THE NORTH BRITISH CATTLE FOOD CO.

Important to Cattle Owners.

SIR,—During three months past I have caused the "Nutritious Condiment" to be regularly given, twice each day, to one horse, three cows, and two pigs, with a moderate quantity of their usual food.

The result has been most favorable, the horse is in good condition and performs his work well.

The cows yield milk in larger quantity, and of better quality than formerly. The pigs fatten rapidly, and at much less expense than is customary.

I can, and do, with perfect confidence recommend the "Nutritious Condiment" as being fully equal in every respect to what is stated in the Company's circulars.

Respectfully yours, JAMES G. ALLAN, Notary Public.

GEO. FRASER, Esq., Agent N. B. Cattle Food Co., 74 Lower Water Street.

In addition to the foregoing, the Agent has received from hundreds of others in this City and throughout the Province, the most unqualified testimony, not only of its merits as an economizer of ordinary food, but as imparting life, vigor and beauty, where all other means had failed.

Directions for Use. HORSES.—Use one fourth less corn and add a measure full of the Condiment for each horse, (cost one cent), make up the bulk with chaff or chopped hay, mix with a little water, and you have a rich aromatic provender that never fails to produce a glossy coat, bright eye and clean limbs.

COWS ON OXEN.—Mix at the rate of twelve measures full for every dozen cows or oxen with their usual provender, deducting an eighth part of the meal used before using the Condiment.

Result.—From the cows you will have more milk and of a better quality; from the oxen more work.

Pigs.—For fattening pigs use one-half the usual quantity of meal, and add bran in its place, with the Nutritious Condiment, one measureful for each pig.

Result.—Fatten in half the usual time, and the bacon sweeter and better.

CALVES.—The Nutritious Condiment has proved most efficacious made into porridge at the rate of seven measureful for every twelve calves.

The above Celebrated Food is sold at the Depot, 74 Lower Water Street, in bags 16 lb or 25 lbs, 50 lbs, and 100 lbs, each.

And at FURSYTH & CO'S, Druggists, No. 193 Hollis Street.

Joyful news for the Afflicted! GATES' Life of Man Bitters.

Wilmot, Port George, March 20th, 1871. MESSRS. G. GATES & CO.

Gentlemen.—I have much pleasure in sending you this testimony for the encouragement of yourselves and for the benefit of suffering humanity.

In April of 1868 my wife was most distressingly afflicted with a severe pain through her chest, side, and both shoulders. We endeavoured to obtain medicine to give ease but were never able to get any that gave relief until I got some of your Life of Man Bitters and No. 1 Syrup which not only gave relief but effected a perfect cure. During the time my wife was taking your medicine we took a little child whose mother had just died with consumption. When the little one was left motherless it was 12 months old and weighed only 15 lbs., being but little short of a living skeleton. We gave it 1 bottle of your Bitters and 2 bottles of your No. 1 Syrup which acted like a charm, quieting its nerves and giving health and vigor to its whole system. We consider it now a healthy child, and has been so with but one exception. When it was taken with cholera apparently in its worst form passing little else than blood, we got one half bottle of your Certain Check which made a complete cure, and the child is now healthy. Also my daughter was very much afflicted with sick headache and female weakness, which had she not got relief must have terminated in consumption. A few bottles of your No. 2 Bitters and No. 1 Syrup effected a complete cure.

WILLIAM H. BROWN. Sworn to before me this 5th day of April 1871, G. B. REED, J. P.

CALEB GATES: DEAR SIR—I had for ten years been afflicted with liver complaint and general debility. I had advice and medicine from some of our most eminent physicians. They gave me very little medicine, but told me to take good care of myself. Three of the four told me they might as well put needles into an empty chest as into my stomach, for I had such a complication of diseases that to cure one would only irritate another, and medicine would only shorten my days.

I gradually grew weaker, could scarcely walk across the floor without assistance. In July 10, 1868 I procured your Life of Man Bitters No. 2, and Syrup No. 1, and 2. After taking twenty-six bottles I found myself enjoying very good health.

I thank God that it has been the means of saving my life, and I hope all the suffering will procure your invaluable and unrivaled medicine for I believe it to be the best in our land. Yours respectfully,

AMY K. HARVIE. Sworn before me. WILLIAM HARVEY, J. P., Falmouth March 19th 1872.

PRICE. Bitters \$1 per quart: Syrup 50 cents per pint bottle; Liniment 20 cents per bottle and the ointment 20 cents per box.

Address GATES & CO., Farmington, Wilmot, Annapolis Co. A large number of certificates, similar to the above, have been received and will be published at times for the information of the afflicted and the people generally.
