DISEASE. HORSE

IMPORTANT FACT !!!

(From the London " Field " dated 15th July, 1865.)

"At the last meeting held in London uv the delegates from the different Chambers of Agriculture, throughout the Kingdom, it was shown by the Statistics of each County, that in the Counties where the North British Cattle Food Co's food had been used no fatal cases of plague had occurred ; on the other hand where this food had not been used the Cattle mostly succumbed to the disease."

WE all know that prevention is better than cure. The Nutritions Condiment was the preventative. The Cattle using it were in better health and more able to stand the ravaes of disease, when contracted, and also by its use they were less liable to be afflicted with the disease.

VETERINARY SURGEONS APPR VF OF ITS USE.

Veterinary Surgeons, together with Physicians, Professors of Chemistry and men of science testify to the use of the Condiment both for its lattening and healthgiving properties.

Dear Sir,-I have much pleasure in testity ing to the many excellent qualities of the Nutritous Condiment for which you are agent, I have given it a fair trial, and find it very good for all kinds of cattle and borses You are at perfect liberiy to use my name in strongly recommending it as one of the most beneficial things of the kind ever introduced into

MESSRS. C. GATES & Co.

Gentlemen .- I have much pleasure in sending you this testimony for the encouragement of yourselves and :or the banefit of suffering hamanity.

In April of 1868 my wife was mont distress. ingly afflicted with a severe pain through her chest, side, and both shoulders. We endeavoured to obtain medicine to give case but were never able to get any that gave relief until I got some of your Life of Man Bitters and No 1 Syrup which not only gave relief but effected a perfect cure. During the time my wife was taking your medicine we tosk a little child whose mother had just died with consumption When the little one was left motherless it was 12 months old and weighed only 15 lbs., being but little short of a living skeleton. We gave it 1 bottle of your Bitters and 2 bottles of your No. 1. Syrup which acted like a charm, quieting its nerves and giving health and vigor to its whole system. We consider it now a healthy child, and has been so with but one expection. When it was taken with cholera apparently in its worst form passing little else than blood, we got one half bottle of your Certain Check which made a complete cure, and the child is now healthy Also my daughter was very much afflicted with sick headache and female weakness, which had she not got relief must have terminated in consumption. A few bottles of your No 2 Bitters and No 1 Syrup effected a complete cure. WILLIAM H. BROWN.

My cough was increasant I could not get relief from any quarter, or from any medicine man, until I accidentally fell in with oath state that one bottle of it gave me instantane us relies 1 use it continually in my family, and would not be without it on any ac. count.

Several other persons with whom I am acquainted have also been cured by your valuable meticines I shall be happy to give any futher information concerning your medicines at any time. I have also been cured of palpitation of the heart by the use of Gates' medicines. One of my daughters was in a learful state as regaids a cough or cold, and she received immediate relief a perfect cure, and can honestly recommend it to all, young and old.
