GATES' LIFE OF MAN BITTERS

FROM THE ROOTS and Plants of Nova Scotia, FORMERLY MANUFACTURED BY MRS. GATES, OF WILMOT,

WHO was pronounced incurable of Liver Complaint and Dropsy by many skillful physicians; when procuring several receipts from an eminent French physician, she was entirely cured; and afterwards cured hundreds of cases for which at first there seemed to be no hope. We offer these remedies to the public through the persuasion of those who at present consider that they are indebted to them for the preservation of their lives. Many certificates can be given for the cure of the following diseases: Dropsy, in its worst form. Liver Complaint. Jaundice, Swelling of the Limbs and Face. Asthma, of whatever kind; Dyspepsia, Bilioussness, Spitting of Blood, Bronchitis, Sick Headache, Diseases of the Blood, Female Diseases, Running Sores, Rheumatism, Erysipelas.

These Bitters are taken in connection with a Syrup to regulate the bowels and purify the blood. We also prepare a LINIMENT and an OINTMENT for external application when required. The following certificates describe a few of the astonishing cures which have been made by the use of these remedies: CALEB GATES & Co.

Gentlemen—I take this opportunity of testifying to the value of your Invigorating Syrup. My daughter a girl of twelve years of age, was afflicted during the past winter with loss of appetite followed by general debility and weakness of the stomach to the extent that she could not retain food upon the stomach the consequence of which was that she became a mere skeleton and was fast wasting away while the Doctors could do nothing for her.

Mr. John N. Coleman happened to call at my house and seeing the pitiful condition of the child recommended the Syrup. We gladly took his advice and immediately procured a bottle which gave great relief and a second one made an entire cure.

WALTER WHITE. Personally appeared before me the subscriber Walter White and made oath to the above certificate. I. N. COLEMAN, J. P. Lakeville, Kings Co., N. S. June 14th, A. D. 1871.

CALEB GATES. Dear Sir,—I write this from a sense of gratitude for the bottle of No. 1. Invigorating Syrup, you gave me last June as I was inclining to the liver complaint, and one bottle removed the difficulty I was labouring under, and I believe it to be an excellent stimulating Syrup, especially for liver complaint as the one bottle was so beneficial last spring I want another one this Spring, send it along. I am glad to know from experience that you understand the medicinal properties of some of the roots and herbs that the Lord has made for the benefit of man.

Your truly, REV. URBED PARKER. Melvern Square, April 14, 1870. The medicines are manufactured by
