

And when called to "come up higher," she may hear the voice of her Master saying, "Good and faithful servant, well done."

The society was pleased with the proposal suggested by the Central Board, of undertaking the support of Miss DeWolf, in connection with Miss Norris; and have expressed their willingness, to make extra efforts, to raise more funds for the mission, the ensuing year. The number of members, at present, is thirty-five; besides many friends, whose contributions we gladly receive, and whose interest, we are anxious to secure. Our meetings, with one or two exceptions, have been regularly attended. The Lord has been pleased to bless us in our prayer-meetings. We believe they have been for our own spiritual good; and we know that by meeting together, we help and encourage each other, and thus our interest will increase. The money raised by the society this year is as follows:—\$30, sent to Secretary of Foreign Mission Board last August. \$12, to Secretary of Central Board, in January—balance in hand \$8. We expect to raise it to a much larger sum before the Convention. We hope the coming year to do more, we feel assured our membership will not be less, but expect a number more will become members, and assist in carrying on this work. The Father make us all faithful, and grant it may be said of each, "She hath done what she could." And He who sat over against the treasury and accepted "the widow's mite," will, we trust, accept, and bless our free-will offerings, accompanied by our prayers.

By order and in behalf of the Society.

EASTERN NEW BRUNSWICK ASSOCIATION.

Dear Editor,—

Few understand better than the good people of Sackville how to entertain an Association, and therefore, should their proposal to give a standing invitation to their Association for the next twenty-five years to meet there be accepted it will give great joy to those who went to attend. It was most gratifying to the numerous delegates and friends to see the crowd of carriages; driven by kind friends, in waiting at the Depot on their arrival, and to be made so soon to feel perfectly at home in the comfortable quarters assigned them.

The twenty-fourth session of the Eastern New Brunswick Baptist Association commenced with the first Baptist church, on Thursday afternoon, July 13th, at 2 1/2 o'clock. Opened with an interesting Prayer and Conference meeting an hour and a half length, in which Revs. G. F. Miles, D. Crandall, I. E. Bill, E. C. Cady, T. A. Blackadar, H. A. Charlton, Frank Beattie, J. Currie, J. C. Bleakney and others took part. The retiring Moderator, Rev. T. Todd, then conducted the Association in the ballot for a Moderator, which resulted in the election of Rev. W. A. Coleman, the fourth time he has served in that capacity in Sackville. Revs. W. A. Corey and I. E. Bill, Jr., were appointed Clerks, and the following brethren were invited to seats in the body—only the direct representatives of churches being received into New Brunswick Association as Delegates:—Revs. I. E. Bill, T. Harley, E. C. Cady, E. C. Corey, E. B. Corey, C. Goodspeed, D. A. Steele, G. Armstrong, W. B. Boggs, T. H. Porter, Bro. W. F. Armstrong, J. W. Hartt, Z. G. Gabel and others.

Revs. T. Todd and G. F. Miles, with the deacons, &c., of the Sackville Church were made the Committee of Arrangements, Committees were then appointed, with their conveners as follows: Home Missions, I. E. Bill, Jr.; Special Business, H. A. Charlton; Religious Periodicals, T. Dodd; Sabbath Schools, T. H. Porter; Education, I. E. Bill; Temperance, F. Beattie; Union Societies, W. A. J. Bleakney; Deceased Brethren, W. T. Corey; Finances, C. F. Cady; New Churches, J. Williams; Circular Letter, I. E. Bill; Digest of Letters, Secretaries and Bro. Bill; to examine and read letters, J. C. Bleakney, G. F. Miles and F. Beattie. In the evening Rev. T. H. Porter of Fredericton preached a practical sermon from Matt. xvii. 17. "Bring him hither to Me."

On Friday morning the Association Sermon was preached by Rev. W. T. Corey from Matt. xxviii. 18, 19:—"All power is given with me in heaven and in earth, Go ye therefore, and teach all nations." In the afternoon the reading of the Letters was concluded. The increase during the year has not been large, and the most noticeable feature in these communications was the increased interest reported in the Foreign Mission and the Union Society. I was informed by Bro. Cady, the indefatigable and successful Agent of the latter that he has recently secured about \$300, as for Foreign Missions alone. This is gratifying in view of the fact stated by one of the speakers on Missions, that last year the contributions in Nova Scotia for this object amounted to twenty cents per member; P. E. Island twenty-three; and New Brunswick two and a half.

Three new churches were received into the body, one of them Sussex, where Rev. W. A. Corey for some time been laboring, and where so fine a place of worship has recently been erected near the railway station.

A deeply interesting Educational meeting was held presided over by Z. G. Gabel, Esq., the earnest President of the N. B. Baptist Education Society. The Annual Report of the Secretary, Bro. Phillips, was read by James W. Hartt, Esq. The original Constitution of the Society, supposed to be lost, but recently discovered among the archives of the Fredericton Baptist church, was also read and ordered to be published. Hope was expressed that Prof. Jones will accept the principalship of the Seminary in Fredericton, and regret that Acadia College was not represented in the Association, especially when it is hoped that the bond of union between these Institutions will now be drawn much closer than ever before. It was stated by the late Principal that at least twenty new students might be expected immediately. One whose name, for his own sake, will not here be mentioned, spoke strongly in opposition to our institutions of learning. This called out in their defence speeches of great interest and power by Revs. C. Goodspeed, G. F. Miles, I. E. Bill, T. Todd, E. C. Cady and Bro. Simpson, a young student at the Seminary. When the Association resumed, the Report on Education was submitted, recommending the raising of funds for the Seminary by resuscitating the Education Society, the payment of \$4.00 annually constituting membership, and \$40 at one time life-membership; and also commending our College to favorable consideration.

A Report commendatory of the Visitor, was adopted after some discussion. The report on Sabbath Schools recommended adult attendance and Sabbath School Convention work.

In the evening a very large and most interesting Missionary meeting was held, during which the Reports of the New Brunswick Baptist Home Missionary Society was adopted, and the officers for the ensuing year appointed. The Report on Home Missions was presented by the convener of the Committee, and on Foreign Missions by Rev. W. F. Armstrong, after which a number of brief, but interesting addresses were given, Rev. I. E. Bill referred to the Tobique and the North as Mission fields; Rev. E. C. Cady reported having recently received \$10.00 for Missions from one not a member of our Denomination, and \$20.00 enclosed in an anonymous letter; Rev. G. Armstrong said the Western N. S. Association might raise double or treble what it does for Missions, but did not think it best always to find fault, and hoped for closer union between the Provinces; Rev. T. Harley related a most interesting anecdote of Richard Knill; E. C. Knapp spoke of the claims of Dorchester; Rev. T. H. Porter reported from the Eastern Nova Scotia and Prince Edward Island Associations, stating that the latter is intending to lay violent hands on Bro. Cady; see Matt. 11: 12; Rev. W. B. Boggs spoke of Foreign Missions in general expressing the hope that our Convention will take strong ground in this matter; and Bro. W. F. Armstrong addressed the meeting at length and most impressively on the subject so near his heart. Resolutions were then unanimously adopted commending him and his present agency to favorable consideration.

Saturday was occupied with the remaining reports, routine business and preaching. The following brethren, who remained over the Sabbath occupied the various places of worship in Sackville, Amherst, and the surrounding places: I. E. Bill, W. A. Corey, T. Harley, T. A. Blackadar, W. A. Coleman, D. Crandall, G. Armstrong, C. Goodspeed, W. F. Armstrong, E. C. Cady, E. C. Corey, and others. There was also a Sabbath School concert in the afternoon, and interesting addresses were given by a number of those brethren. And thus concluded one of the most interesting Associations, it has ever been the privilege of the writer to attend.

EMIGRATION TO MANITOBA.—The Ottawa Times states that a great rush of immigration to Manitoba has already set in. Numbers of Germans and Scandinavians from the State of Minnesota, finding that the lands of North West are fully equal to the very best which can be found in the United States, and that instead of being weighed down with a heavy burden of taxation, settlers in Manitoba are not taxed at all, they are crossing the border into Dominion territory.

A despatch from Toronto to the Chronicle on Saturday last stated that the Hon. Mr. McDougall had written a letter to his constituents in support of the Washington Treaty. He takes the ground that having been ratified by the two high contracting parties, it has the force of law; that no further legislation is necessary to give it effect, and that Canada cannot, if she

would, change the policy of the Empire unless she is prepared to quit it. He thinks the guarantee of peace and the opening of the St. Lawrence, which involves improvement of its navigation by both countries, the great merit of the Treaty.

A horrible murder was committed on Saturday morning on a farmer at Thorndale, near London, Ontario, by robbers with blackened faces.

THE CROPS IN ONTARIO.—Toronto papers report that there is every prospect of an early harvest of fall wheat immediately succeeding that of hay, throughout the province of Ontario. Already in many places the growing wheat is whitening for the harvest, and in a few days the reaping machines will be at work.

DEATH OF MR. MACAULEY.—A telegram to the Montreal Gazette, says of the death of Macauley the Speaker's clerk. "According to the report which has reached here he was addressing a meeting of the electors last night when he was set upon and beaten by a number of rowdies, and received such injuries as resulted in his death at four o'clock this morning. The only medical man in the village, being a violent partizan of Leduc's, refused to attend the dying man." He was acting as representative of Mr. Eddy, one of the candidates.

The *Adele*, 269 bbls., the *Dominion*, 246 bbls., *Octavia*, 240 bbls., the *Peter Mitchell* 360 bbls., and the *Sergeant S. Day*, Hardy, 320 bbls. UNITED STATES.

NEW YORK has been in a state of great excitement during the past week, arising from riotous proceedings in connection with the Orange processions on the 12th inst.

The procession of Orangemen was attacked by Roman Catholics, and the fighting continued more or less all along the route. The police and military were called out and their weapons used with much vigor. The troops fired on the assailants and a general firing kept up on both sides for some time. The mob firing from the house-tops, and the police and military returning the fire.

Col. James Fisk, Jr., 9th Regt., was shot through the ankle while trying to rescue Henry C. Page, manager of Fisk's Opera House. Page was rescued but died of his wounds. A woman and little girl were killed.

Several Fenian armories were captured by the rioters, the arms of which were used by them. They threatened to burn the newspaper offices and Harper's establishment, but were unable to fulfil their threats. The losses are variously stated; but at least 100 rioters killed and 150 wounded.

An attempt was made on Thursday to renew the riot, but was put down. The casualties of the riot are estimated at 500, but the actual number will probably never be known. Numerous wounded were removed by their friends.

Six more New York rioters died on Friday. Lodges of Hibernians in full regalia attended the funerals of several of the rioters. Many of the wounded were in a dying condition.

Trouble was apprehended on Sunday at the funeral of the soldiers killed. The funerals of eight of the rioters were also to be held at the same time.

It is said that E. L. Carey, a well known leader of the Hibernians, is to be indicted for conspiracy to create a riot in Prince street hall on Monday night. It is said that Carey used his influence with the Mayor to have the Orange parade stopped. The grand jury intend to indict for murder rioters who were caught firing at the procession.

The arsenal at Rio Janeiro has been totally destroyed by fire. The loss exceeds three hundred thousand pounds.

The Porto Rico and Jamaica cable, which was recently recovered, has been lost again.

LATEST FROM EUROPE.

FRANCE.—As fighting is suspended political parties are active in endeavouring to strengthen their hold of power by diplomacy. It is reported that Thiers has written to the Pope, asking him to come to France to live, but promises friendly mediation between the Pope and Italian Government. This is disbelieved by some parties.

It is hardly likely that any friendly feeling will be produced between the Pope and the Italian Government, unless by the latter acknowledging Papal supremacy in his dominions. It is probable that intrigue will be at work, and will secure as much of real power as possible, while the government will be administered by Victor Emanuel.
