DR. JOSEPH D. DAVIS,

I AS, after years of patient study and prac-I tical experiments, proved to every candid observer of his treatment that

CONSUMPTION,

even in advanced stages may be cured. Morbid anatomy has demonstrated that Tubercles degenerate and become abortive, and ulceration of the lungs do heal, nearly 30 per cent of the deaths in Nova Scotia, New Brunswick, and the New England States

CONSUMPTION.

We know that Peruvian Bark flourishes in a region infested with fevers, for which it is extensively used as an indispensable remedy. As an antidote for the bites of snakes, the Indians apply the herbs growing

The Dr. argues that the remedy for Consumption grows abund intly in our midst. He uses the Medi-

eine prepared by hunself. After spending the last year in the United States pursuing his Medical investigations he has returned to Nova Spotia determined to give those afflicted with

CCCOA PREPARATIONS. than a quarter of a century by the most

America. 10 those who desire the best productions of Cocoa, free from deleterious substances, unsurpassed in quality, and more nutritious than l'ea or Coffee, the undersigned offers the above articles, manufastured by himself.

His BROMA, owing to the peculiar process of Manfacture, by which the oil of the nut is completely neutra lize t, while all its virtues are retained, afford, as well to the robust as to invalids and those whose digestion is impaired a delicate and salutary beverage, That its value as a : easily digested and highly nutrittons article of diet is recognized by the highest medical practitioners in the cominion, the following testimonia s amply demonstrate.

JOHN P. MOTT. Having tried the Broma made by Mr. John P Mott of Halifax, N. S. and having been made acquainted with its several ingredients, we are of opinion that it is a combination at once innocent and highly nutritious, not only to persons in health, but also to the weak and debilitated, and that from the facility with which it may be prepared and the salutary properties of its ingredients, it is a valuable compound, and we obserfully recommand it to convalescents and all who require a mild and strengthening food W B Shaytor M.D., M
