

It has been found that the blind can be trained to the practice of many of the mechanical and even, some of the fine arts; and being thus instructed, they are capable of instructing others.

We hope therefore that our legislators when they next come together, will give this question the consideration which it merits.

REV. J. M. PHILLIPPO.

A notice appeared not long since, in one of the Jamaica papers, and afterwards in the Christian Messenger of the retirement of Rev. Mr. Phillippo, from the practical duties of the Pastorate of the Church at Spanish Town.

My retirement from the practical pastoral work at Spanish Town, though much against the will of the people, I found to be necessary, as my work and responsibilities seemed to accumulate, rather than diminish, with my declining years.

One of the seniors of our able and excellent staff of contributors has sent on a very timely article for our next issue, in the form of "A New Year's Blessing."

NEW ADVERTISEMENTS.

Prospectus for 1873—Sixth Year.

THE ALDINE.

AN ILLUSTRATED MONTHLY JOURNAL, universally admitted to be the Handsomest Periodical in the World. A Representative and Champion of American Taste.

Not for Sale in Book or News Stores.

THE ALDINE, while issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant miscellany of pure, light, and graceful literature; and a collection of pictures, the rarest specimens of artistic skill, in black and white.

ART DEPARTMENT.

The publishers are authorized to announce designs from many of the most eminent artists of America.

In addition, THE ALDINE will reproduce examples of the best foreign masters, selected with a view to the highest artistic success, and greatest general interest; avoiding such as have become familiar, through photographs or copies of any kind.

The quarterly tinted plates for 1873, will reproduce four of John S. Davis' inimitable child sketches appropriate to the four seasons. These plates, appearing in the issues for January, April, July, and October, would be alone worth the price of a year's subscription.

The popular feature of a colorfully illustrated "Christmas" number will be continued.

To possess such a valuable epitome of the art world at a cost so trifling, will command the subscriptions of thousands in every section of the country; but, as the usefulness and attractions of THE ALDINE can be enhanced, in proportion to the numerical increase of its supporters, the publishers propose to make "insurance doubly sure," by the following unparalleled offer.

PREMIUM CHROMOS FOR 1873.

Every subscriber to THE ALDINE, who pays in advance for the year 1873, will receive, without additional charge, a pair of beautiful oil chromos, after J. J. Hill, the eminent English painter. The pictures, entitled "The Village Belle," and "Crossing the Moor," are 14 x 20 inches—are printed from 25 different plates, requiring 25 impressions and tints to perfect each picture. The same chromos are sold for \$30 per pair, in the art stores. As it is the determination of its conductors to keep THE ALDINE out of the reach of competition in every department, the chromos will be found correspondingly ahead of any that can be offered by other periodicals.

TERMS.

\$5 per annum, in advance, with Oil Chromos free.

THE ALDINE will hereafter, be obtainable only by subscription. There will be no reduced or club rates; cash for subscriptions must be sent to the publishers direct, or handed to the local agent, without responsibility to the publishers except in cases where the certificate is given, bearing the facsimile signature of James Sutton & Co.

Any person, wishing to act permanently as a local agent, will receive full and prompt information by applying to JAMES SUTTON & CO., Publishers, 58 Maiden Lane, New York.

Those seeking a new HYMN and TUNE BOOK FOR CHURCH SERVICE, and who desire to

"GET THE BEST," should not fail to examine with care

THE SERVICE OF SONG.

This work, it is claimed, contains the best, the sweetest, most elevated Scriptural Collection of HYMNS extant. It has the best and every way most available MUSIC for CONGREGATIONAL SINGING, the adaptation of the Hymns and Music is the most perfect, the whole arrangement is the most thoroughly systematic; the numbering of the HYMNS of the different editions (unlike other similar works), ALL CORRESPOND; the several Indexes are the fullest and most complete; the size and weight of the book the most convenient for use; the type the neatest and most distinct. All these excellencies, combined, with the superior paper and binding, make it in every respect, the most perfect and attractive book for public worship in the market; while the PRICE is lower than most, and is as low as the lowest.

It has been introduced into a large number of our best churches in different parts of the country, and has received the most unqualified commendation of the press, of musical men, of ministers and churches, etc. With no effort to detract from other recent works, by attempting to point out their defects, the Publishers simply desire, and would respectfully urge, a thorough, candid examination of the "Service of Song," confident that such an examination cannot fail to convince every fair unprejudiced mind, of its superior merits.

The Collection contains 1069 HYMNS, and 361 TUNES, 36 DOXOLOGIES, and a choice collection of CHANTS, with Selections of SCRIPTURE for Chanting.

PRICE—Cheap Edition of the Hymns alone, 18mo., cloth, Arabeque, 75 cts. Few Edition of Hymns alone, 18mo., sheep, marbled edges, 1.25. Hymns and Tune Edition, for Congregational Singing, square 8vo., cloth, Arabeque, marbled edges, 2.00. To churches, for introduction, 60 cts., 1.00, and 1.60. The same, in various other bindings, with prices to correspond.

Copies furnished for examination, without charge, if introduced; if not, they may be returned.

Send for Descriptive Pamphlet, with notes, etc., of the work.

THE PSALMIST, of unexampled popularity, by Drs. Stow and Smith, is published, in various sizes and styles, as heretofore.
