

At the late meeting of the Board of Health twenty-one cases of small-pox were reported in the hospital.

BODY FOUND.—The body of a man, supposed to be that of young Wooster, of Granville, who was missed from the schooner Alice T. at St. John recently, was found in the St. John harbor on Sunday evening.

WARM.—On Monday last the thermometer stood at 85° in the shade, and at 108° in the sun.

AN ACCIDENT to the machinery of one of the Dartmouth steamboats has rendered it necessary to discontinue the pleasure trips to Sackville.

BRITISH TEMPLARS.—The following officers for the ensuing year were elected at the annual session of the Grand Lodge of British Templars, held in Paradise, Annapolis Co. last week:

The next session was appointed to be held at Sydney, C. B., on the first Tuesday of July, 1871, commencing at 7 o'clock, p. m.

The Most Worthy Grand Lodge, comprising all the Provinces, will meet at Woodstock, N. B., the last Tuesday of August, 1870, at 7 o'clock, p. m., to which the following representatives were elected:

LARGE CATCH OF SHAD.—During the past fortnight the fishermen at Scots Bay, in this county, have been very successful. On the 5th inst., 40,000 shad were taken from one net, and 10,000 from another. On the 6th inst., 80,000 were taken from two nets. These 'hauls' are the largest ever taken at that fishing station. The fish taken on those two days were worth \$48,000 on the beach, and after they were cured would bring \$72,000.—Star.

OLDHAM.—Four persons named Richard and Wm. Conroy and Richard and Flora Duggan were arrested on Friday last, on suspicion of having stolen gold-bearing quartz from the sterling Gold-mining company. A quantity of quartz valued at about \$50.00 was found concealed in a bed occupied by Flora McDonald and Mrs. Clark, who kept the house at which they boarded. Mrs. C. has absconded.

THE ORANGEMEN OF NOVA SCOTIA had a general gathering at Windsor on Tuesday last. It is said there were upwards of one thousand persons in the procession.

SPONTANEOUS COMBUSTION.—The schooner Harriet Jane lying at Young and Hart's Wharf was discovered on Wednesday last, to be on fire. It was soon extinguished, and found to have originated in a bundle of oil cloths. Loss about \$100. (Query. Were there no matches in the bundle?)

PUBLIC-HOUSES WITHOUT THE DRINK are being established in the neighbourhood of manufacturing towns of England. One at Chapeltown is described by the Leeds Mercury as

A public-house without the drink, Where men may sit, read, talk, and think, Then safely home return.

The taproom and inner parlour are supplied with daily papers and monthly periodicals, while the large club room upstairs is admirably adapted for meetings of various kinds which may be held in connection with the place. Clubs and sick societies can here be accommodated without the necessity of "drinking for the good of the house."

ANNAPOLIS CO.—The Bridgetown Free Press says: The rain of Friday last occasioned a freshet in several parts of Annapolis County, which swept away some bridges and mill dams, besides causing considerable damage to the growing crops.

HAWKSBURY is destined to become a thriving town on the Strait of Canso. A Bazaar recently held there realized \$230 towards the erection of a Baptist parsonage.

We perceive that a large number of building lots are to be sold there next month. A certain provision is to be made in the conveying of this property, which we believe, will eventually add largely to the value of the whole.

A FISH STORY.—A codfish caught off Portsmouth Harbor, on being dressed on Saturday, was found to contain a pint champagne bottle, in an entire state.

CUMBERLAND COUNTY ELECTION came off on Friday last. Hon. Dr. Tupper was proposed by Hon. A. McFarlane, and seconded by Daniel Pugeley, Esq., after which Dr. Tupper spoke with more than his usual brilliancy and effect; and as there was no other candidate he was declared elected. The honorable gentlemen have returned to the city, but is still suffering somewhat from having sprained his ankle at Amherst.

A fact worth remembering—Five cents worth of "Sheridan's Cavalry Condition Powders," given to a horse twice a week, will save double that amount in grain, and the horse will be fatter sleeker, and every way worth more money than though he did not have them.

Married ladies, under all circumstances, will find "Parsons' Purgative Pills" safe; and, in small doses, a mild cathartic. They cause no griping pains or cramp.
