DR. JOSEPH D. DAVIS,-Dear Sir: It gives me great pleasure to bear testimony to the wonderful and complete cure your medicines and treatment have effected for me, after having suffered the most severe pain, and been unable to work for over two years, besides losing my eyesight. I am now quite restored to health, able to attend to my business and my eyesight is greatly improved. I attribute this entirely to your medicine, as I had previously consulted many physicians and taken their remedies without any benefit. As you may remember when I first employed you I was at death's door, in the last stage of Consumption, was enormously swelled with dropsy, hardly slept for a fortnight, was extremely weak and no one anticipated my recovery. Should any one doubt this statement I can refer to the Rev. George W. Clark and the Rev. T. Watson Smith, who often visited me during my illness, and you are at liberty to make what use you please of this certificate.

Yours very truly, CHRISTIAN R. BOWER. June 23, 1870. July 6.
