THE NORTH BRITISH CATTLE FOOD CO.

ADDITIONAL TESTIMONY. HALIFAX CITY RAILROAD OFFICE, May 9th, 1872.

GEO. FRASER, Esq., Agent N. B. Cattle Food Co.

Dear Sir,—I have much pleasure in stating that I have given the Nutritious Condiment a fair trial, and have found it satisfactory as stated in your Circulars. I am prepared to say that I have used nothing yet to compete with it for health, spirits and appetite, and am of opinion that when others similarly situated know of the benefits to be derived from it, they will be as anxious as I am to continue its use.

Please send me two bars more, 100 lbs. each. I am, Dear Sir, Respectfully yours, N. GLENNON, Manager Halifax City R. R. Co.

In addition to the foregoing, the Agent has received from hundreds of others in this City and throughout the Province, who have already used the Nutritious Condiment, the most unqualified testimony, not only of its merits as an economizer of ordinary Food, but as imparting life, vigor and beauty, where all other means had failed. Many who at first were skeptical, are now fully convinced of its real merits, and proving their confidence by sending for repeated supplies.

Directions for Use.

HORSES.—Use one fourth less corn and add a measure full of the Condiment for each horse, (cost one cent), make up the bulk with chaff or chopped hay, mix with a little water, and you have a rich aromatic provender that never fails to produce a glossy coat, bright eye and clean limbs.

COWS OR OXEN.—Mix at the rate of twelve measureful for every dozen cows or oxen with their usual provender, deducting an eighth part of the meal used before using the Condiment.

Result.—From the cows you will have more milk and of a better quality; from the oxen more work.

PIGS.—For fattening pigs use one-half the usual quantity of meal, and add bran in its place. With the Nutritious Condiment, one measureful for each pig.

Result.—Fatten in half the usual time, and the bacon sweeter and better.

CALVES.—The Nutritious Condiment has proved most efficacious made into porridge at the rate of seven measureful for every twelve calves.

For sale in bags at \$2.50, \$4.25 and \$8.00 each, at the Depot,

74 Lower Water Street,

There is a tin measure in each bag. The smallest bags contain sufficient for 200 feeds.

This is to certify that in May last I was sorely troubled with what the Doctor pronounced Pleurisy and other complaints. After applying to several eminent physicians and obtaining no relief, I was by the advice of friends, who had used Gates' medicines, induced to make a trial of the same. After using two bottles of it I am happy to say that I consider myself entirely free from the diseases which the doctors pronounced incurable and safely recommend it to all those suffering with such a complaint.
