EPHRAIM WRIGHT.

Sept. 21.

THE SUBSCRIBER offers for sale all that very valuable property in Brunswick Street nearly opposite the Wesleyan Church. The Lot on Brunswick Street measures nearly

EIGHTY FEET BY ONE HUNDRED FEET in depth. Also in connection therewith, that spacious Lot about

One Hundred and Twenty Feet square, two lots together making a depth of

Two Hundred and Forty Feet.

On the last named lot stands the old SUGAR REFINERY, the roof of which was shingled last Fall. The Building contains two large rooms about fifty feet by thirty feet (and over fifteen feet in height), a good Loft, and a cellar under the whole. The frame is extra strong, and brick nogged. This building would answer for many purposes—For a HALL or LECTURE ROOMS, or for a FOUNDRY and MACHINE SHOP, or for any kind of Factory, as there is ample room for conducting business on a large scale.

A MARKET,

as the city is expanding on every side, and will in a very short time have at least 100,000 inhabitants. A better site for a CENTRAL MARKET cannot be obtained. Ample room for all kinds of produce.

FOR A HAYMARKET, CATTLE STANDS, &c. and if more land is required will sell those properties adjoining, opening up into Maitland Street.

SMITH'S

American Organs

are distinguished from all other reed instruments by their

Superior Power, Beautiful Tone, Perfect Action, and Tasteful Exterior.

No other instruments are so carefully "voiced" and tuned; and none can give at once such full and such delicate combinations of tone. Their sub-bass, in particular, whether manual or pedal, is unapproachable.

The mechanism is carefully finished under the personal supervision of the proprietors.

For these reasons the AMERICAN ORGAN satisfies the artistic as well as the practical sense.

Those who are looking for musical instruments, should, in justice to themselves, examine this masterpiece.

A THOROUGH COMPARISON IS INVITED, as to all the points of superiority claimed.

*An elegantly illustrated Circular, containing descriptions and prices, will be sent, post-paid, on application.

GATES'

LIFE OF MAN BITTERS,

FROM THE

Roots and Plants of Nova Scotia,

FORMERLY MANUFACTURED BY

MRS. GATES, OF WILMOT,

WHO was pronounced incurable of Liver Complaint and Dropsy by many skillful physicians; when procuring several receipts from an eminent French physician, she was entirely cured; and afterwards cured hundreds of cases for which at first there seemed to be no hope. We offer these remedies to the public through the persuasion of those who at present consider that they are indebted to them for the preservation of their lives. Many certificates can be given for the cure of the following diseases:—Dropsy, in its worst form; Liver Complaint, Jaundice, Swelling of the Limbs and Face, Asthma, of whatever kind; Dyspepsia, Biliouness, Spitting of Blood, Bronchitis, Sick Headache, Diseases of the Blood, Female Diseases, Running Sores, Rheumatism, Erysipelas.

These Bitters are taken in connection with a Syrup to regulate the bowels and purify the blood. We also prepare a LINIMENT and an OINTMENT for external application when required.

The following certificates describe a few of the astonishing cures which have been made by the use of these remedies:

Caleb Gates.—Dear Sir— Seeing the effect and realizing the comfort from the result of my son's case, I was no longer an unbeliever, my faith in your medicines grew stronger than ever and being almost unable to perform any manual labor at the time, owing to repeated attacks of bilious complaint, of which you are aware, I received some of your excellent preparations, tried them and was in a short time restored to perfect health, well able to perform bodily labor; a good appetite, so much so that now my food tastes to me so sweet and passes off so freely as it did in my boyish days, when youthful vigor knows no care, and the effects of hard labor passed away disregarded; I thought that the days of youth had returned. Therefore I could not see any reason why the glad tidings should not be published for the benefit of my fellow men whereby many a life may be prolonged. The members of my family also received much benefit from your medicines. You are very welcome to this statement of facts, hoping they may be the means of doing good to many others, attended with the blessing of a kind Providence for which I feel grateful.

Yours truly,

JAMES PHINNEY.

Wilmot Co. Annapolis, Oct. 29, 1857.

Port George, Sept. 16, 1867.

Caleb Gates.— Dear Sir.— I feel it my duty to render my sincere thanks for the good your medicine has done for me and my family; after suffering for some time with rheumatism, I was taken with a severe pain in my feet, I applied your liniment; took a dose of your Syrup, and put a plaster on my back, and in a few days was entirely free from all rheumatic pains and have not felt them since. Four of my children were taken with the headache and diarrhoea. I got a bottle of your syrup and it cured them all in a short time. I would advise all who feel rheumatic pains to try it as I have done.

Yours Truly

HENRY W. MARSHALL.

Victoria Street, Dec 23rd. 1858.

This is to certify that I have been afflicted with bilious pains for upwards of thirty years, and could find no relief; in the year 1844 I commenced taking Mrs. E. Gates' medicine, and to my great surprise I found immediate relief in so doing. It has been 15 years since I have taken her medicine and I have not felt the least symptom of the complaint, and I would recommend it to all those afflicted as I have been.

SAMUEL ROWLEY.

A large number of certificates, similar to the above, have been received and will be published at times for the information of the afflicted and the people generally.

DR. JOSEPH D. DAVIS

WOULD inform the public that after thirty years of study, investigation and practical experimenting concerning that terrible disease

CONSUMPTION,

And the diseases of the anterior and posterior nares, throat, bronchia, lung, heart, liver, kidneys, and uterus, and twenty years spent in investigating, experimenting and proving, with the medicinal and therapeutic properties of the roots, barks, plants and shrubs, indigenous to Massachusetts, Maine, New Brunswick and Nova Scotia,—he has discovered new remedies, and new modes of treatment, for Consumption, not previously known to Medical Science; and with the large number of cases treated, relieved and cured during the past ten years, in Maine, Massachusetts and in different sections of Nova Scotia, has proved, beyond the shadow of a doubt, that Consumption, very often in its advanced stages, with his medicines and mode of treatment, can be cured.

He has, at great expense, procured from London, Paris, Vienna and the United States, the finest and most delicate instruments to enable him to thoroughly diagnose diseases.

THE MICROSCOPE for testing the impurities of the blood, urine, mucous expectoration of the lungs, &c., &c.

THE STETHOSCOPE for diseases of the chest and lungs.

THE SPHYGMOSCOPE for estimating the force and character of the pulse.

THE LARYNGOSCOPE for ailments of the throat.

THE RHINOSCOPE for diseases of the nasal passages.

THE OPHTHALMOSCOPE for the eye.

THE OTTOSCOPE for the ear.

THE ENDOSCOPE for uterine investigations.

THE SPYGMOGRAPH for ascertaining the action and the diseases of the heart.

THE ELECTRO MEDICAL INSTRUMENT for examining the Liver and Kidneys.

ABDOMINAL SPINAL AND SHOULDER BRACES, abdominal Supporters, Trusses and Chest Expanders of various kinds.

SHELBURNE, April 26, 1870.

DR. JOSEPH D. DAVIS,—

Dear Sir: It gives me great pleasure to bear testimony to the wonderful and complete cure your medicines and treatment have effected for me, after having suffered the most severe pain, and been unable to work for over two years, besides losing my eyesight. I am now quite restored to health, able to attend to my business and my eyesight is greatly improved. I attribute this entirely to your medicine, as I had previously consulted many physicians and taken their remedies without any benefit. As you may remember when I first employed you I was at death's door, in the last stage of Consumption, was enormously swelled with dropsy, hardly slept for a fortnight, was extremely weak and no one anticipated my recovery. Should any one doubt this statement I can refer to the Rev. George W. Clark and the Rev. T. Watson Smith, who often visited me during my illness, and you are at liberty to make what use you please of this certificate.

Yours very truly,

CHRISTIAN R. BOWEN.
