THAT LINE FENCE.

Old farmer Smith came home in a miff From his field the other day...

And ever anon a gay little song With the buzz of her wheel kept time...

"Come, come, little Turk, put away your work, And listen to what I say..."

"I have built my fence, but he won't commence To lay a single rail..."

"Why, John, dear John, how you do go on! I'm afraid it will be as they say..."

"No, no, little wife, I have heard that strife In a lawyer's hand don't pay..."

"He is picking a flaw, to drive me to law, I am told that he said he would..."

"So what can I do that I will not rue, To the man across the way?"

"Thirty dollars will do to carry you through, And then you have gained a neighbor..."

"Just use your good sense—let's build him a fence. And shame bad act out of the fellow..."

That very same night, by the candle light, They opened with interest, a letter...

WEEDS.—I was once walking with a farmer through a beautiful field...

"Is that your field?" I asked. "Oh no," said the farmer...

I wish all fathers and mothers would think of that. The evil weeds in your neighbor's field...

THE HAY CROP IN MAINE.—It is now generally conceded that the hay crop this year in Maine...

REMEDY FOR WARTS.—Fill a bottle with rain water and add as much soda...

The Southern Farmer says that a teaspoonful of fine salt or of horse-radish...

The fifty per cent of silica in the straw and grain, respectively, show why it is that oats flourish luxuriantly...

To cure a FELON.—As soon as the parts begin to swell get the tincture of lobelia...

The active principles of plants, according to recent investigations, are more concentrated in the leaves...

To stop holes in furniture, take good glue and boil with water to a clear, thin liquid...

THE KALOPHON. The tone possesses a most fascinating quality, closely resembling the real VOX HUMANA...

LARGER AND MORE COSTLY STYLES are also offered, of which the catalogue of the manufacturer will give information...

The Smith American Organ Co. BOSTON, MASS. C. E. GATES. AGENT FOR THE PROVINCE. For sale in HALIFAX by S. SELDEN. May 17.

LOOKING THROUGH THE MICROSCOPE.

Pretty soon there will be no secrets left in nature, since the inquisitive little microscope has begun peering into mysteries.

The naturalist just puts off the skin of a rose petal, puts it into his microscope, and finds out just how it lives. He finds the little bags of protoplasm...

You have seen rust-spots on fruit. Some kinds look like little cups full of reddish powder...

Linnæus, who was a great botanist, calls the mosses workmen, because their work in life is to produce vegetation...

Do you know what the pollen of a flower is? If you haven't studied botany, I'll tell you. It is the yellowish powder that you sometimes get on your nose...

Nothing in nature is too small to be exquisitely made and ornamented, and the greater power we can get in the instruments, the more beauty we can discover...

These inquisitive naturalists will even steal the secrets of the flower-buds, pull off their green coats and see how they are made...

Nothing in nature is too small to be exquisitely made and ornamented, and the greater power we can get in the instruments, the more beauty we can discover...

THE HAY CROP IN MAINE.—It is now generally conceded that the hay crop this year in Maine will not exceed one-third of an average yield...

REMEDY FOR WARTS.—Fill a bottle with rain water and add as much soda (same as used in most families in making bread) as the water will dissolve...

The fifty per cent of silica in the straw and grain, respectively, show why it is that oats flourish luxuriantly on meadow land...

To cure a FELON.—As soon as the parts begin to swell get the tincture of lobelia and wrap the part affected with a cloth saturated thoroughly with the tincture...

The active principles of plants, according to recent investigations, are more concentrated in the leaves of plants grown in cold climates...

To stop holes in furniture, take good glue and boil with water to a clear, thin liquid. Mix with the sawdust of the same wood...

MESSENGER ALMA-ACK.

SEPTEMBER, 1871.

Last Quarter, Sept. 6th, 5h. 5m. afternoon. New Moon, " 14th, 2h. 5m. afternoon.

First Quarter, " 21st, 0h. 58m. afternoon. Full Moon, " 28th, 1h. 30m. afternoon.

Table with columns for Day, SUN, MOON, High Tide, and Low Tide. Rows list days from Sept 1 to Sept 30 with corresponding astronomical data.

THE TIDES.—The column of the Moon's Southern gives the time of high water at Pictou, Cornwallis, Horton, Hantsport, Windsor, Newport, and Truro.

FOR THE LENGTH OF THE DAY.—Add 12 hours to the time of the sun's setting, and from the sum subtract the time of rising.

FOR THE LENGTH OF THE NIGHT.—Subtract the time of the sun's setting from 12 hours and to the remainder add the time of rising next morning.

ARCHIBALDS VEGETABLE PAIN-BALSAM is an article worthy of patronage and should be found in every house. It is equal if not superior to any other Pain-Killer now in use...

The Proprietor has removed to Truro, Colchester Co., N. S., is now extending his business, and will be prepared to furnish his numerous patrons with the above, as well as many other valuable remedies compounded by him.

CHALONER'S ANILINE DYES. THE proprietor of the celebrated Aniline Dyes in packets wishing to prevent the public from imposition...

These Dyes give better satisfaction than any other class, they are in almost all colors. Magenta, Pink, Ponceau, Yellow, Mauve, Violet, Purple, &c., (no black) with directions.

REMEDY FOR WARTS.—Fill a bottle with rain water and add as much soda (same as used in most families in making bread) as the water will dissolve.

The fifty per cent of silica in the straw and grain, respectively, show why it is that oats flourish luxuriantly on meadow land...

To cure a FELON.—As soon as the parts begin to swell get the tincture of lobelia and wrap the part affected with a cloth saturated thoroughly with the tincture...

The active principles of plants, according to recent investigations, are more concentrated in the leaves of plants grown in cold climates...

To stop holes in furniture, take good glue and boil with water to a clear, thin liquid. Mix with the sawdust of the same wood...

THE KALOPHON. The tone possesses a most fascinating quality, closely resembling the real VOX HUMANA...

WRIGHT'S Patent Sectional Spring Bed!

THE Subscribers having been appointed Sole Agent in the Province for the sale of this article, recommend it as being the easiest and most comfortable to rest upon...

EAGAR'S Peruvian Bitters!

Of Peruvian Bark, Sarsaparilla, Dandelion, Wild Cherry, and other valuable remedies. AN EXCELLENT TONIC, APPETIZER, & STIMULANT.

Cures LIVER COMPLAINT, DYSPEPSIA, ACIDITY OF THE STOMACH, DEBILITY and PAIN in the BACK, RESTORES THE VITAL ENERGIES, when exhausted, braces up both the Nervous and Muscular System, PURIFIES the BLOOD, and Restores the Appetite.

PERUVIAN BITTERS are not an Alcoholic preparation, but simply a scientific combination of valuable Roots and Barks, which purifies the Blood and restores the waste, thereby bracing up both the Nervous and Muscular Systems...

This BITTERS is not sold as a specific for every disease, but in cases of GENERAL DEBILITY and its effects, such as Dyspepsia, Loss of Appetite, Weakness of the small of the Back, Weak Memory, Indisposition for Exertion, Sense of Fullness after Eating, &c., caused by anxiety over exertion, mental or bodily, late hours, and excesses of every kind, it has no equal.

ALTHOUGH these BITTERS contain no Alcohol, they will most effectually wear the taste from Stimulants and enable the system to dispense with them at once.

I have found Mr. Eagar's PERUVIAN BITTERS beneficial to myself and in my family, and have heard of their being used with good effect in another case in Windsor.

MR. EAGAR.—I have used your PERUVIAN BITTERS in a personal case of Dyspepsia, and have derived the greatest benefit therefrom.

MR. EAGAR.—I have used your PERUVIAN BITTERS and can highly recommend them, as I have derived great benefit therefrom.

I have tried Mr. Eagar's PERUVIAN BITTERS, and can strongly recommend them.

M. F. EAGAR. 149 Hollis St. Halifax. Feb. 23.

DR. JOSEPH D. DAVIS

WOULD inform the public that after thirty years of study, investigation and practical experimenting concerning that terrible disease

CONSUMPTION,

And the diseases of the anterior and posterior nares, throat, bronchia, lung, heart, liver, kidneys, and uterus, and twenty years spent in investigating, experimenting and proving, with the medicinal and therapeutic properties of the roots, barks, plants and shrubs, indigenous to Massachusetts, Maine, New Brunswick and Nova Scotia...

He has, at great expense, procured from London, Paris, Vienna and the United States, the finest and most delicate instruments to enable him to thoroughly diagnose diseases.

Dr. Davis—The wisest of men has said that in a multitude of counsellors there is safety. Having been benefited by your medicines, I wish to say to others who may be suffering from lung diseases...
