DR. JOSEPH D. DAVIS .-Dear Sir: It gives me great pleasure to bear testimony to the wonderful and complete cure your medicines and treatment have effected for me, after having suffered the most severe pain, and been unable to work for over two years, besides losing my eyesight I am now quite restored to health, able to attend to my business and my eyesight is greatly improved. I att-ibute this entirely to your medicine, as I had previously consulted many physicians and taken their remedies without any benefit. As you may remember when I first employed you I was at death's door, in the last stage of Consumption, was enormously swelled with dropsy, hardly slept for a fortnight, was extremely weak and no one anticipated my recovery. Should any one doubt this statement I can refer to the Rev. George W. Clark and the Rov. T. Watson Smith, who often visited me during my illness, and you are at liberty to make what use you please of this certificate.

Yours very truly, CHRISTIAN R. BOWER.

FROM THE

Roots and Plants of Nova Scotia, FORMERLY MANUFACTURED BY

MRS. GATES, OF WILMOT,

WHO was pronounced incurable of Liver Complaint and Dropsy by many skilful physicians; when procuring several receipts from an eminent grench physician, she was entirely cured; and afterwards cured hundreds of cases for which at first there seemed to be no hope. We offer these first there seemed to be no hope. We offer these remedies to the public through the persuasion of those who at present consider that they are indebted to them for the preservation of their lives. Many certificates can be given for the cure of the following diseases:—Dropsy, in its worst form; Liver Complaint, Jaundice, Swelling of the Limbs and Face, Asthma, of whatever kind; Dyspepsia, Billiousness, Spitting of Blood, Bronchitis, Sick Headache, Diseases of the Blood Female Diseases, Running Sores, Rheumatism, Erusinglas. Rheumatism, Erysipelas.

These Bitters are taken in connection with a Syrup to regulate the bowels and purify the blood. We also prepare a LINIMENT and an OINTMENT for external application when required.

The following certificates describe a few of the astonishing cures which have been made by the use of these remedies :

Caleb Gates .- Dear Sir-Seeing the eff et and realizing the comfort from the result of my son's case, I was no longer an unbeliever, my faith in your medicines gree stronger than ever and being almost unable to perform any manual labor at the time, owing to repeated attacks of billious complaint, of which you are aware, I received some of your excellent preparations, tried them and was in a short' time restored to perfect health, well able to perform bodily labor; a good appetite, so much so that now my food tastes to me so sweet and passes off so freely as it did in my boyish days, when youthful vigor knows no care, and the effects of hard labor passed away disregarded; I thought that the days of youth had returned. Therefore I could not see any reason why the glad tidi gs should not be published for the benefit of my fellow nea whereby many a life may be polonged. The members of my family also received much benefit from your medicines. You are very welcome to this \*tatement of facts, hoping they may be the means of toing good to many others, attended with the blessing of a kind Providence for which I feel grateful

JAMES PHINNEY. Wilmot Co. Annapolis, Oct. 29, 1857.

Port George, Sept, 16, 1467,

CALEB GATES-Dear Si .... I feel it my duty to render my sincere thanks for the good your medicine has done for me and my family; after suffering for some time with rheumatism, I was taken with a sovere pain in my feet, I applied your liniment; took a dose of your Syrup, and put a plaster on my back, and in a few days was entirely free from all rheumatic pains and have not felt them since. Four of my children were taken with the headache and diarrhea. I got a bottle of your syrup and it cured them all in a short time. I would advise all who feel rheumatic pains to try it as I have done. Yours Truly

HENRY W. MARSHALL.

Victoria Street, Dec 23rd. 1858, This is to certify that I have been afflicted with billious pains for upwards of thirty years, and could find no retief; in the year 1844 I commenced taking Mrs. E. Gates' medicine, and to my great suprise I found immediate relief in so doing. It has been 15 years since I have taken her medicine and I have not felt the least sympton of the complaint, and I would recommend it to all those afflicted as I have
