GATES' LIFE OF MAN BITTERS, FROM THE

Roots and Plants of Nova Scotia, FORMERLY MANUFACTURED BY MRS. GATES, OF WILMOT

THO was pronounced incurable of V Liver Complaint and Dropsy by many skilful physicians; when procuring several receipts from an eminent French physician, she was entirely cured; and afterwards cured hundreds of cases for which at first there seemed to be no hope. We offer these remedies to the public through the persuasion of those who at present consider that they are indebted to them for the preservation of their lives. Many certificates can be given for the cure of the following diseases :- Drepsy, in its worst form. Liver Complaint, Joundice, Swelling of the Limbs and Face, Asthma of whatever kind; Dyspepsia, Billiousness, Spitting of Blood Bronchitis, Sick Headache, Diseases of the Blood Female Diseases, Running Sores, Rheumatism, Erysipelas.

These Bitters are taken in connection with a Syrup to regulate the bowels and purify the blood. We also prepare a LINIMENT and an OINTMENT for external application when

The following certificates describe a few of the astonishing oures which have been made by the use of these remedies :

FALMOUTH, April 22nd, 1871. DR. GATES, - This is to certify that in the year 1868. I was suffering from heart disease and hearing from some in our land that were restored to good health by taking your medicine, I was advised to try it. You came to see me like a drowning man ready to grasp at any chance to save my life, I tried your Syrup, and Bitters and Pills, you told me not to work, I received strength from taking them. I went to work but have always thought if I had done as you told me to do I might have been well. The Lord knows. I have taken some since then and am still alive thank God and I think som what better. I di : not givo your valuable medicine 1 fair chance I thought it my duty to write and let you know. At the time you told me my daughter had liver complaint, and other symptions that might if not attended to turn to consumption. You left some medicine for her and in a short time she was well; and has been ever since with the exception of slight colds. Last win ter I believe the Lord sent you to my house, my son was almost blind in one of his eyes; my wite and I were in great trouble, being atraid he would lose it. We were about taking him to Halifax He could not open his eyes There was white skin over it. You looked at it and gave me a buttle of your Eya Relief. In less than a week it was as well as the other. Having some little of the Eye Reitat left, one of my neighbours daughter's eye was in a state of blindness. I gave him the balance. It worked like a chacin, and only 25 cents per buttle. Now, Sir, having confilence in you as a good principled man, and your medicine as Nature'. own remedy, and feeling for the afflicted, I send you this which if you soe fit to publish, do so.
