Life of Man Bitters.

Wilmot, Port George, March 20th, 1871. MESSRS. C. GATES & Co.

Gentlemen .- I have much pleasure in sending you this testimony for the encouragement of yourselves and for the benefit of suffering

In April of 1868 my wife was moat distress. ingly afflicted with a severe pain through her chest, side and both shoulders. We endeavoured to obtain medicine to give case but were never able to get any that gave relief until I got some of your Life of Man Bitters and No T Syrup which not only gave relief but effected a perfect cure. During the time my wife was taking your medicine we took a little child whose mother had just died with consum, tion When the little one was left motherless it was 12 months old and weighed only 15 lbs., being but little short of a living skeleton We gave it I bottle of your Bitters and 2 bottles of your No 1. Syrup which acted like a charm, quieting its nerves and giving health and vigor to its whole system. We consider it now a healthy child, and has been so with but one expection. When it was taken with choleraappar ntly in its worst form passing little el-e than blood, we got one half buttle of your Certain Check which made a complete cure, and the child is now healthy. Also my daughter was very much afflicted with sick headache and femule weakness, which had she not got relief must have terminated in consumption A few bottles of your No. 2 Bitters and No 1 Syrup effected a complete cure

G. B. REED, J. P.

Dear Sir,-I feel it to be both a pleasure and

duty to mention one or two circumstances omitted b, my husband which I think deserves to be mentioned. In the year 1870 I was seized with a most excruciating pain in my stomach. It really appeared to me that unless I could get relief in some way I could not survive many hours I had immediate resort to your Certain Check, to which I must give the credit of reheving me and of removing the pain And also our daughter (not the one before alluded to) was cured of fits by using your Syrup, and has never had one since.

I am willing to attest to the statements made by my husband as above if opportunity would
