NEW ADVERTISEMENTS.

THE NORTH BRITISH CATTLE FOOD CO.

ADDITIONAL TESTIMONY. HALIFAX CITY RAILROAD OFFICE, May 9th, 1872. GEO. FRASER, Esq., Agent N. B. Cattle Food Co. Dear Sir—I have much pleasure in stating that I have given the Nutritious Condiment a fair trial, and have found it satisfactory as stated in your Circulars. I am prepared to say that I have used nothing yet to compare with it for health, spirits and appetite, and am of opinion that when others similarly situated know of the benefits to be derived from it, they will be as anxious as I am to continue its use.

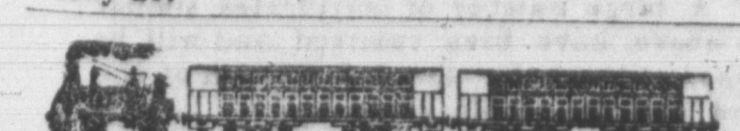

Directions for Use. HORSES.—Use one fourth less corn and add a measure full of the Condiment for each horse. (cost one cent), make up the bulk with chaff or chopped hay, mix with a little water, and you have a rich aromatic provender that never fails to produce a glossy coat, bright eye and clean limbs.

Cows or Oxen.—Mix at the rate of twelve measures full for every dozen cows or oxen with their usual provender, deducting an eighth part of the meal used before using the Condiment. Result.—From the cows you will have more milk and of a better quality; from the oxen more work.

Pigs.—For fattening pigs use one-half the usual quantity of meal, and add bran in its place, with the Nutritious Condiment, one measure full for each pig. Result.—Fatten in half the usual time, and the bacon sweeter and better.

CALVES.—The Nutritious Condiment has proved most efficacious made into porridge at the rate of seven measures full for every twelve calves.

For sale in bags at \$2.50, \$4.25 and \$6.00 each, at the Depot, 74 Lower Water Street. There is a tin measure in each bag. The smallest bags contain sufficient for 200 feeds. Pamphlets given gratis. GEORGE FRASER, Agent for the Maritime Provinces. Halifax, 14th May, 1872. May 29.
