

Rev. Wheaton Smith, D.D., of Philadelphia, preached a most impressive sermon in the Granville Street Church on the evening of last Lord's Day.

The entire change from pastoral life in a large city to that of camping out in our woods on a moose-hunting expedition, and spending days and nights in the open air, must prove highly invigorating and beneficial.

We beg to remind our friends who have not yet made their remittances, that we are in great need of all amounts due, to meet the pressing claims of our office.

DIGNY.—Mr. J. A. Durkee a student from Acadia College and licentiate from Yarmouth, has been laboring very acceptably at this place during the summer.

We are glad to welcome an accession of even one minister in return for several taken away by the other provinces.—We hope that he may be abundantly blessed in his labors.

It is due to "Philo" to say that his letter to which that of "Laicus" is a reply, came to hand whilst we were away from home, or it would have appeared a week earlier; and further, that a request was made by him subsequently that it might be withheld from publication, but we regret that his request was not received until after that portion of the paper in which it appeared had been printed.

We have received a letter from Rev. W. George, dated Henthada, British Burmah, July 8th, 1870. Also one from Rev. A. R. R. Crawley, of subsequent date to the one in our present issue.

"EVERY SATURDAY" for September 10, is one of the handsomest Illustrated Papers ever issued. It contains several European War Pictures. It has, besides, fine portraits of Mademoiselle Sessi and Geo. W. Childs of the Philadelphia Ledger.

"OLD AND NEW" FOR SEPTEMBER, a fine well-filled monthly magazine, has the following table of contents:—

Old and New; Bryant's Iliad, J. B. Thayer; Childless, Mrs. Sarah W. Hatch; John Whopper the Newsboy, (Chap. III); Our Oldest Fortress; The Seed, R. S. P.; Paraguay, Porter C. ACADIA COLLEGE.

The Rev. J. E. Balcom has entered upon an agency in behalf of the above Institution. He intends visiting the Churches for this object during the ensuing financial year. The services of Bro. Balcom are given gratuitously, and it is hoped that the spirit of whole-hearted generosity with which he has thus consecrated himself to the work, will be met by a similar disposition on the part of those, to whom his appeals are made.

EIGHTY FEET BY ONE HUNDRED FEET in depth. Also in connection therewith, that spacious Lot about

One Hundred and Twenty Feet square, two lots together making a depth of

Two Hundred and Forty Feet. On the last named lot stands the old SUGAR REFINERY, the roof of which was shingled last Fall. The Building contains two large rooms about fifty feet by thirty feet (and over fifteen feet in height), a good Loft, and a cellar under the whole. The frame is extra strong, and brick nogged. This building would answer for many purposes—For a HALL or LECTURE ROOMS, or for a FOUNDRY and MACHINE SHOP, or for any kind of Factory, as there is ample room for conducting business in a large scale.

SHELBURNE, April 26, 1870.

DR. JOSEPH D. DAVIS.

Dear Sir: It gives me great pleasure to bear testimony to the wonderful and complete cure your medicines and treatment have effected for me, after having suffered the most severe pain, and been unable to work for over two years, besides losing my eyesight. I am now quite restored to health, able to attend to my business and my eyesight is greatly improved. I attribute this entirely to your medicine, as I had previously consulted many physicians and taken their remedies without any benefit. As you may remember when I first employed you I was at death's door, in the last stage of Consumption, was enormously swelled with dropsy, hardly slept for a fortnight, was extremely weak and no one anticipated my recovery. Should any one doubt this statement I can refer to the Rev. George W. Clark and the Rev. T. Watson Smith, who often visited me during my illness, and you are at liberty to make what use you please of this certificate.

Yours very truly, CHRISTIAN R. BOWEN. June 23, 1870. M July 6.
