ANILINE DYES IN PACKETS.

THESE dyes were introduced into New Brunswick, a few months ago by J. Chaloner, St. John N. B., and being found to work well have been favorably received by the public. They are as follows:

Magenta or Rose-shine, Magdala Pink, Crimson, Scarlet, Purple, Blue, Violet, light and deep Yellow, Green, Brown, and Ponceau Scarlet. Green requires pure wool in order to succeed, but cotton flannel will take it. Most of them dissolve freely in hot water, others have to be first dissolved in a little spirits and then added to the boiling water. Directions go with each packet. They are very easily used, all required is to dissolve the dye in boiling water, and put in the goods. Iron vessels should not be used, a milk dish well heated previous to the operation is the best. Some of these dyes make goodinks viz: Purple, Violet, Blue; Ponceau makes fine Jolly or Syrup coloring, or tied ink.

DR. DAVIS'S MEDICIN S.

Liverpool, October 27, 1867. Early in the Spring of 1861 I with others of the family, had Diphtheria. I got over the Diphtheria, as the rest of the family did; but after that, Consumption took hold of me, I grew worse all summer till the month of December, when my physician told my mother that he could do no more for me, I hourly expected to die. My grave clothes were prepared. I was so weak that I could not raise my hand to my head, I was nothing but skin and bones. I had a very bad cough, raised a great deal of corruption; my chest had hectic spots in them by spells. I had no appetite, I expected to die, when Dr. Davis was called. I heard my friends say that they thought I should die that night. In one week after I commenced trying Dr. Davis's medicine, my cough and my appetite were better—in two weeks very much so—and I got a good appetite in four weeks. I did not cough any more, and my mother said I ate sharply all I could get. I gained strength and flesh very fast; and before spring I was as well as ever, and have been well ever since; and now have worked hard most of the time since I am now in Liverpool N. S., well and hearty, and ready to testify to the above.

SOPHONIA HARDING.

OHIO near SHELBURNE, N. S. 167.

To DR. JOSEPH D. DAVIS—DEAR SIR:—I long since thought of writing you as I promised, thanking you for your kindness to me during my illness at Locke's Island in 1852. Had it not been for your skillful medical treatment at that time, I certainly should have died. Consumption had laid its fatal grasp upon me; for weeks I was in the greatest distress, not able for days to lie down, and continually raising and coughing. I thought that no power on earth could cure me, but through your Homoeopathic treatment, and the interposition of a kind Providence I am fully restored to health and have for the last three years been able to attend to my household duties, and am comparatively in perfect health.

Wishing you every success and the blessing of God. I remain yours truly, BERTHA BOWERS.

LIVERPOOL, N. S., December 2nd, 1867.

I feel it my duty to suffering humanity, to make public that I have been cured of the consumption by Dr. Joseph D. Davis's treatment, after trying other doctors and other medicine. In the winter of 1852 I was taken with a bad cough, pain in my side and chest, with occasionally spitting of blood; had pain through my shoulders and back. I lost flesh very pale and weak, short breathed; feelings which none but consumptives know. I and my friends thought that Consumption had indeed laid its fatal grasp upon me. I put myself under Dr. J. D. Davis's treatment, and in a few months was cured. I have been well ever since, and never enjoyed better health than the past summer. I would advise all consumptives to apply immediately to Dr. Davis, for I am confident you will never regret it. It is useless for me to say more. Try the Homoeopathic or Dr. Davis treatment for yourselves.

ANNIE HOGG. We, the parents of Annie Hogg, fully concur in the above statement. E. M. CHESLEY, BENJ. CHESLEY.

YARMOUTH, Sept. 29th, 1869.

DR. J. D. DAVIS,—Dear Sir—A sense of duty, and not the desire of notoriety, impels me to make public the following statements of facts:—

Two years ago I had all the symptoms of consumption in its advanced stages—racking coughs, shortness of breath pain in the lungs, back and shoulders, loss of appetite, and great weakness, being able to sit up only a part of the time. A year ago last winter, I applied to Dr. J. D. Davis, and have been under his treatment the most of the time since. Contrary to the expectations of my friends I have recovered my health as those who know me can testify, and do most cheerfully recommend to consumptives a fair trial of Dr. Davis's new treatment of a disease which is one of the most terrible scourges of the human race.

Mrs. WILLIAM ALLEN. I the subscriber do hereby certify that Mrs. Allen is a near neighbor to me, that the statement made by her in the above, I know to be strictly true. A. O. WHITE.

UPPER PORT LATOUR, Sept. 22, 1867.

DR. JOSEPH D. DAVIS,—Dear Sir,—I take great pleasure in informing you that under your treatment I have received much benefit. In the winter of 1867 when I commenced taking your medicine, I had a bad cough, severe pain in my shoulders, and feared that consumption had claimed me for its victim. I took your medicine for about a year regularly, and since occasionally, and do not hesitate to say that my health is better now than it has been for the last ten years, and consider it is owing to your treatment and the blessing of God alone that I am alive to day, and able to look after my family as usual. Hoping that all who are suffering from lung affections will not fail to try your medicines. Yours Respectfully, ELEANOR PATTERSON.

GATES' LIFE OF MAN BITTERS, FROM THE ROOTS and Plants of Nova Scotia, FORMERLY MANUFACTURED BY MRS. GATES, OF WILMOT,

WHO was pronounced incurable of Liver Complaint and Dropsy by many skillful physicians; when procuring several receipts from an eminent French physician she was entirely cured; and afterwards cured hundreds of cases for which at first there seemed to be no hope. We offer these remedies to the public through the persuasion of those who at present consider that they are indebted to them for the preservation of their lives. Many certificates can be given for the cure of the following diseases:—Dropsy, in its worst form; Liver Complaint, Jaundice, Swelling of the Limbs and Face, Asthma, of whatever kind; Dyspepsia, Biliousness, Spitting of Blood—Bronchitis, Sick Headache, Diseases of the Blood, Female Diseases, Running Sores, Rheumatism, Erysipelas.

These Bitters are taken in connection with a Syrup to regulate the bowels and purify the blood. We also prepare a LINIMENT and an OINTMENT for external application when required. The following certificates describe a few of the astonishing cures which have been made by these cures of these remedies:

CORNWALLIS, March 23rd, 1870.

CALEB GATES, Esq., Dear Sir.—I feel it my duty to send you the following information, both from a gratitude to you; and for the benefit of those suffering as I was in the winter of 1865. I was taken sick with Jaundice. I was recommended to take such a medicine and I would soon be well. I took almost everything that was recommended but grew worse. In Feb. of 1865, I was confined to my bed, then the physician was sent for he gave me some medicine and said I would come round soon, but I still grew worse, and soon was almost helpless—the case grew more serious and the Dr. said it was chronic liver complaint. It would be impossible for me to describe my suffering for 7 months. Many a time I prayed to die. I became a skeleton, no living being could be more so—every thing that medical skill could do was done—to no purpose, at last the Dr. said he could do no more, my case was beyond reach—the neighbors and friends came in to see me die weeping at the bedside nothing to look for but death. I had read in the Western News of a lady getting cured of the liver complaint by using Gates' medicines. I told mother I wanted my husband to go and get some. He immediately went and procured the medicines and I commenced to take them for 3 or 4 weeks. I vomited most constantly and then the vomiting ceased. I soon began to feel better. My spasms less severe and not so often—in about 8 months I could stand on my feet and walk a few steps. I gained strength quite fast and am now able to do considerable work, my appetite is good, sleep well and feel well for which I feel devoutly thankful to God. And I think I would be doing you injustice if I did not send you this certificate.

MRS. MATILDA ROCKWELL. Personally appeared before me and maketh oath to the above certificate.

ALBERT BECKWITH, J. P. Upper Dyke Village, Cornwallis, March 24, 1870.

A large number of certificates, similar to the above, have been received and will be published at times for the information of the afflicted and the people generally.
