERSON.
